# MONEY TALKS

Good evening and welcome back to Kenilworth Road for another vitally important game in the Blue Square Premier against Salisbury City.

I would like to extend warm greeting to our visitors from Wiltshire; Tommy Widdrington, Nick Holmes, the players, staff and supporters of Salisbury.

Tonight's match is our second in a run of four crucial games in a short space of time and once I again, like all fixtures, I am expecting a tough test from this evening's visitors.

We are well aware of what Salisbury are capable of and people looking at the league table must remember they are in a false position having been deducted 10 points for entering administration.

Add those 10 points back and they would be in touching distance of the top five and come here tonight following a terrific 1-0 win at Kidderminster at the weekend.

Their away record speaks for itself too. Saturday's win at Aggborough was their ninth on the road this season and I am sure they will be confident of adding to that tally this evening.

Looking back on our result at the weekend, I must take my hat off to the players who are now showing a tremendous attitude and belief.

There were yet more encouraging signs from this group of players and having kept the same starting XI for the fifth match running, that understanding is beginning to shine through.

Players are beginning to gel and becoming increasingly aware of their team-mate's movement which is something which I have been very impressed with.

Saturday's result will be talked about for years to come, I am sure of that and credit to the players who have worked hard to achieve that kind of result which

we had been threatening to do to a team for some time.

I have never been involved in a game like that in my career and to have a seven-goal lead half-time was fantastic.

I don't think there was a bad goal among the eight we scored and there were even questions marks over whether Tom Craddock's effort that was ruled out, was offside or not.

It's never easy to send a team back out for the second half after such a barnstorming first 45 minutes but it gave us the opportunity to rest some legs and avoid picking up any needless cautions.

I was delighted that the three objectives we gave the players at half time were achieved; to keep a clean sheet, not to earn any bookings and win the second half.

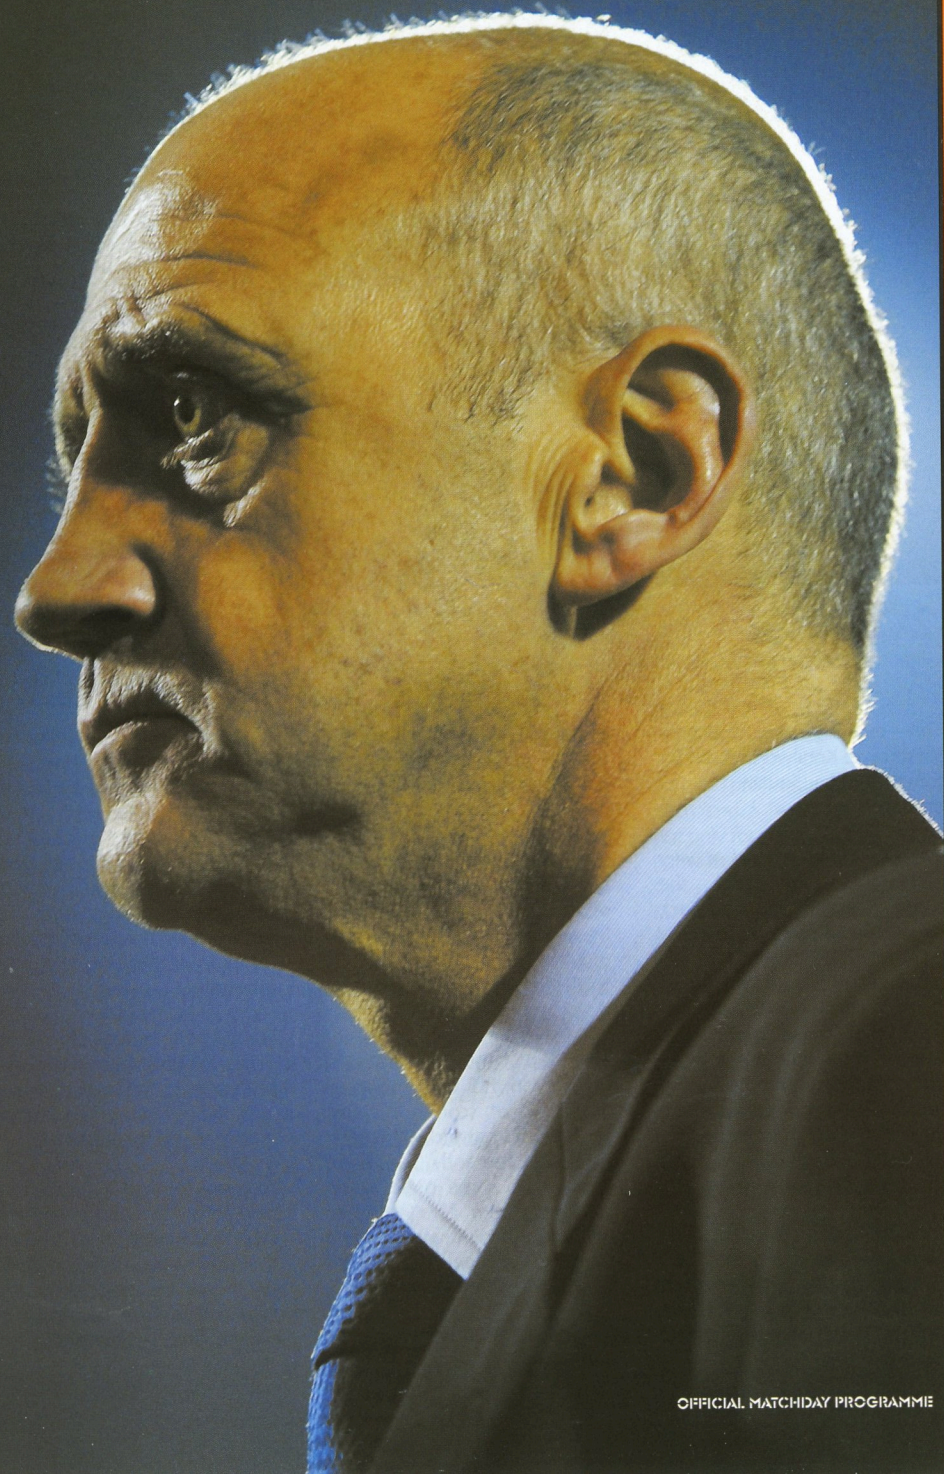

Hayes & Yeading were always going to make it harder for us in the second 45 minutes and I'm sure Garry Haylock would have asked for a better display from his side after such a torrid first 36 minutes.

Tonight is an important game with Stevenage playing Oxford this evening at Broadhall Way before we go there on Saturday.

We can't affect what happens in that game but we can here and I call for you, the supporters, to continue your fantastic backing of the team.

However, like I will have told the players before the game tonight: we cannot afford to underestimate tonight's opponents.

Get behind the team and enjoy the game.

## 2020 MISSION

DIRECTOR ANTONY BROWN FROM THE BOARDROOM

This evening we welcome Salisbury to Kenilworth Road for tonight's Blue Square Premier encounter.

although who could have possibly predicted the response from the players in the second half!

We of course, extend a very warm welcome to the supporters, players, manager, directors and staff of Salisbury City and wish them well for the remainder of the season.

We have a principled approach at 2020 where we focus on the ethics of team work, so it would be wrong of me to single out any one individual, so credit must go to all those involved in an historic away win.

It would be foolhardy of me not to open tonight's notes without talking about our last two games. Those of us who were privileged enough to be present will, I'm sure, have fond memories for years to come.

