# Improvements in form give us hope for the future

MANAGER'S VIEWPOINT BY DAVID PLEAT

**W**elcome to all our supporters who have kept with us during this difficult season. We also extend a warm welcome to all our guests from Peterborough, particularly the chairman Mr Chris Turner and the manager, Mr Lil Fuccillo.

Today is an important game for our club and we must be very positive in our approach. It would be a frightening quirk of fortune if, after battling so hard to get away from the basement, we are plunged back into trouble.

We are aware of all the circumstances, and the form since November has been worthy of

a team trying to resurrect its fortunes after the knock-on effect of a relegation.

The improvement of results at all levels in our club since November has been quite dramatic. The reserves too were anchored and young players have been pushed along and given opportunities that may not have arisen at clubs with bigger squads.

I would particularly like to thank all the coaching staff, who have been so invaluable during this traumatic year. John Moore, Wayne Turner and Terry Westley have all put in the miles and grafted away to help players better themselves.

Although we haven't agreed some contracts with more senior players, the pattern for next season is slowly taking shape. At present, we do not expect an introduction of finances that will bolster our playing staff. As such, we must maximise everyone's abilities

to the full.

Some players have either left or will be leaving within the next few weeks. We appreciate their efforts and remind them that when one door closes, another one opens. For example, this season, previous forwards Sean Farrell and Kurt Nogan have found a niche which has enabled them to play regular

senior football.

We hope that by next season, we will have transformed our playing surface; any side that relies on its passing must have good grass. It is a big responsibility for the groundsmen and like a manager, they need financial support and help. Richard Bird and Charlie Garner will be doing their best to make sure we don't have the problems suffered this season, prior to Christmas.

Our other new staff member was Andy McDade, responsible for the treatment of our injured players. He has had a gentle intro-

duction, but some of our younger players, namely Martin Williams, Paul Telfer and Greig Rioch, face operations once the season has ended.

We congratulate Telfer, Philip Gray, Aaron Skelton, John Hartson, David Greene and Scott Oakes, who have all received international recognition this season. I am optimistic about the youth of our club.

In the past few weeks, we have appreciated the efforts of Kerry Dixon, our second loan player this season. In the reverse direction, many players have been loaned out.

Our immediate aim is to stabilise the club after suffering so badly in the aftermath of a glorious era. No-one knows the future, but you can rest assured that everyone connected with the playing side will give every ounce of effort to rise above the general difficulties of the game at this time.

Finally, despite a quivering pen, I would

like to record my thanks to each and every individual who has helped in some way this season. From the youngest supporter to the oldest employee. Have a good summer and if we do not get the result we require this afternoon, I hope you will be with us next Saturday. Thank you all for your support and for keeping faith with our efforts.

Enjoy the game.

# Join in the fun tomorrow and have a great day out!

LUTON TOWN F.C. OPEN DAY 1993

**T**he Hatters are holding a fun-filled Family Open Day at Kenilworth Road tomorrow (Sunday) and you are all invited to join in the exciting events and activities which are planned.

The aim of the day is to thank all Town supporters for their support this season and to further boost the relationship between the club and its supporters, as commercial officer Andy King explains:

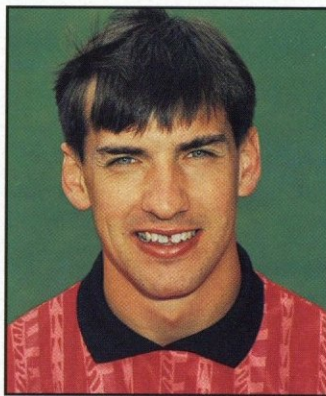

"We hope to make the occasion as enjoyable as possible for the local community and to establish a closer friendship with all who come along," he said.

"We are also hoping to attract people who have never been to Kenilworth Road before and to show them the benefits that their local football club can provide."

The fun starts at 12 noon and the activities will include a super prize draw, lucky dip, bouncy castle, end-of-season bargain sale of retail goods, star player autograph sessions, Lazerquest shoot-out, a football skills demonstration and behind-the-scene tours of the stadium.

"There will also be an over-16's 5-a-side tournament and an under 16's penalty shoot-out competition," continues Andy. "Anyone who wants to take part in the penalty shoot-out will need to register on the day."

