Leeds 2 Luton 0

LEEDS moved to within two points of leaders Manchester United with this win despite being well below their best.

Leeds struggled to dominate Luton's mid-field through David Batty and Gary McAllister.

Several times Luton came close to scoring, but two stunning goals clinched it for Leeds.

French international Eric Cantona came on for injured Tony Dorigo after 28 minutes and, not long in to the second half, broke the deadlock with a fierce drive.

Then Cantona turned provider, setting up Lee Chapman to smash the ball into the net.