That said, I must congratulate Claude on his own personal milestone of scoring his first professional hat-trick in English football. Apparently Claude put it down to some good home cooking from his Mother, although I think it was down to hard work and no small amount of skill. Long may it continue!

Looking back at the Ebbsfleet game, despite going into half time a goal down, I always felt we had enough going forward to get back into the game,

To follow that with another

historic win, the following Saturday against Hayes & Yeading will I'm sure be spoken about for years to come.

Again, a huge amount of credit to all the players, and to Richard and his coaching staff, for orchestrating the sort of football we all want to see on a Saturday afternoon.

Some of the football played was exhilarating at times and was a testament to the hard work put in at the training ground by the manager and the squad.

At every football club we need new heroes to step forward and take the limelight and to create their own piece of history and I think over the past few weeks new heroes have taken up the mantle and written their very

own chapter in the history books of this fine club.

Growing up watching Luton on the terraces as a youngster I remember fondly the impact certain players had on me, as they went on to become my heroes. Who could forget that fine hat-trick by Brian Stein against the then England goal keeper Peter Shilton?

So I'm sure over the past couple of weeks the results we have witnessed have created new heroes for our next generation of supporters and I'm sure it will live long in the memory. In the future when we reminisce, fans will point to the last two games with a certain amount of pride and be able to say: "I was there".

Off the field we are already preparing for next season.

The amount of work required to run a football club should not be underestimated as

there are many complex issues that need constant revision.

We at 2020, are like any other board in football, and will ultimately be judged on what happens on the pitch, but be assured we will continue to strive for financial stability off the pitch which we believe will provide the platform for the club to progress through the football pyramid again.

Finally, on behalf of the board and the staff at Luton, I'd like to congratulate George Pilkington and his wife on the birth of their baby boy last week.

We know George is a private individual, who doesn't enjoy the spotlight being a professional footballer can sometimes bring, but I'm sure you will all join me in congratulating him and his wife.

When George signed for

Luton in the summer of 2008 we knew we had signed a real player and we were all delighted when he agreed to honour his contract despite relegation last season.

A true professional on the pitch and a real ambassador not only for Luton, but for the game as a whole, off the pitch.

I've already told George as soon as his boy can write there will be a contract ready for him!

Tonight we can all take a massive step towards our ultimate goal of promotion. As we enter the business end of the season, never before have the team needed our support to give us one final lift towards league football again.

This is our target and together we can achieve it!

GEORGE PILKINGTON

Welcome back to Kenilworth Road this evening for our second home in succession as we continue to strive for promotion from the Blue Square Premier.

I don't think we could have dreamt of a better result against Hayes & Yeading on Saturday which will be a game I am sure we will never forget.

It's not every day you win football matches 8-0 and it's not every day you lead 7-0 at half-time. It's was certainly a first for me in my professional career and it was even more pleasing, from a defender's point of view, to keep a clean sheet.

Saturday's win was our sixth on the spin and once again highlighted the confidence brimming throughout the squad at the minute.

When I say squad, that's exactly what I mean. It is not just down the 11 men on the pitch and the substitutes, but the whole group.

Those players who are not involved are just as important, and it is crucial we stick together as we enter the business end of the campaign.

Tonight's match will prove to be one of the sternest we have faced in recent weeks. Salisbury are in a false position in the league table due to points deductions and come to Kenilworth Road with a very impressive away record.

We drew at their place back in September and I can remember how tough that game was. They are a very good side and we will need to be at our best this evening to earn another victory.

We are all aware that there is another big game elsewhere in the division this evening but I am sure I echo the manager's thoughts when saying we can only concentrate and control what we do and not what others can.

Another positive result this evening will stand us in good stead to travel to Stevenage on Saturday. They have been the most consistent sides in the league and will prove to be a hard nut to crack.

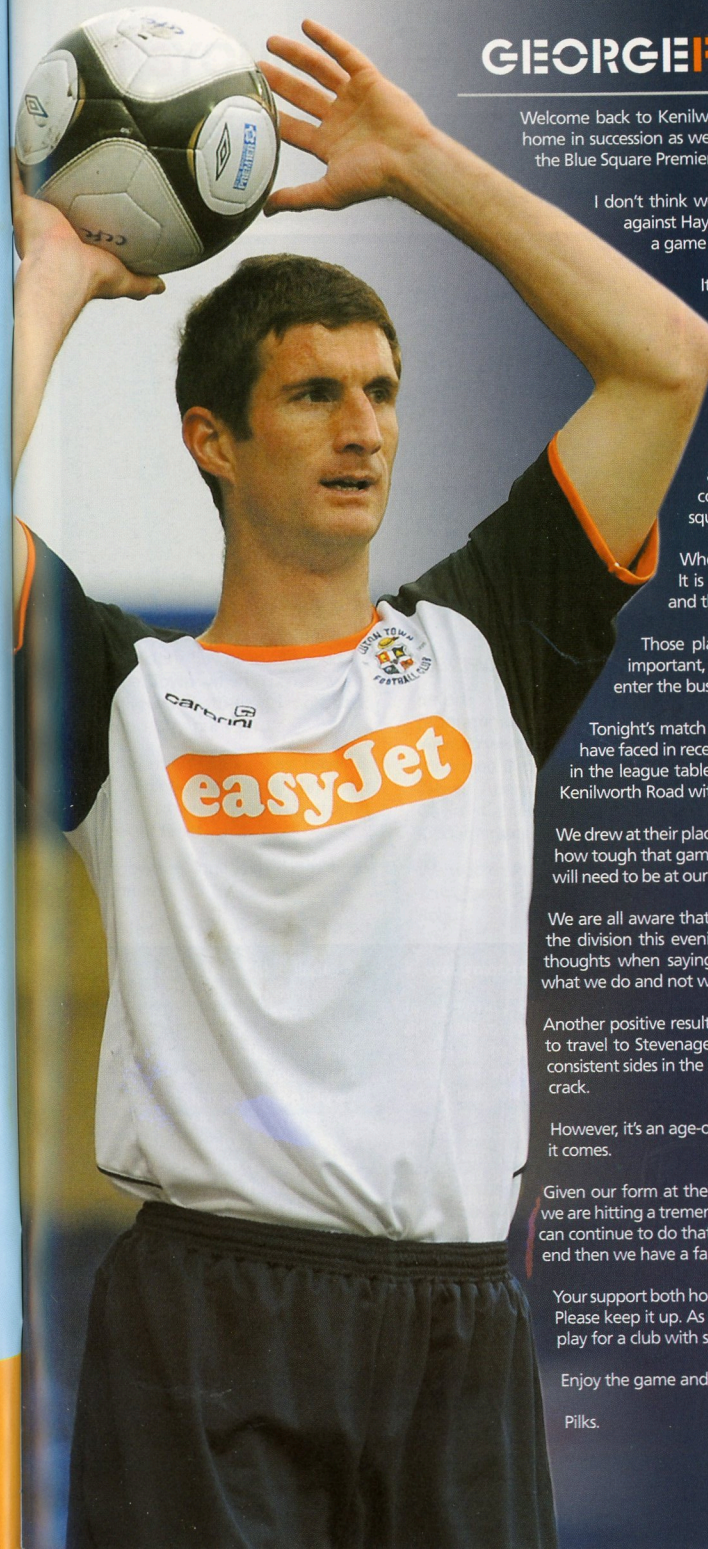

However, it's an age-old cliché and we must take each game as it comes.

Given our form at the minute we fear nobody. Going forward we are hitting a tremendous hot streak in front of goal and if we can continue to do that as well as keep clean sheets at the other end then we have a fantastic chance of success this season.