"It is hoped that all the first-team squad players will be present throughout the afternoon to help with a special coaching session for the youngsters who come along, and that

all the Town's goalkeepers will be involved in the penalty shoot-out competition."

Entry on the day is only £1.00 for adults and children are admitted free. An admission ticket also enters the purchaser into an exclusive V.I.P. raffle. The first prize is a Town season ticket for next season.

Refreshment kiosks and various other side stalls will also be set up around the stadium on the day and music will be played during the afternoon. The Club's Ticket Office will also be open for season ticket enquiries and Southend

United away travel.

# Universal Salvage Auctions

## Foxdell sample the atmosphere at Kenilworth Road

*This afternoon's guests, Foxdell Junior School, are the final community scheme guests of the season, sponsored by Universal Salvage Auctions (USA), the league leaders in motor salvage auctions, and associate sponsors Kenning Car and Van Rental.*

**T**he pupils from Foxdell who will be with us today have had to wait all season for their visit to Kenilworth Road, but, as teacher Mr Darley stated, the wait has been worthwhile: "Knowing that we would be coming to the club has gradually increased the interest in Luton Town FC, amongst our pupils. They are really excited at seeing a Football League match, and it will be a first visit for many of them."

Mr Darley also added that as a sports-orientated school, who play football, cricket and badminton whenever possible, Foxdell will benefit from their visit. "Hopefully our pupils will see exactly what their local football club has to offer, both on the pitch and behind the scenes. The scheme which Luton Town has set up this season has been rewarding to many local schoolchildren, and long may it continue."

"We would like to extend our thanks to Geoff Williams of Universal Salvage Auctions and Gary Hooper for all the effort they have put in to make this trip possible."

As this is the Hatters' final home league game of the season, Community Liaison Officer Gary Hooper would like to thank all the schools who have visited the club this season. "I hope that everyone who has come has benefitted from their visit and that they now feel a part of Luton Town Football Club. Hopefully, those pupils who have enjoyed their stay will become mem-

bers of the new Junior Hatters Club next season, and that they can have even more fun supporting Luton Town.

"We hope the community scheme expands next season and goes from strength to strength."

■ This afternoon we welcome, for our final home league game this season, the directors, management, players and supporters of Peterborough United Football Club. Their Chairman, Chris Turner, and manager, Lil Fuccillo, are no strangers to Kenilworth Road, both having been former Town players.

■ Details of our season and match day ticket prices appear later in this match day magazine. Hatters' supporters, once they have had the opportunity to study the price structure, will, I am sure, agree that with the generous discounts being offered, it is most advantageous for them to secure a season ticket at these prices at the earliest opportunity.

■ Today, we welcome as guests of the club, two founder members of the old Vice-Presidents club (now the Century Club): Arthur Taylor, who will be 90 on May 14 and has been a supporter of the club since 1921, and Frank Lester

O.B.E., who is 84-years-old. Frank is also an Honorary Freeman of the Borough of Luton and has been Mayor of the town on four occasions. He has served as a Luton Borough Councillor for 38 years and as a member of Bedfordshire County Council for 23 years. Accompanying both our guests today is the current Mayor of Luton, Ray Sills.

■ To all club permanent staff engaged in match day duties, I would like to thank you most sincerely for your help and co-operation throughout the season. Furthermore, a big thank-you goes out to all our match day assistants - in whatever their capacity - stewards, gate-men, ground supervisors, programme sellers, the North Herts Ambulance Service, St John Ambulance and the Beds Police and Fire Service. Without the dedicated work of the likes of Mike Williams, Ron Knight, Dennis Hutchings, Dave Kileen, Ron Hutchins, Fred Hayward, David Keeling, Colin Sebbage, Con Dorgan and Mervyn Terrett (our Club Chaplain and P.A. announcer), without their our match day operation would not proceed so efficiently.

■ To all dedicated supporters, thank you for your support throughout the season, have an enjoyable summer and I look forward to seeing you all again in August.

