Andrew completes perfect 10

LUTON TOWN	1
YEOVIL TOWN	0

THE figure 10 should be uppermost in Luton's thoughts currently. The number of penalty points deducted for entering administration has been recouped in four festive games that ended yesterday with this win over Yeovil, who had Paul Warne dismissed a minute from time.

In fact the score could have reached double figures at Kenilworth Road. Drew Talbot and David Edwards struck the woodwork and countless openings were thwarted by goalkeeper Steve Mildenhall before Calvin Andrew finally stooped to head the winner.

The visit of Liverpool in Sunday's FA Cup third-round tie will also evoke the number 10 for Luton who were unable to beat Nottingham Forest's 10 men in the 1959 final at Wembley.