Your support both home and away has been top notch recently. Please keep it up. As players we all feel incredibly privileged to play for a club with such a fantastic fan base.

Enjoy the game and get behind the lads.

Pilk.

## HATTERS NEWS

### SATURDAY 27TH MARCH

The Hatters made it six wins on the spin with a stunning 8-0 victory over Hayes & Yeading United at Kenilworth Road to make it 14 goals in two games.

There were braces for Claude Gnakpa, Kevin Gallen and Tom Craddock while Keith Keane and Jake Howells were also on target as the Town ran riot.

It was 7-0 at the interval but they could only find one in the second half to hit eight for the first time since 1955.

For a report, reaction and photographs turn to pages 19-23.

Meanwhile, Martin Prickett's Under-18s went down 2-1 at home to Millwall in the Youth Alliance.

Striker Liam Toomey fired the Hatters ahead before two goals from the Lions sealed victory.

### LES HALL 01/10/1921-20/03/2010

The sad news arrived at Kenilworth Road earlier this week of the death of Les Hall, a stalwart defender for the Town throughout the 1940s and 1950s.

Although on the books of the Hatters for 13 years, making 79 League appearances, Les never signed a full-time professional contract for the club, preferring to play part-time whilst retaining a job in his native St Albans.

Starting out with St Albans City, where he continued to train throughout his career, Les turned out for Luton during the war years but was overlooked on resumption of peacetime

football until called up to replace the injured Horace Gager in a cup-tie at Plymouth in 1948.

Such was his display at centre-half that Gager was unable to regain his place and was transferred. Les was eventually replaced by Syd Owen but continued to give sterling service to the reserve side as well as bringing on the young players in the 'A' team.

Les remained a season ticket holder at Kenilworth Road with his daughter until fairly recently before finding the trip too difficult.

Our condolences are with Les' family and friends at this time.

### GOAL-HUNGRY HATTERS

It was six last weekend against Ebbsfleet but the Hatters went two better to hammer Hayes & Yeading United to score eight goals for the first time since 1955.

Sunderland were the last team to concede eight against the Town back on 19th November 1955 at Kenilworth Road.

That game took place in the top-flight and a match that the visitors went into top of table.

However, they headed back to the North East on the receiving end of a 8-2 thrashing as the Hatters ran riot.

It's been 79 long years since an 8-0 victory has been recorded by the Town when Thames were given a footballing lesson back on 11th April 1931.

Saturday's victory over Hayes & Yeading is the eighth time the Town have finished up scoring eight times.

However, one record has been broken:

After scoring six in the second half at Ebbsfleet and seven in the first half on Saturday, 13 goals have been scored across 90 minutes, beating the 12 managed by the Town in the full 90 minutes against Bristol Rovers in April 1936.

It was on the 14th December 1996 the last time the Town hit six when beating Crewe Alexandra 6-0 at Kenilworth Road.

Away from home, it's been 46 years since the Hatters have scored as many.

That occurred during in a 6-2 win at Griffin Park against Brentford on 8th February 1964.

The incredible turnaround at Stonebridge Road mirrors a

result back in August 1978 when the Town were a goal down at home to Oldham Athletic before scoring six times in the second 45 minutes to triumph 6-1.

The victory over Ebbsfleet was sixth time the Town have scored six times or more on the road.

A 6-3 win over Southampton occurred in October 1937 while, going back further, they hammered Caerphilly 9-0 in 1914, Wellingborough 8-0 in 1897 and won 6-0 at Clapton in 1896.

Meanwhile Claude Gnakpa became the first Town man to score a hat-trick since Steve Howard's treble in the 4-1 win at MK Dons in November 2004.

### NEW FACES

Before sections of our programme with Hayes & Yeading went to press, the Town confirmed the signings of striker Taiwo Atieno and defender Gavin Caines on-loan from Kidderminster.

We would like to welcome both Taiwo and Gavin to Kenilworth Road.

## HATTERS DIARY

GRAHAM WESTLEY

### SATURDAY 3RD APRIL

It's an eagerly-anticipated clash in the Blue Square Premier for the Hatters as they take on league leaders Stevenage Borough at Broadhall Way.

The Town will be looking to cut Graham Westley's side's lead at the top and gain revenge after September's 1-0 defeat at Kenilworth Road.

The game is a sell-out for Luton Town supporters for the match which kicks-off at 1pm. For travel details turn to page 63.

It's another home fixture for the Hatters' Under-18s when they take on Colchester United at Ely Way in the Youth Alliance.

### MONDAY 5TH APRIL

The Easter programme continues as the Town host Grays Athletic in the Blue Square Premier with a 3pm kick-off.

It will be the Hatters' third meeting with the Essex side after following 3-0 and 2-0 victories this season in both the FA Cup and in the league.

### PREVIOUS MEETINGS:

Luton wins: 0 Draws: 1 Salisbury wins: 0  
The two sides met for the first time

back in September at the Raymond McEnhill Stadium.

Kevin Gallen put the Hatters ahead before Matt Tubbs equalised shortly after half-time for the hosts.

The game kept up the Town's unbeaten start to the campaign but that was duly ended three days later when they were defeated at Oxford United.

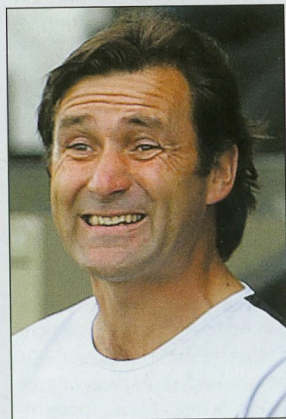

### RECENT HISTORY:

The Whites have steadily cemented themselves in the Conference over the past couple of seasons with two respectable mid-table positions since winning promotion to the non-league top-flight in 2006/07.

After their Play-Off final defeat of Braintree Town in Conference South that elevated Nick Holmes' side, the Wiltshire outfit finished 12th in their maiden season and followed that up by finishing 16th in 2008/09 – after originally leading the division in September.

In April 2009 year the club was put up for sale for £1 to encourage investors to help the club survive.

**FACT:**  
The Raymond McEnhill Stadium has been a breeding ground for nurturing Town starlets in recent seasons with George Beavan and Ed Asafu-Adjaye both enjoying loan spells at the Wiltshire club.

## THE MANAGER

TOMMY WIDDRINGTON

The 38-year-old Newcastle-born boss took over the reigns at the Raymond McEnhill Stadium last summer after Nick Holmes moved into role of General Manager at the club.

Widdrington originally joined the Whites as a player in February 2005 after arriving from Port Vale and is still registered on the playing staff.

He has worked his way up through the coaching staff and his role, together with Holmes, helped the club reach

their highest league position.

As a player Widdrington was known as tough and no-nonsense central midfielder, and started his career at Southampton before Grimsby wrote a £300,000 cheque for his signature in 1996.

After leaving Blundell Park for Port Vale in 1999, Widdrington went on to enjoy spells at Hartlepool and Macclesfield before arriving at the Ray Mac via a second spell at Vale Park.

Salisbury City General Manager Nick Holmes has had a long and illustrious playing career.

He made 543 appearances for Southampton Football Club scoring 64 goals over a fifteen-year career, helping the Saints to lift the FA Cup in 1979.

Holmes took over as General Manager in 2002 and soon guided the club to the Conference National, earning successive promotions by winning the Southern League Premier Division in 2006 and then the 2007 Play-Off final.