# Let's end our home season in style

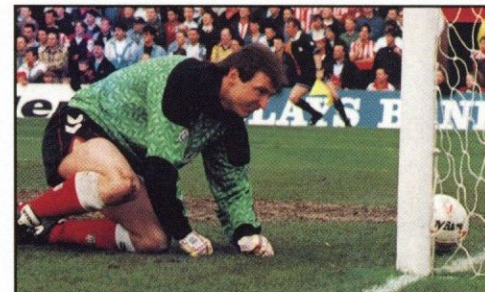

CAPTAIN'S LOG BY TREVOR PEAKE

**O**n reflection, we must be fairly happy with the results since our last home game against West Ham United. Let's make certain of our First Division survival with three points this afternoon.

Our victory against the Hammers most definitely gave us a big boost, going into the two difficult away games at Sunderland and Derby. We created plenty of chances that evening, and on reflection, should have won the game a lot earlier. Nevertheless, the three points were ours and it showed the slight gap there is between the teams at the top and the bottom of our league. I hope all who went to the game enjoyed an exciting match.

We then faced the long trip to Sunderland and the point we gained was justified when you consider how well we performed in the second half. I felt last season's 'last minute hor-

Sunderland goalkeeper Tony Norman looks up in despair after David Preece's magnificent free-kick hits the back of the net

rors' coming back to haunt us when Sunderland took a 2-1 lead. It showed what great will and determination we have this season when Paul Telfer then grabbed a last-gasp equaliser. He had a great game and was playing with a broken toe! I would like to thank the loyal band of supporters who followed us all the way to Sunderland. I hope both goals made the long trip worthwhile.

We should have secured our First Division place with a win at Derby last week, but the 'voodoo' did finally strike! Craig Short's 90th minute equaliser left us all deflated, but before the start of the game, we would have settled for the point.

As this is our final home match of the season, I would like to thank you all for your support this season. Let's hear you all getting behind the team and cheering us on to victory. The support last week was great, so let's have more of the same and then we can go into the final game at Southend in a more relaxed frame of mind. Enjoy the game.

# Posh make competent start to initial First Division one season

## PETERBOROUGH UNITED F.C. 1992-93

■ Peterborough United visit Kenilworth Road this afternoon assured of safety in Division One – their first season at this level. The Posh escaped from the old Third Division for the first time in their history at the end of last season, thanks to two Wembley play-off strikes from Ken Charlery against Stockport County.

■ However, once the new season had started, the London Road club had to face up to the financial reality of playing First Division football, which included ground improvements to help reach the standard required. The cost prompted the departure of 'goalden' boy Charlery to Watford, but to the club's credit, their spirit remained firmly intact.

■ Early season form included victories against Derby County (1-0) Southend (1-0) and Barnsley (2-1), and it pushed Posh firmly up the table to the comfortable position of ninth place. Three points have since been harder to attain on a regular

basis, and the turn of the year saw the club slide unceremoniously down the table.

■ A recent home victory against Cambridge United (1-0) and a solitary point against Bristol City has, however, eased their fears. A 3-0 victory against high-flying Leicester City last Saturday even suggests promotion will be a realistic target next season.

■ Peterborough United F.C. were formed as Peterborough & Fletton in 1923, although they were suspended by the F.A. during season 1932-33 and disbanded. Local enthusiasts were determined to carry on and in 1934 a new professional club, Peterborough United, was formed, which entered the Midland League the following year. They entered the Football league in 1960, winning their inaugural game against Wrexham 3-0. The club have won the Division Four championship on two occasions: in 1961 and 1974.

Back row (left to right): Tony Adcock, Dominic Iorfa, Darren Bradshaw, Lee Howarth, Ian Bennett, Tony Philliskirk, Fred Barber, Steve Welsh, Noel Luke, Ronnie Robinson, Graham Retallick.  
Front row (left to right): Worrell Sterling, Tony Spearing, Marcus Ebdon, Mick Halsall (player/coach), Lil Fuccillo (manager), Keith Oakes (physiotherapist/assistant manager), Andy Curtis, Gary Cooper, Bobby Barnes.

## POSH ON PARADE

**IAN BENNETT** (goalkeeper) - Ian started his career with Newcastle United, but failed to make the grade at St James' Park. He joined Posh two seasons ago and made his debut in the Autoglass Trophy semi-final with Stoke last year.

