United left Luton empty handed
on Saturday after a crushing second
half goal-blitz from the home side.

Carlos Edwards had given the Hatters
a 12th minute lead when he charged
down a clearance, but Hayden Foxe
marked his first Championship start
with a first goal for the club to level
things up inside 20 minutes.

Both sides pushed and probed in an
entertaining contest, but the hosts

assumed control with two goals in the
space of two second half minutes.
Rowan Vine bagged the first from close
range before David Bell swept home to
make it 3-1.

United's response was immediate
and after skipper Paul Butler was
denied with a header, we were again
thwarted by the assistant referee after
a Richard Cresswell header appeared to
cross the line before being cleared by a
Luton defender.

That proved a killer blow and, as
United toiled through the latter stages,
Luton wrapped up a convincing victory
courtesy of further goals from Markus
Heikkinen and Edwards.

The one silver lining was the support
of the 1,800 travelling fans who roared
the side on during a tough finale.