However, Salisbury have had a difficult season this year, after being handed a ten point

## NICK HOLMES

IN-FORM HATTERS FAR FROM ELEMENTARY SAYS HOLMES

deduction in September for entering into administration but Holmes is not looking to relax his ambitions:

"If we can get into that real mid table then I think it has been a real successful season. Our main aim is to stay in the League. It is a pretty tough league. You have really got to work hard to get out of it."

The Whites' boss was delighted with the win over Kidderminster on Saturday, which ended a three-match losing streak: "It was an

important one, because we have had some reversals of late.

"The games are coming thick and fast at the moment, you might lose three or four on the bounce but it is really only a couple of weeks in history. It was good to get back to winning ways and we fully deserved to get the three points."

Salisbury have won nine away games this season already and their Manager is confident that they can get a result despite the in-form Hatters

thrashing of mid table Hayes & Yeading on Saturday.

Holmes added: "We certainly know that going to Luton after they won by eight on Saturday is going to be a tall order, but we are prepared for it and I think Luton know they are going to be in for a tough time.

"Three weeks ago we went up to York and we beat them. It shows it doesn't matter which part of the league we go to, we still go there to get three points if we can."

Luton have failed to score only twice previously on this date, the first has been mentioned already against Chelsea in 1957, and the other came in 1974. That year Middlesbrough secured the Second Division title, and the only double of the season over Luton, with a 1-0 victory. The Hatters were later promoted to the top flight, as runners-up.

Luton beat Clapton Orient 3-0 in 1935 and this was the first of three matches where the Hatters kept a clean sheet on this date at Kenilworth Road. Jack Ball scored twice and George Stephenson netted in this game. The other clean sheets came against Notts County in 1964, when the Hatters won 2-0 courtesy of a brace from John O'Rourke, and a 2-0 victory against Orient in 1982. David Moss netted from the penalty spot against Orient and Ricky Hill added a second.

Luton have played against Chelsea and Ipswich twice on this date. In 1956 a record crowd for this date, 24,276, saw the Hatters draw 2-2 with Chelsea with Roy Davies and Tony Gregory scoring, however a year later and the visitors were 4-0 winners. Mick Harford scored twice and Emeka Nwajobi also scored against Ipswich in 1985 as the Hatters won 3-1. Eleven years later and Kim Grant scored in a 2-1 defeat against the Blues.

**7,163**

The lowest Kenilworth Road crowd for a league game on this date came in 1963 when Newcastle were the visitors. Roy Davies netted twice, but the visitors scored three times to take victory.

**GOAL-HUNGRY HATTERS ARE GRRR - EIGHT**

LUTON TOWN 8 - 0 HAYES & YEADING UNITED

CLAUDE GNAKPA CELEBRATES HIS FIRST OF TWO GOALS IN THE 8-0 WIN

The Hatters followed-up their six-goal haul at Ebbsfleet last week by going two better by hitting eight past Hayes & Yeading to rack up their sixth successive win in an incredible afternoon at Kenilworth Road.

The Hatters got the ball rolling in the seventh minute when Kevin Gallen got the first of his two goals when reacting quickest in the penalty area after Freddie Murray's left-wing cross bounced inside the visitors' penalty area.

With their tails up with an early goal, it wasn't long before it was two when four minutes later Claude Gnackpa doubled the lead after sending a scorching drive across Hayes & Yeading goalkeeper Clark Masters.

On 13 minutes the Frenchman found the net again to put the Town three-up when on hand to nod Jake Howells' teasing cross from the left comfortably past Masters from close range.

Ten minutes passed without the hosts scoring again but that was soon over when Gallen notched his second and the Hatters' fourth on 23 minutes.

Tom Craddock galloped down the right-flank unchallenged and pulled the ball back for his strike partner who swept the ball into the bottom corner.

Three minutes later - on 26 minutes it was five when Keith Keane got in on the act seizing on a loose ball before sending a curling shot arching into the top corner from the edge of the area.

Craddock finally got his name on the scoresheet with Gnackpa the creator, beating his man down the right before whipping in a perfect cross for the striker to nod firmly past the hapless Masters.

Could it get better? With the home crowd already calling for double-figures, incredibly the Hatters did score a seventh before the interval.

Gallen saw his chance of a hat-trick denied by both posts before Howells pounced on the loose ball to tap-home from a yard out.

Chances for Gnackpa - with a header - and for Simon Heslop, who, with Keane in the central midfield, again impressed, almost made it an unbelievable eight before referee Long called time at the end of the first 45.

In the second half the Hatters continued to dominate and it was their first opportunity of the second period that gave them their eighth when Craddock tapped home after seeing his original shot come back off the crossbar.

**POST-MATCH REACTION**

**RICHARD MONEY:**

"Everything we hit went in but I think the way the players are beginning to gel together and run off the ball was the key.

"It's obviously all about finishing but the movement and the way we passed the ball in the first half was excellent and I thought the team understanding in the opening period was very, very good.

"It's never easy going back out on the pitch after a half like that but we didn't take any liberties.

"We said to them had three objectives: no yellow cards, a clean sheet and to win the second half - and they've achieved all three.

"Today was the first of four games in an eight-day period which is crucial.

"Suddenly we're in good form. It's a nice position to be in."

**GARRY HAYLOCK:**

"Anger is not an emotion I can afford as a manager.

We defended like schoolboys against a very good side and they punished us.

"You can go through individual goals and say 'he has made this mistake and he made that mistake' but, as a unit we defended like schoolboys and quite rightly we got punished."

### TOM CRADDOCK

STRIKER DELIGHTED WITH DOUBLE IN EMPHATIC HOME WIN

Town's top scorer Tom Craddock netted his 16th and 17th goals of the season in the memorable 8-0 win over Hayes & Yeading United on Saturday.

The Hatters raced to an astonishing 7-0 lead after only 35 minutes play in the first-half with the striker first heading home after half-an-hour before adding his second and the Town's eighth, after 56 minutes.

And the number 10 was delighted with another high-scoring win which made it six victories on the bounce for Richard Money's men.

"To win a game as much as we did was very pleasing," Craddock said. "I think the last time I was involved in a scoreline like that was when I was about 12 or 13 when I was playing for Middlesbrough's Academy.

"We've threatened to put a few past teams this season and for one reason or another, either through poor finishing, or the team being too relaxed, we've not done it but thankfully in the game against Hayes we were able to take our chances.

"It was important because we need to increase our goal difference because it might help us at the end of the season as we chase for top spot.

"We've got the bit between our teeth at the moment and that showed in the first-half because we were ruthless."

Craddock's and Kevin Gallen double-act has flourished in recent weeks with both players grabbing vital goals in the promotion bid.

And it's a partnership the 23-year-

old believes can continue to blossom.

"I'm really enjoying it playing alongside Kevin because we complement each other well," Town's number 10 explained.

"His strengths are my weaknesses and vice versa so we have a good combination going and I'm always learning from him which is great.

"It you combine with your strike partner for a goal it is always enjoyable and hopefully we can carry that good work into the next game.

"Kevin is on 14 goals and I'm on 17 for the season so it's not a bad total between us and if we can both get to the 20 mark before the end of the campaign it will be a massive boost for the team."

OFFICIAL MATCHDAY PROGRAMME

# COMMERCIALBREAK

WITH DAVID HOSKINS

Good evening and welcome back to Kenilworth Road to all supporters and our sponsors and corporate guests to tonight's game with Salisbury City.

This evening is one of just have four first team home fixtures remaining and, as usual, interest in each and every single one of them has been very high.