**DARREN BRADSHAW** (defender) - Another player who started his career at Newcastle, Darren moved to London Road in 1991 on a free transfer. He was previously with Chesterfield and York City, before joining the Magpies in 1989.

**STEVE WELSH** (defender) - A former army recruit, Steve joined Peterborough at the start of last season on a free transfer from local rivals Cambridge United, where he failed to make the breakthrough. He has been a regular in the Posh side since his arrival.

**LEE HOWARTH** (defender) - Lee is a former skipper of the Great Britain students team which competed in the World Games last year. He began his Football League career with Blackpool before going to university. He resumed his league career with Peterborough last season.

**TONY SPEARING** (defender) - Signed last season from Plymouth, Tony started his career with Norwich City in 1982 and made over 70 appearances for the East Anglian club. Following two loan spells at Stoke City and Oxford United, he joined Leicester City in 1986 before moving to Home Park in 1991.

**CHRIS GREENMAN** (defender) - A recent signing from Coventry City, Chris started his career with the Sky Blues in 1988. Although he has played top-flight football, he failed to make the grade at Highfield Road and joined Peterborough United two months ago.

**JOHN MCGLASHAN** (midfield) - John joined Posh from Millwall earlier this season. He started his career with Montrose, making 67 league appearances, before

joining Millwall in 1990.

**GARY COOPER** (midfield) - Gary was signed from Maidstone United on deadline day 1991 and was valued at £5,000 in a £40,000 deal which also saw the arrival of Ken Charlery. Gary has also seen service with Brentford, QPR and non-league Fisher Athletic.

**MARCUS EBDON** (midfield) - Welsh under-21 international, Marcus signed on a free transfer from Everton two seasons ago. He spent the early part of his Posh career on loan at Redbridge Forest, but has since established himself in the first team.

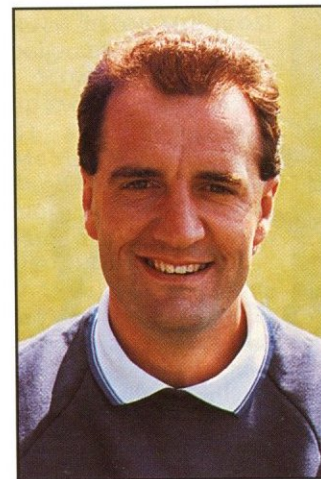

**WORRELL STERLING** (midfield) - A £70,000 signing from Watford in 1989, Worrell started his career at Vicarage Road in 1983 and made over 100 appearances for the Hornets. He has been a regular in the Posh side since his arrival and has played over 200 games for the club.

**TONY PHILLISKIRK** (forward) - An early season signing from Bolton Wanderers, Tony has been free-scoring at London Road this term. He started his career with Sheffield United in 1983 and scored 22 goals before moving on to Oldham in 1988. He also spent a short period at Preston before joining Wanderers in 1989.

**BOBBY BARNES** (forward) - Bobby spent five years at West Ham United before joining Aldershot on a free transfer in 1986. He moved on to Swindon Town a year later and scored 13 goals in 43 appearances, prompting a £100,000 move to Bournemouth. He moved on to Northampton later that year before joining Posh for £35,000 in 1992.

**DOMINIC IORFA** (forward) - Formerly with Queens Park Rangers, Dominic joined Posh after failing to establish himself as a regular squad member at Loftus Road. He has international experience with Nigeria.

## MEET THE BOSS

Lil Fuccillo is fondly remembered at Kenilworth Road for his contribution to the side during the 1970's. Bedford-born, he joined the Hatters as an apprentice and signed professional forms for the club in 1974.

