Leicester 1, Luton 1

BRIAN STEIN'S magnificent solo goal would have graced the World Cup.

That was the verdict of new Luton manager John Moore after Stein's sensational equaliser.

Stein dribbled past three defenders before arrogantly flicking over advancing keeper Ian Andrews.

Moore said: "It was a bit special. If it was scored in the World Cup everybody would have been raving about it.

Delight

"Sometimes we don't appreciate players on our own doorstep."

"Nwajiobi did something similar when Newell headed against the bar.

"People say players in England have no skill but there are

two examples that I'm delighted to see."

Luton felt they should have finished with three points, but Moore was still pleased with his team's display.

Leicester grabbed an early lead through top marksman Alan Smith, his 60th League goal.