The fortunes of the team have improved dramatically over the past month or so winning six games in succession and, from a commercial point of view, we couldn't have asked for sequence of results.

It's a no brainer. Success on the pitch breeds interest to those who wish to get involved. Whether that be supporters clicking through the turnstiles or those people and companies who wish to be associated with the club commercially.

I fully expect that to increase further by the end of the campaign so please, if you are interested in any of the many corporate packages we have available, get in touch with us at the number and email address below.

Obviously with their only being one automatic promotion place up for grabs we realise that there is the possibility of being involved in the Play-Offs which would see us play one leg here at Kenilworth Road.

Should that scenario occur keep your eyes peeled for further information on our official website at [www.lutontown.co.uk](http://www.lutontown.co.uk).

Once again we have the pleasure of having the continued support of match sponsors, match ball sponsors and a commercial mascot.

Our next game here is our Easter Monday clash with Grays Athletic. I hope to see you all here then.

## MATCH SPONSOR: Andrew and Christopher Bodycombe

Tonight's joint-match sponsors are Andrew and Christopher Bodycombe. Both have been Luton Town fanatics for over 20 years.

# FOOTBALL IN THE COMMUNITY

ANDY DUCAT ROUNDS-UP WHAT COMMUNITY EVENTS LIE AHEAD

bodes well for the future. If Richard and the team keep up their fantastic form and the Club return to the Football League, then the Trust's annual funding will double.

This will have a dramatic impact on what we are able to provide to the community.

Don't forget that we have two important up coming activities - our Easter Holiday programme and our Soccer Saturday courses. Check out the information below to book a place for your child.

### EASTER HOLIDAY PROGRAMME

This Easter we are running a four-day football course at the Ely Way training facility from Tuesday 6th to Friday 9th April from 10am to 3pm.

The course is for eight year olds right

up to 13 year olds and costs £10 a day. We also offer a 50% discounts for siblings if you book for the week.

### SOCCER SATURDAY CLUBS

Straight after Easter we kick-off our popular Soccer Saturday clubs at the Ely Way training facility in Leagrave, Playfootball in Stopsley and at Bramingham Primary School.

The Saturday morning programme starts on the 1st April and runs for 10 weeks, up until the 10th July.

The cost of the 10-week programme is £40. Discounts will be provided for siblings.

To make a booking on one of our courses phone the Community Trust on 01582 391927 or contact Kieran Fox on 0771704139.

Just like the Youth Department, the Community Department's budget has been halved this year.

This has had a profound impact on the Trust as the drop in funding equates to someone's annual salary. This year has proven to be a huge challenge, and after a lot of hard work from behind the scenes, we are beginning to see some light at the end of the tunnel.

We are re-establishing the popular after-school and holiday programmes across Luton.

Our work in schools during curriculum time is also on the increase. All of this

# GIRLS' CENTRE OF EXCELLENCE

STUBBORN COLCHESTER BATTLE TO A DRAW

The Hatters' girls earned a valuable point for the second week running after battling back from a goal down to draw with Colchester United, with games being played across four age groups.

After last weekend's draw with Birmingham City, the girls were keen to build-on that point but they started slowly with the inclement weather and pitch causing problems.

That meant it was difficult for both sides to play any decent football but the Town found themselves behind when Colchester broke and finished well.

Trailing after the first third, the Hatters started the better of the two sides and began to work harder, pressing the ball and making life difficult for their Essex rivals.

As they continued to dominate the period they managed to hit the post several times with Jodie Southby the one Town player the most likely player to haul her team level.

With the final period looming, Colchester still held their advantage

but the Town girls continue to dominate.

Upping the ante, the Hatters began to become more of a threat and only some last-ditch defending from Colchester kept them in front.

However, it was only a matter of time before the Town girls got the equaliser their efforts deserved with 10 minutes to go.

After a succession of corners that Colchester failed to clear, the ball was gathered by Southby who struck a fantastic shot beyond the reach of the home goalkeeper with the ball cannoning in-off the post to make it all square.

With their confidence up, the Town continued to press in search of a winner but they were unable to find a way past the home defence for a second time and the girls had to settle for a second successive 1-1 draw.

The girls are next in action at home to Ipswich Town on 10th April at their home ground at Leighton United in Tilsforth.

The winner of our Golden Gamble against Hayes & Yeading went home even happier following the 8-0 victory.

Mr Southernden, of Rushden, walked away with a very tidy £650 after his ticket number 031207 was plucked out of the barrel at half-time.

Meanwhile our winner from the game with Wrexham on 13th March has yet to come forward.

The winning ticket number is 026688 and the prize is a healthy £620. If you are the winner please contact the commercial department on 01582 411622.

## TRUST IN LUTON UPDATE

trust in luton  
luton town supporters' trust  
www.trustinluton.info

### AGM

Firstly, thank you to the members who attended our AGM. Strictly speaking, it was two AGMs as we had to hold two on one night to catch up.

There were mitigating circumstances for the delay, but we can assure you that Supporters Direct, the organisation that oversees supporters' trusts in the UK, were kept fully informed of the situation.

Supporters Direct contacted us just after the AGMs were held and are happy we have managed to get everything up-to-date. Although we cannot complete the accounts for the year 2009/10 yet, we are aiming to hold the next AGM in November this year. When the accounts are complete, we will inform our members of the exact date in due course.

We were also joined by our President, John Moore, for the evening and Stephen Browne from LTFC2020 was also present.

Once the formalities of the AGM had been completed, a Q&A session was held about various topics with Stephen.

As an organisation that depends on the goodwill of others to exist, we would like to go on record to thank both John and Stephen for giving up their valuable time to attend.

The support we continue to get from John and LTFC2020 is invaluable as we look to make strides into the wider community.

We would also like to thank the commercial department for helping to organise the event. We are hoping to arrange a more informal Q&A session for our members at a later date, but we will keep you informed on dates and times as things progress.

### WINNERS

In our recent article, we announced the members that won the corporate hospitality package as the Trust had

sponsored the matchball at the Wrexham game.

The three winners; Carole Jinks, David Taylor and Paul Ingram, along with their guests, are pictured here and we're delighted to say that all enjoyed the experience. The actual matchball will shortly be making its way to Robert Collon. We hope to be able to offer similar prizes in the future, so watch this space for details.

Our logo competition has now run its course, and we're delighted to say that the two winning schools have already taken their prizes!

Jake Skingley was the runner-up and along with his classmates from St Christopher's Lower School in Dunstable, attended the Wrexham game.

The winner, Alistair Gibbs from Campton Lower School in Campton near Shefford, attended the Hayes & Yeading game with his classmates. Thank you to all who took part and we hope the winners all enjoyed their VIP day out!

### COMPETITION

We are also delighted to announce that we have officially launched a new competition for the chance to win one of two full adult kits (one set is white, the other orange and there are 15 kits in each set).

The Club donated to us some old Puma training gear and with help from a specialist kit supplier, we have managed to turn this kit into something which any Luton fan will be proud to wear! You can see the white kit pictured on this page, and both sets will be fully numbered.

The white kit comes with black shorts and white socks, and the orange kit will have white shorts and white socks.

The competition is really quite simple: tell us why your team deserves the kit in no more than

You can send your entry by post to Kit Competition, Trust in Luton, 17 Grove Place, Bedford, MK40 3JJ.

title Kit Competition.

If you would like to ensure we receive your entry, we would recommend you send it via recorded delivery or ask us to confirm email receipt.