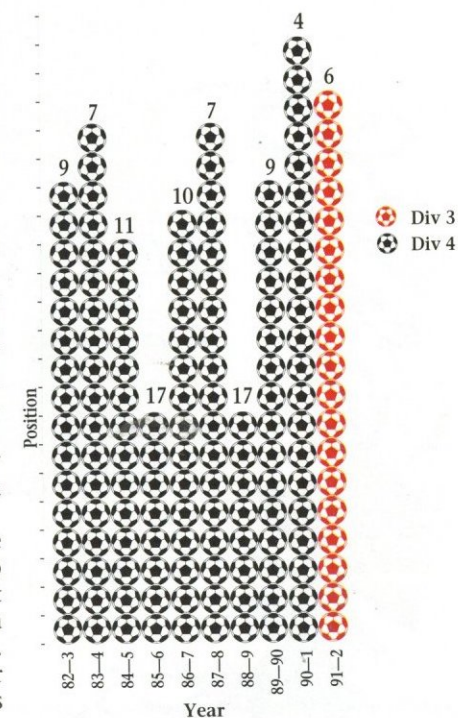

One of the most exciting attacking midfield players to have played for the club, Lil was horribly unlucky with injuries, which accounted for his relatively small amount of appearances for the club (140).

He scored on his debut in a 3-2 victory at York City in 1976 and thrilled Town fans with his high work rate and spectacular shooting ability.

He twice broke his leg before returning to the side to play a significant part in the side's promotion to Division One in 1982. The following year he left Kenilworth Road to play for Southend United, via a spell with the Tulsa Roughnecks in the United States.

His appointment at Peterborough United this year is his first in league football, following Chris Turner's promotion to club chairman.

## International call caps consistent season for Scott

PLAYER INTERVIEW WITH SCOTT OAKES

**S**ince the turn of the year, Town winger Scott Oakes has bedded down a regular place in the Town side. His consistent play in recent weeks has also been rewarded with England recognition.

Scott made fleeting appearances in the side during the first half of the season, but he earned a regular place in the team following the Town's record-breaking clean-sheet run during February. Playing as an attacking winger, he has proved himself as an exciting prospect and has also scored some memorable goals. The strike against Oxford United at Kenilworth Road being the most poignant.

Scott's stand-by call-up to the England under-21 side by Lawrie McMenemy, which faced Holland at Portsmouth during the week, came as a big surprise to the 20-year-old.

"The boss said there are usually around five or six players who pull out of the original squad, so I am hoping I will get the call to join up with the lads," said Scott last week. "It was a nice surprise to be selected and it is always an honour to be recognised by your country. I would love the opportunity to play for England."

This is Scott's second call-up, following his stand-by appearance against Hungary last season. On that occasion he did not make the squad, but he is obviously hoping for a different outcome this time around. Scott

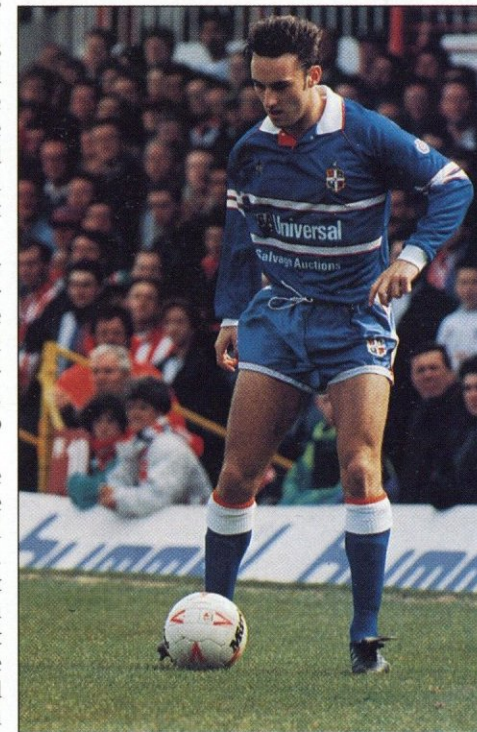

believes the reason for his selection has been his consistent form, something he struggled with earlier in the season.

"Having played well enough to retain a regular place in the Luton side has definitely helped," he continued. "That has given me the confidence to enjoy myself and try different things. Without doubt, this has been my most consistent season to date, and the call-up has been the icing on the cake."

Scott's improved form has been reflected in the entire team's play. Only four league defeats since the turn of the year suggests that the Hatters have been more consistent and Scott believes the club should have no problems securing their First Division status.

He added: "The team is confident of staying up and the mood amongst the lads is excellent. Prior to the

game against Derby County, we reckon we only need one win to secure our place in the division. Hopefully by the time of the Peterborough game and taking into account Derby's poor home form we will be safe. If not, we still have a great chance at home against Posh."

