

Wolves push for play-offs but McCarthy's unhappy

MICK MCCARTHY saw his Wolves side climb into the Championship play-off places with their fifth straight league win – but then warned his players about complacency.

Wanderers had found themselves 2-1 down at the break as Lewis Emanuel and Leon Barnett struck for Luton after an opener claimed by Michael Kightly.

But the visitors showed their fighting spirit to claim victory with Andy Keogh's first goal for the club followed by Karl Henry's gift of a winner when his speculative 30-yard effort trickled under the humiliated home keeper

McCarthy had words of caution, however. 'In this league you are never far from a kick up the backside,' he said. 'I've been hard on the lads as we made it more difficult than we had to. I wasn't happy with the tosh we played before half-time.'

Luton boss Mike Newell, whose side sit a point above the drop zone, said: 'We've lost more leads than any other club in the league, so we've only really got ourselves to blame.'