The closing date is 31st May and we will deliver your new kit at some point in June/July ready for your new season. Good luck!

### DIAMOND TICKETS

You may have seen our appeal for those Diamond Season Ticket holders not using their youth tickets to donate to them to the Trust earlier in the season.

This was so that we can use them to get more kids through the gates via their school or club. A huge thank you to everyone who donated their tickets to this cause – it really does make a big difference.

We are delighted to say that these tickets have been used for schools and local youth teams. We are working with the club and hope to extend and improve our reach with this programme for next season.

Mike Hooker and his team in ticket office have been excellent in helping us get this scheme up and running, so a big thanks to Mike, Dan, Kelly, Louise and Terry for all the assistance they've given us this year. It really is appreciated. Mike also doubles up as our liaison with the Club, so generally has quite a lot to do after each Trust Board meeting.

### NEW WEBSITE

Finally, please take a look at our new website at [www.trustinluton.info](http://www.trustinluton.info). We will be adding to it over time and

will also aim to include the archive from the old site as well.

An online mechanism for joining and renewing your membership is in development and we hope to have that live for next season. Contact details

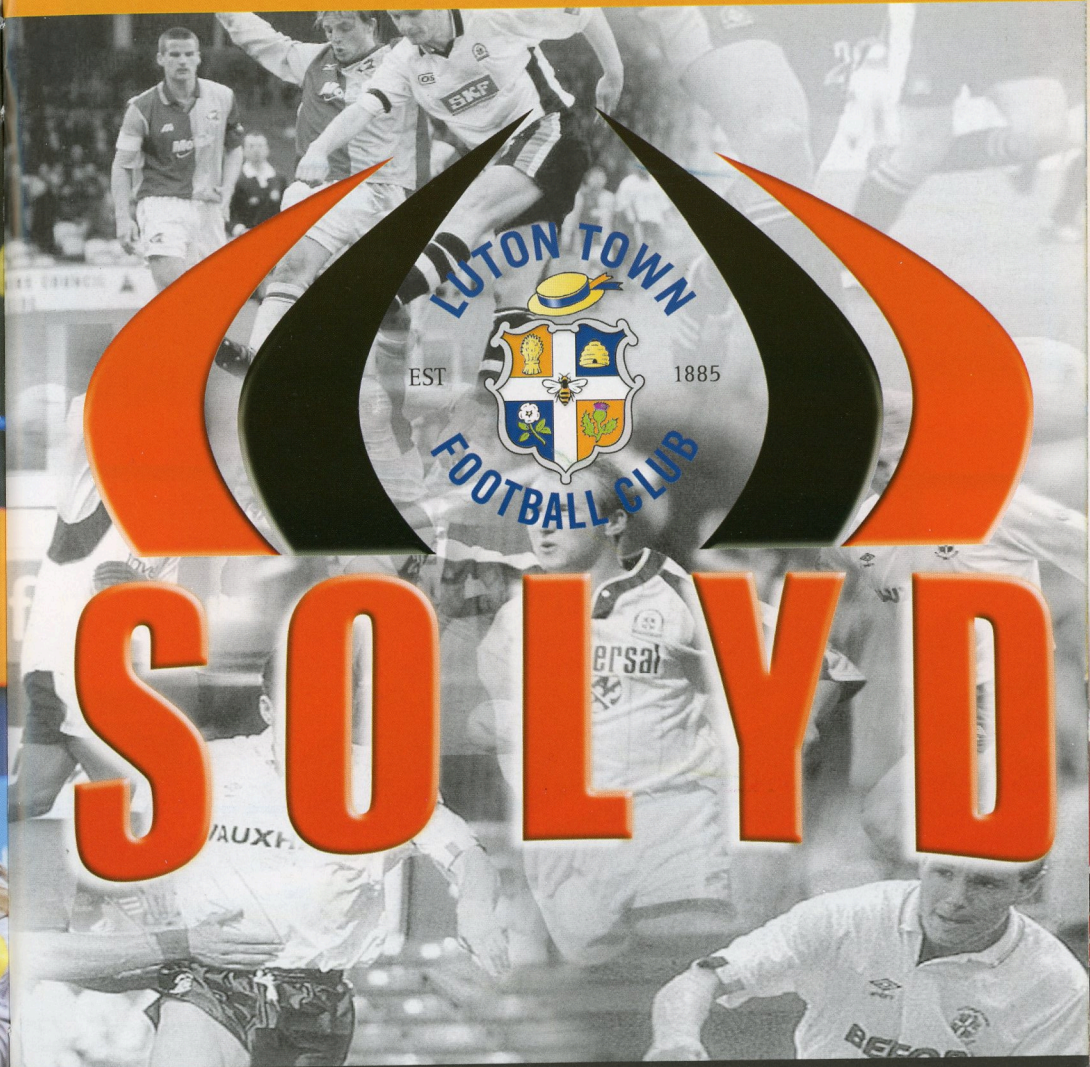

are available on the website, and if you would like to help in any way, we'd be delighted to hear from you.

## DREAM TEAM OF THE DECADE: 2000

RICHARD HINES PICKS HIS DREAM TEAM OF THE 2000S

### ABOUT RICHARD:

My first game was against Crystal Palace in 2006. In 2007 Drew Talbot gave me an early birthday present when he scored against Sheffield Wednesday which is my favourite game next to the Final at Wembley. I can be found in the Kenilworth Road, D Block.

I was one of the proud 40,000 fans who made the trip to London, and hope to see the Hatters one day back in the Premier League, where we belong!

### GOALKEEPER:

**Mark Tyler**

Proved his worth for us so far, Mark is like Marlon Beresford when he was in his prime, great keeper. A fantastic signing from Peterborough.

### RIGHT-BACK:

**Michael Spillane**

Naturally a centre-back, Spillane showed he is athletic enough to play down the right hand side of the defence.

### CENTRE-BACK:

**Jaroslav Fojut**

Possibly the best Central defender since Steve Foster, Fojut was incredibly powerful, and was part of the

Poland Under-21s. He also had a powerful shot, and claimed three goals for Luton.

### CENTRE-BACK:

**Markus Heikkinen**

A versatile player who can play in centre-back or defensive midfield, Markus was a legend here and played a lot of his last season with the young defender Leon Barnett.

### LEFT-BACK:

**Sol Davis**

Some say he wasn't the same after his stroke, but even so, Sol was loved by all at Luton. Signed for us from Swindon, scoring three goals in 199 appearances for the Hatters.

### RIGHT-MIDFIELD:

**Carlos Edwards**

Carlos was a very clever and talented winger who signed from Wrexham on a free transfer. He represented Trinidad & Tobago at the World Cup in 2006 and played against England while at Kenilworth Road.

### CENTRE-MIDFIELD:

**David Bell**

Wasn't blessed with pace, but a hard working player for the Town who scored some cracking goals of us as well. Is now playing in the Championship with Coventry.

### CENTRE-MIDFIELD:

**Keith Keane**

Luton-born Keith Keane is one of the best players to come out of the youth set up. Can play centre-back, right-back, left-back or centre midfield, Keane is the Jamie Carragher of Luton Town. His finest moment of course was when he scored against Oxford in the dying seconds of the game from a corner.

### LEFT-MIDFIELD:

**Matthew Taylor**

Venomous left foot, Taylor should be pushing for a place in the England squad. He can play left back as well as down the wings, Oxford will no doubt regret turning him down as a youngster!

### STRIKER:

**Steve Howard**

Brilliant centre-forward who scored over 100 goals for us, Steve was my favourite player, and I am forever sad because I will never see him in a Town shirt.