JUNIOR HATTERS WITH  
RICHARD HARVEY

Today's mascot is Robert Miller. He is 11-years-old and attends Whitefield Junior School. Robert's interests are swimming, football and computers. His favourite player is Scott Oakes.

For those of you who do not know, the Junior Hatters is being re-launched for next season. The new improvements will make supporting Luton Town Football Club even more enjoyable!

Firstly, do not forget that the last game of the season is away to Southend and the Junior Hatters are running a coach to this game. We will be playing football in the morning with the Junior Shrimpers and giving the first-team our support in the afternoon. The coach leaves Oak Road at 8.45 am. The price is £9.00 juniors and £10.00 parents. A packed-lunch is recommended. You can book at the Club Shop in Kenilworth Road after today's game. Don't forget to book for the trip to Thorpe Park on June 20.

The Junior Hatters club has been re-launched for next season with the aim of making the club one of the most popular and successful junior supporters' clubs of its type in the country.

Town Community Liaison Officer Gary Hooper, who has helped spearhead the launch, said: "It is hoped that by providing a modern, forward thinking and interesting club for its younger members, Luton Town Football Club will be demonstrating to its supporters a commitment to the future.

"From the start of the 1993/94 season, each junior membership card that is purchased will make every young supporter a Junior Hatter's club member."

A positive and progressive committee has been formed which will work towards providing a varied programme of activities and special offers for Junior Hatters next season.

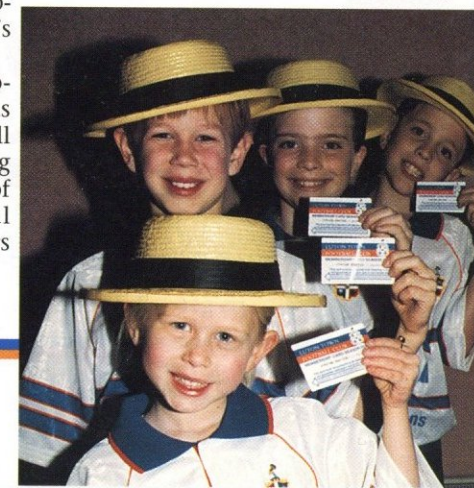

### Such benefits include:

- A credit-card style membership card which will enable the holder to receive special discount offers from the club and from local retail shopping outlets.
- A bi-monthly newsletter containing cartoons, quizzes, star interviews and information on forthcoming events.
- The chance to play for the Junior Hatters football team at home and away matches.
- An opportunity to be mascot at home matches.
- A birthday card from the club.
- The opportunity to attend a new Saturday Club before home matches and have coaching, amusements, video games, pre-match lunch and tickets to the match.
- Player evenings and a Junior Hatters Christmas party.

And as a special incentive offer, the Town are offering season tickets for 1993-94 to juniors under 11-years-old for the attractive price of only £25.00 for a seat in the Kenilworth Stand's new Junior Family Enclosure. However, applications must be received by August 1, 1993 as there is limited availability.

"The youngsters of today will become the adult supporters of tomorrow," continued Gary. "And we will make every effort to ensure that young Luton supporters are well-treated and enjoy their visits to Kenilworth Road."

### A message from Special Events

As I am sure you are now all aware, Special Events (Security Services) Limited, took over the match day stewarding responsibilities at the beginning of the 1992-93 season.

Working under the control of Geoff Lovell the Club Safety Officer, and with the co-operation of the Police and you the fans, I am pleased to report that the change over has been a successful one.

You will have noticed the new red-coated safety stewards and the replacement of Police on searching duties at the Kenilworth Road end of the ground. This has been achieved by training programmes run in conjunction and with the full co-operation of the Bedfordshire Police. The benefits to the club being a considerable saving on Police costs.

We would like these benefits to continue in the 1993-94 season and I appeal to you the fans for your continued support on the terraces. We will also be looking to increase our match day stewarding levels next season. So if you are interested in not only supporting the club but also playing an active part and fill the following cri-

teria, then let's hear from you now on (0494) 515050 or (0582) 411622.

