DARYL MURPHY SCORED
AGAINST HIS OLD CLUB

A highly entertaining match saw the lads come from behind to win. Debutant Marton Fulop, in for the ill Darren Ward, wasn't feeling too good himself when he picked the ball out of his own net after only five minutes when Dean Morgan gave Luton the lead. Thankfully the Lads were quickly back on terms when the in form Daryl Murphy robbed Leon Barnett and cut in to rifle the ball high into the net.

Credit to Luton who came to attack but they missed the chances they created, the best falling to Rowan Vine who shot wide when clean through but Sunderland kept looking for openings themselves and it was a piece of quality finishing from David Connolly that separated the sides come full time. The Republic of Ireland international had plenty to do when he received the ball after good work by Murphy and Elliott from a Collins' free kick but the former Wigan striker made himself space and clinically despatched the ball beyond his international team mate Dean Kiely.
