LIAM GEORGE piled the pressure on Reading boss **Alan Pardew** with two good strikes to make it 14 for the season.

It is now 13 League games without a win for Reading and Pardew admitted his team must be favourites for relegation.

Luton are still harbouring hopes of making the play-offs and for their manager **Lennie Lawrence** the pleasure was in seeing a makeshift team do the business with something in hand.

Luton went ahead on 18 minutes. From a set piece defender **Julian Watts** won the race to toe-poke in his first ever goal for the club.

Darren Caskey beat the Luton offside trap to equalise in the 61st minute. **Phil Gray** had a goal disallowed before **Locke** produced an excellent pass from the left flank and George turned and shot to regain the lead.

Keeper **Nathan Abbey**'s long legs saved the day when Caskey played **Keith Scott** in.

In injury time George netted a decisive breakaway goal.