### Criteria to be a steward at Luton Town FC:

Aged between 21-55; good health; smart appearance; available to attend a one-day training course; available to work Saturdays and some week-day evenings.

### NCP 5-a-side

Two local schools will be taking part in a penalty shoot-out competition today at half-time on the pitch. The two schools, Stopsley and The Meads, were recently involved in a 5-a-side tournament, sponsored by NCP car parks. The winners were Stopsley, who took part in the area finals at Leicester City F.C. They were eventually knocked out at the semi-final stage. The Meads School, who came second to Stopsley at the local stage, have been invited today to turn the tables on their rivals!

### Money donated to a worthy cause

Luton Town commercial executive and chairman of the Hospital Commentary Scheme, John Buttle, is pictured with managing director Mr Drew, and his wife, from 5 Star Cars and Couriers Ltd of Stevenage. Mr Drew has sponsored new equipment for the scheme, which for the last 38 years has provided commentary on Luton Town first team home matches to Luton & Dunstable Hospital and now via hospital radio through to the Lister Hospital at Stevenage.

The Hospital Commentary Scheme is a voluntary organisation and with this new equipment, which is the most up-to-date available, will from next season provide a much-improved service to the hospitals concerned.

# Town not so Posh in the past

BACK TRACKING BY ROGER WASH

**D**ue to the fact that Peterborough only entered the Football League in 1960 and have spent all their time since then in the lower divisions, it is no surprise that our meetings have been infrequent.

In fact we have met in only four League games prior to this season and they coincided with our plummet to the football basement 30 years ago.

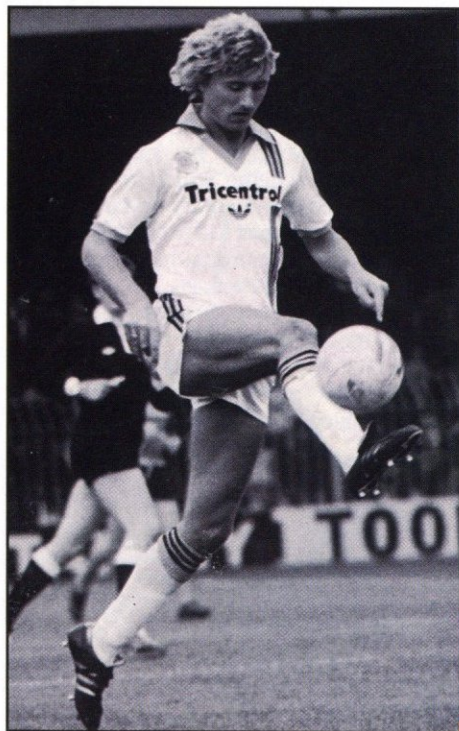

Peterborough won the Fourth Division title at a canter in their first season and narrowly missed out on fur-

ther elevation over the next two years. In a bid to ensure promotion, the signing of Northern Ireland international Derek Dougan in the summer of 1963 was seen as a mighty positive step as well as shocking the football world. This type of signing was completely alien to the

Town at the time as the team was a mixture of players past their best and raw recruits.

Our first League meeting was at Peterborough on 2nd November 1963 following our relegation to Division Three and although we fielded a weakened forward line because of injuries, the team defended as a unit and returned with a point in a 0-0 draw. Peterborough born Gordon Fincham had the job of keep-

Paul Price made his league debut for the Hatters 20 years ago.

ing Dougan quiet which he succeeded in doing on a slippery surface.

The return at Kenilworth Road took place on 4th March 1964 and although we were fourth from bottom, the previous two games, at home to Hull and at Southend, had been won. The crowds optimism soon disappeared, however, when Roy Horobin opened the scoring for the visitors in the first minute and Mark Lownds deflected a shot from Dougan into his own net shortly afterwards.

On a muddy pitch the Town were frantic and completely disorganised and Frank Rankmore and Ollie Hopkins in the Peterborough defence were too experienced and strong and were rarely troubled. It came as a surprise to the crowd as well as the Posh defence when Tom McKechnie managed to force his way into the penalty area early in the second half, but just as the chance seemed to be drifting away he was fouled but Gareth Salisbury blasted the resultant spot kick over the bar.

