14 mins

DJ Campbell latches onto McSheffrey's chip and rifles home the opener.

28 mins

Luton are awarded a controversial penalty and Rowan Vine equalises from the spot.

29 mins

Vine puts Luton ahead after prodding home in a packed penalty area.

WHAT THE MANAGERS SAID

MIKE NEWELL

"I thought it was a little bit harsh and if ours was a penalty then their one earlier on probably was as well. With the way they had started and with them being 1-0 up I have to say I wasn't feeling too confident. But we have got goals in us and we fancy our chances against anyone at home."

STEVE BRUCE

"We were in control, 1-0 up and looked a threat up until that point. Again we scored goals away from home and should have seen the game out. The only threat they seemed to have was set-pieces and corners, but that's bread and butter stuff and in this league you need to deal with your bread and butter. It's disappointing, but there were positives to be taken."
