

McDonough, Black doubt

90/91

Southampton 1, Luton 2

JIM RYAN, Luton's manager, will be anxiously awaiting fitness reports on Irishman Kingsley Black and Darren McDonough before selecting his side to entertain expensively built Manchester United tomorrow.

Black strained a thigh against Arsenal last Wednesday, while McDonough damaged his ribs again during the surprise, but merited, victory over Southampton, which earned Luton Graham Taylor's vote as Barclays performance of the week. A local boys club will receive £650.

Danish marksman Elstrup bagged Luton's two goals with Rideout hammering Southampton's reply after a square pass from the talented Le Tissier.

Stern defending, good goal-keeping and inaccurate shooting left Chris Nicholl, Southampton's manager, disappointed with the performance.
