

Sheffield Wed 3, Luton 2

AN inspired performance from the diminutive Brian Marwood gave Wednesday their first win of the month yesterday writes **Frank Barden.** 85/86

He scored twice, made another and generally livened up the mediocre fare for the 17,887 Hillsborough crowd.

After a first half notable for nothing more than bookings for Harford, Stein, Preece and Thompson he got the final touch as he attacked a typical Wednesday downfield pass with Thompson, as Sealey tried to close the ball down.

Inside a minute Luton were level. Stein missed a clear chance from six yards then poked his next chance from the same spot straight at Hodge. Harford nabbed the rebound.

As first half injury time stretched to three minutes, Wednesday grabbed the lead again — Marwood making a marvellous run down the right to find Chapman completely unmarked at the far post. The striker finished off the perfect cross in comfort.

On the hour Foster handled Thompson's cross and Marwood confidently drove in the penalty to make it 3-1.

It should have been all over but Hodge could not hang on to the ball three minutes later when Nwajiobi, raced in and it bounced away for another easy chance which Harford promptly pocketed