John O'Rourke did manage to score for the Town on

the hour but Keith Smith restored the two goal advantage a minute later. Skipper Dave Pacey, in forcing the ball home in the last minute for the Town, only served to give the scoreline an unrealistic look.

Surprisingly, the Town managed to avoid relegation and as Peterborough had missed out at the other end, the teams met again the following September at Kenilworth Road. A crowd of 9,339 saw Tony Moulden open the scoring for Posh only for O'Rourke to equalise in the second half and have a per-

fectly good effort disallowed for a supposed foul.

The final match in the quartet took place at London Road the following February, the week after Posh had dumped Arsenal out of the F.A. Cup. Not surprisingly, the crowd of 12,946 were expecting an avalanche of goals against a Town side who were once again in the relegation frame.

Ably assisted by debutant Jim Gibson, the Town managed to hang on until half-time but that man Dougan broke the deadlock early in the second period with Olly

### Match Report

#### Biggleswade Town 0 Luton Town 2 Beds Premier Cup Final, first leg, Thursday, April 22, 1993

The Town set themselves up for their first silverware of the season, with a first-leg 2-0 victory at Biggleswade. Fielding many youth team players, coach Wayne Turner was satisfied with the performance. He said: "We fielded a young team and the lads matched Biggleswade for power. Considering the difficult conditions, we still passed the ball well and deserved to go into the second leg winning the game." The second leg was due to have taken place on Thursday.

Team: Sommer, Philp, Harvey, Thorpe, Greene, Campbell J, Ryan, Murray 1, Hartson 1, Flain, Gentle.  
Subs: Woolgar, Allpress.

#### Saffron Walden Town 1 Luton Town 4 Eastern Junior Cup, third round, Saturday, April 17, 1993.

Keeping on the cup trail, the Town's youth side won a place in Monday's Eastern Junior Cup semi-final against Colchester United, with a convincing win against Saffron Walden. A hat-trick by Jamie Woodsford put the youngsters on the right trail, and the result left coach Terry Westley pleased. "The lads showed the right attitude in difficult conditions," he stated. "It was pretty windy, the pitch was a leveller and the lads needed three touches to control the ball.

"In conclusion, we have had a good season. We finished fourth in the league with many schoolboys in the team, reached two cup semi-finals and Hartson, Philp and Skelton have been offered professional contracts. I would like to thank Doug Everitt (physio), Chris Allis (bus) and Jim McCabe (kit) for their hard work this season, and also Renee, for washing the kit."

Team: Davis, Philp 1, Rioch, Chenery, Simpson, McLaren, Woolgar, Ryan, Hartson, Butler, Woodsford 3.  
Subs: Gibb, Campbell.

Today we welcome our joint match sponsors into the Joe Payne Lounge: Federation Publishing Company was formed initially to carry out the vast printing requirements of its parent and sister companies that are engaged in underwriting the liabilities of hundreds of U.K. companies throughout the group's Guernsey-based insurance company. ### HOSPICE THANKS

Dear Sir,

I write to thank your club for the opportunity to hold a collection on behalf of the Luton and South Beds Hospice before the match against West Ham United on April 13, 1993. A total of £652.10 was collected and, through your columns, I would like to thank all your supporters for their generosity and support.

The result of the match was also very encouraging and please accept my best wishes for the team in the

future.

Roger Sharp, Luton and South Beds Hospice, 11 Ashton Square, Dunstable LU6 3SN.

### PROGRAMMES FOR SALE

Dear Sir,

I have been a collector of football programmes of all clubs for over 15 years and have now decided to off-load a large number of programmes.

The reason for writing is that I have over 500 Luton Town home and away,

going back to the 1960's. I do NOT wish to sell them as one bundle, but would prefer to help other collectors fill their gaps.

Please write to: Paul Kidd, 8 Kingfisher Close, Yaxley, Peterborough PE7 3YG.

### CZECH NOTE

Dear Sir,

For many years I have been interested in English football and would like to swop souvenirs, cuttings etc with any of your fans. Martin Sebek, Harusova 1767, 14900 Praha, 4-Opatov, CSFR.

*Martin Williams is congratulated after netting his first goal for the Town, against West Ham United*