### STRIKER:

**Chris Martin**

Another great centre-forward who has proven to be a very powerful striker, Chris Martin came on loan to us along with Spillane. Scored 11 goals for the Hatters, the most notable goal of course was the equaliser against Scunthorpe at Wembley in April. He is now back at Norwich and scoring goals for fun in League 1.

## KENILWORTH ROAD SAFETY NOTICE

In an evacuation of the Main Stand you will be instructed to use the pitch. Stewards will direct you to your nearest exit. It may be that your normal exit route will not be available. On leaving the stadium you will find some roads closed to pedestrians, to enable swift and unobstructed access for the emergency services.

## BLUESQUARESCENE

VICTORIES ELSEWHERE KEEP THE TOWN THIRD

The Hatters' mauling of Hayes & Yeading combined with results elsewhere further cemented their position in the Blue Square Premier Play-Off places.

While both Stevenage and Oxford recorded victories above them, it was a different story below them as Kettering, Mansfield, York and AFC Wimbledon all dropped points.

The Town have a 13 point cushion over the sixth placed Poppies after Lee Harper's side were held to a 2-2 draw against fellow Play-Off contenders Mansfield at Rockingham Road.

AFC Wimbledon's chances of a top five finish were dealt a blow after losing at home to Rushden & Diamonds thanks to Craig Farrell's solitary strike.

That enhanced the Diamonds' position in the Play-Offs but York missed the chance to really punish the dropped points by their rivals by also drawing.

Martin Foyle's side were on their way to three points following Lee Graham's header but Chris Smith levelled matters - against his old club - with eight minutes left to secure the Lambs a priceless point in their battle against relegation.

The point meant the Staffordshire outfit are now four points above the drop-zone.

However, teams below them continue to hit form with Barrow and Forest Green both picking up vital weekend victories.

Barrow came out on top in a five-goal thriller against fellow strugglers Eastbourne Borough at Holker Street, becoming behind to win 3-2.

There was plenty of goals and a comeback to boot at the New Lawn as Forest Green recovered from going 3-1 down to Altrincham to win 4-3 with a three-goal eight-minute burst in the second half securing Dave Hockaday's side a priceless victory and with it lift them out of the relegation zone.

At the bottom of the table, Grays Athletic look doomed to the Blue Square South after a 3-0 defeat at Cambridge United leaving them 16 points adrift of safety.

Ebbsfleet dropped into the bottom three as they didn't play and, worryingly for the Stonebridge Road outfit, they have played more games than any other team in the division and have the second-worst goal difference.

# TOWN YOUNGSTERS STAMED BY LIONS

LUTON TOWN UNDER-18S 1 - 2 MILLWALL UNDER-18S

The Hatters' Under-18s were beaten by their Millwall counterparts on Saturday in a hard fought encounter at Ely Way.

Martin Prickett's youngsters got off to the best possible start when Liam Toomey raced onto Matt James' super pass forward and lobbed it over the advancing goalkeeper for his third goal in two matches.

Toomey was unlucky not to double his tally moments later when, after a good piece of skill set him free on the edge of the box, he took a shot early when it may have been better to drive towards goal.

However will the visitors dominating, they equalised when a long punt down-field by the Millwall goalkeeper was misjudged by Christian Tavernier who missed the initial header and when Sam Barker failed to clear and lost his footing, the Lions' forward powered home.

The visitors continued to press and took the lead in the second half when James inadvertently turned the ball into his own net when attempting to clear a Millwall cross.

The Town had a chance to nick a draw when Alasan Ann's perfectly weighted pass found Toomey free in front of goal but the striker saw his shot well-saved.

Manager Martin Prickett said

afterwards: "It was a tough day. Millwall are a strong, powerful group who have a trick and can play.

"I thought we started really well, deserved the lead and were unlucky not to go further ahead.

"To concede the equaliser in the way we did was a real blow and we should do so much better against such a simple counter attack.

"The chances we created were good, but too few and far between and although we defended well too many of the players did not stand up for themselves today and we did not look after the ball anywhere near well enough.

"We had a good meeting after the game and we need to go back to looking after the ball and moving it quickly when we have possession. I thought Toomey looked a threat again and we now need others around him to join in and make us more dangerous when we have the ball.

"Millwall are one of the better sides in our division and its normally against these sorts of teams that we excel, as we have done previously against QPR and Southend."

Squad v Millwall: Fletcher, James, Lacey, Bufano, Barker, Dasilva, Harriott, Tavernier, O'Donnell, Patrick, Toomey, Ann, Yamfam, Blake.

The Hatters' community department, in conjunction with the commercial department, are looking for clubs to enter our famous Hatters Cup competition that will be held at Kenilworth Road this summer.

The tournament will take place on Saturday 8th and Sunday 9th May and will consist of a six-a-side tournament with squads of up to 10 players per squad for Under-7s and Under-14s to compete for the Hatters Cup - sponsored this year by our media partners DiverseFM.

As well as the tournament, there will be many activities across the weekend including EA sports hub, where you can try out all the latest video game releases from EA.

On Sunday the British Army are bringing their climbing wall and also measure yourself against David Beckham, Alan Shearer and Roberto Carlos for the crown of the most powerful shot with the Speed Gun.

And remember, most importantly, all

trophies will be presented by members of first team squad and coaching staff. The Under-7s, Under-9s, Under-11s, Under-13s will play on Saturday 8th and the Under-8s, Under-10s, Under-12s, Under-14s will play on Sunday 9th.

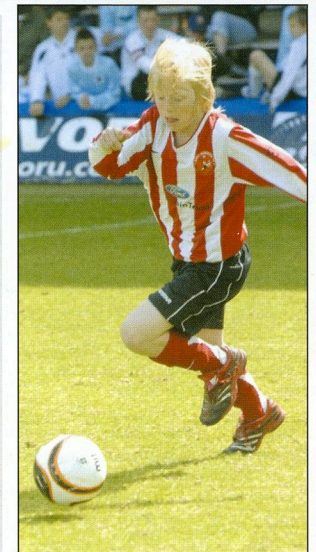

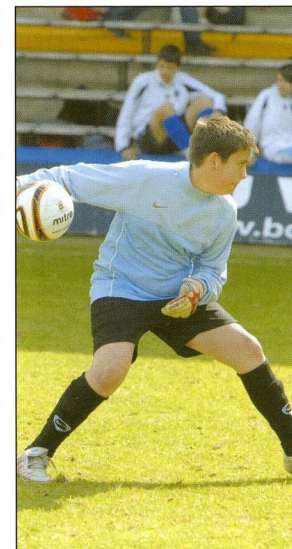

In compliance with FA Regulations, teams entering age groups Under-11 and below can include boys and girls in their squads if they wish.

The Under-7 tournament will be non-competitive with all players receiving medals for their participation.

From the Under-8 to Under-14, it is competitive and only the winners and runners up will receive a medal.

Last year was a great success with teams competing from all over the country and it would be great to see your teams there this year.

Priority invitations have already ready gone out to Luton Town partnership clubs and places are filling up!

For more information about becoming a partnership club contact Stuart English on the information below.

If you would like any more information, call Stuart English on 01582 583618 or email [stuarte.ltfc@hotmail.co.uk](mailto:stuarte.ltfc@hotmail.co.uk)

Entry fees are £60 for one team and £50 for two or more. Included in the entry fee is a weekend programme including information on the Hatters Cup, fixtures, information on the other teams and space to keep track of all of the scores.

