OFF THE HOOK... Rovers goalkeeper Brian Parkin is beaten to the wide as Mitchell Thomas gets to the rebound after the penalty save – but the shot went into the crowd.

Westley changed tactics after seeing Wycombe's game plan in the cup tie. "They played with one forward upfield, and we used four, with two really wide, and

"The team played well, a real pleasure to what we wanted, and it was a matter of time before the goal went in."

"Every time we won the ball, we were available to receive it."

The boys are away to Brighton this week.

"My only disappointment is that we now have to play one of the best away teams in the league. But it is very nice to come away with some credit from this game."

Goalkeeper Brian Parkin, perhaps being modest, said:

agreed. "I just picked a side to dive," he said. "But was a poor penalty, and I was grateful."

And Gary Waddock, Town's former Rovers player,

He said: "I enjoyed my two years with Bristol Rovers, and most of their players are still good friends."

"They are a very well organised side, but with our away record we know we can win the replay."
