

HARFORD IN STAMP ROW

Peterborough 1 Luton 2

03/04

MICK HARFORD saw red after Peterborough defender **Sagi Burton** appeared to stamp on striker **Enoch Showunmi** — and got away with it.

Luton No 2 Harford manhandled the fourth official after exploding with rage as the game boiled over after 69 minutes.

Ref Phil Crossley had no choice but to banish the big ex-Wimbledon and Derby striker to the stand.

But Harford alleged: "Their lad stamped on Enoch. The ref, linesman and fourth official were all nearby and all missed it."

"I couldn't believe it. I didn't push the official, I just made my point."

Steve Howard powered the Hatters ahead on 26 minutes and Ahmet Brkovic added a second 13 minutes from time.

Typical

Calum Willock pulled one back for Posh.

United chief Barry Fry launched a stunning attack on midfielder Adam Newton.

Fry blasted: "He's held his hand up for both their goals."

"He let his man in for a free header for the second. It was a typical performance by him."

"Certain players have under-achieved all season."
