

Hatters right on target

Plymouth	1
Luton	2

LUTON are on course for a top-10 finish after completing a late comeback to secure a 2-1 victory at Plymouth.

With nothing left to play for but pride, both sides started slowly and Steve Howard created the first shot on target when he chested down a 10th minute corner to loop a shot on goal, but Luke McCormick comfortably saved.

David Norris shot over the bar in the 19th minute for the home side and the midfielder fired wide from a tight angle seven minutes later.

Howard nearly broke the deadlock nine minutes before half time but McCormick parried well to deny the striker.

The visitors were carving out the better chances and Enoch Showunmi headed wide soon after, while Howard again forced

05/06
another good save from McCormick shortly before the break.

Luton goalkeeper Marlon Beresford was made to work for the first time when he had to be alert for Paul Wotton's 51st minute free kick.

Just after the hour mark, Vincent Pericard's bullet header nearly put the home side ahead but Beresford saved well on the line to deny the striker.

But the deadlock was finally broken when Pericard fed substitute Akos Buzsaky in the 70th minute and the Hungarian slammed the ball into the back of the net.

However, the lead lasted just nine minutes as Rowan Vine hauled the visitors level.

Howard flicked the ball into the area and Vine acrobatically sent an overhead shot beyond McCormick.

And the game swung in Luton's favour when they snatched the lead and the points with two minutes remaining.

Vine was the provider this time, with his pass playing in Calvin Andrew who was left with the simplest of finishes.
