

# Newell relieved as Luton are saved by marvellous Marlon

**LUTON** manager Mike Newell was glad to escape with a point after this scrappy display.

His side were outplayed by lowly Colchester and Marlon Beresford had to make two glorious saves in the second half to help Luton stretch their unbeaten run in the league to eight games.

Newell said: 'You have to give Colchester credit, they're one of the better sides we've played this season.

'You can't have it all your own way and if you're going

Colchester 0 Luton 0

to achieve promotion you have to get results at places like this.'

Luton goalkeeper Beresford was quick off his line to block a shot from Neil Danns after 68 minutes and in stoppage time he made a brilliant stop to tip away a strike from Kevin Watson.

Colchester boss Phil Parkinson said: 'We won all the one-on-one battles in the game but we just didn't take our chances.'