Each team will be given 10 players and two staff/manager free passes to enter the stadium and two free car parking spaces will be included. As car parking is very limited, spaces are available on a first-come, first-served basis.

# DAYS PAST

LUTON TOWN 3-1 IPSWICH TOWN. 30TH MARCH 1985.

followed by tiny left-sided midfielder David Preece who immediately won over the crowd when scoring the Town's goal in a 1-0 home win over Aston Villa.

The spending had not stopped and a massive, by Luton standards, £250,000 was handed over to Birmingham for striker Mick Harford and to further bolster the spine of the side, holding midfielder Peter Nicholas was priced away from Crystal Palace.

Due to bad weather and the start of an FA Cup run that would see the Town win through to the semi-final stage, all four newcomers played together for the first time in early February after a month without a league game.

Second placed Tottenham were the visitors to Kenilworth Road and a best of season crowd of 17,511 saw a new, more determined and physical Luton take the game to a powerful Spurs outfit who were extremely fortunate to escape with a point following a last minute equaliser.

Gradually results began to turn their way, and by the end of March, the

The Town had been given a fighting chance of staying in the top flight, after a miserable start to the 1984/85 campaign, when new chairman David Evans allowed the purse strings to be loosened just before Christmas.

After declaring that the Hatters would not be relegated even though they were second bottom when he said it, the supporters clung on to his words as they waited for the new recruits to be introduced.

Manager David Pleat did not need to be told twice and immediately went after ex-England centre-half Steve Foster who was languishing in Aston Villa's reserves.

The signing of Foster was quickly

PETER NICHOLAS, THE FINAL SIGNING OVER THE WINTER OF 1984/85 PUTS PEN TO PAPER

team had managed to advance one position in the table to 20th. Although still in the relegation zone at least supporters could see a chink of light at the end of the tunnel whereas before Christmas Division Two looked a nailed on certainty.

Looking back, the Town's progress was no doubt hampered by the long FA Cup run which included three gruelling games against Watford.

David Pleat was privately worried about this although the supporters wanted the best of both worlds – an FA Cup final appearance and Division One status to be maintained!

With Millwall seen off in the quarter-finals, and the next round not due until mid-April, Pleat breathed a sigh of relief as the Cup could finally be put to one side for a time.

The crunch league meeting with fellow strugglers Ipswich at Kenilworth Road at the end of March was far more important and demanding of 100% attention and focussed minds.

The club decided to hand out vouchers at the turnstiles before the Ipswich clash which would entitle the holder

DAVID PREECE, WHO SET UP THE TOWN'S FIRST GOAL

to a ticket for the upcoming FA Cup semi-final. This meant that the crowd was 3,000 better than for the corresponding fixture the previous season which potentially promised a far better atmosphere than normal.

Neither the heightened carnival atmosphere, or the supposedly focussed minds of the players, showed themselves in the opening minutes as Ipswich tore into the Town rearguard.

The Blues, who although were below the Town in 21st spot, had drawn at Arsenal in their last away game and were showing that the result was no fluke as they came close to completely humiliating the Hatters.

Trevor Putney, Eric Gates and Romeo Zondervan carved through the Luton defence at will but heroic saves from goalkeeper Les Sealey

and a trio of misses from Kevin Wilson meant that, after 20 minutes, Ipswich only had one effort from Gates to show for their superiority.

Six months before, the Luton players would have caved in but the new breed were made of sterner stuff.

The Ipswich goal seemed to shake the lethargy away and suddenly the Town's midfield trio of Ricky Hill, Nicholas David Preece took control.

Brian Stein moved back into the 'hole' behind front players Harford and Emeka Nwajobi and Ipswich were swept away.

Harford reduced England centre-half Terry Butcher into a bag of nerves and the big striker lost his marker on 30 minutes to nod in a cross from Preece at the far post.

Nwajobi toe-poked a Stein pass past

Paul Cooper in the Ipswich goal just before the interval with Harford making the points safe on 66 minutes when he took advantage of a Butcher stumble to run on and crack home an unstoppable shot.

From then on it was one way traffic and the score should have been more emphatic but Pleat was relieved at the final whistle, mighty pleased that the players could shut out thoughts of Wembley glory from their minds when League points were at stake.

Luton Town: Sealey, Breacker, Thomas, Nicholas, Foster, Donaghy, Hill, Stein, Harford, Nwajobi (Daniel), Preece.

Ipswich Town: Cooper, Burley, Osman, Butcher, Gernon, Zondervan, Brennan, Gates, Putney (Dozzell), D'Avray, Wilson.

## HATTERS IN THE COMMUNITY

WITH ANDY DUCAT FROM THE HATTERS' STUDY CENTRE

**Hatters**  
Study Support

The Hatters' Study Centre continues to grow in popularity. Our core offer is after-school study support, which we deliver four nights a week from 3pm to 7pm.

As more and more schools and community groups hear about our facility, the more we are finding requests for daytime based programmes.

This term we have delivered a six Lads and Dads sessions on Saturday afternoons and four taster sessions for a number of different community groups.

We also delivered a Train Like a Pro one-day holiday course in partnership with the Community Trust. What makes the sessions so popular with school and community groups is that they often get a chance to meet players from the Club's first team.

Last week we delivered a day-long

Junior Football Officers training course at the Ely Way classroom in partnership with Cardinal Newman High School.

The course is the first step in the coach education programme and provides all the participants with a great opportunity to deliver a football festival to a group of primary school pupils.

We worked with 17 Year 9s young leaders who all successfully completed their training. During the day the students had the opportunity to work in the classroom, carry out practical activities outside and watch the first team train.

Some of the players even came in to meet the young leaders on an informal basis during their lunch-time break.

The day proved to be a huge success. We are lucky to have the

classroom attached to the Club's training facility as it has provided many informal opportunities for young learners to mix with their local footballing heroes.

Don't forget that we are running an Easter Holiday art course starting on Monday 11th to Friday 16th April, from 1pm to 4pm.

The cost for the course is only £5-a-day or £20 for the week, making it great value for money. You can come along for a day or sign up for the whole week.

We only have 20 spaces on the course so if you are interested in enrolling your child, phone 07760178097 to book your space or you can contact the Community Trust on 01582 391927.

Who knows, you may even get a chance to meet some of Luton Town's first team players.

Good evening to all Junior Hatters and welcome tonight's rearranged game with Salisbury City in the Blue Square Premier.

A big hello to all the young Salisbury fans who have made the midweek journey up from Wiltshire. We hope you enjoy your short stay and have a safe trip home.

My page in Saturday's programme was full of praise for the team for winning that amazing game at Ebbsfleet...

...and I'm delighted to be able to do something similar tonight after what can only be described as a sensational Saturday following the 8-0 (yes, eight!) win over Hayes & Yeading.

Unfortunately I could not make the game, but I watched the scores flashing through on television.

One, two, three and four go in and I can't believe it but five, six and seven all follow all before half-time!

I thought Jeff Stelling was making this up or maybe someone in the ground was messing around with the scoreboard!

But no, it was true and I can't believe I missed one of the best games we've had this season.

That made it six wins on the spin and tonight we are out for number seven as we look to chase the leaders.

It's a massive game - ok, well they all are! - but Stevenage play Oxford tonight and we go to Stevenage on Saturday for what could be THE biggest game of the season.

Your support has been incredible this season home and away and I think the fact it has got louder in recent weeks is the main reason for our recent run.

So keep it up! We're back here again on Easter Monday so until then, enjoy tonight, enjoy Saturday and have a great Easter!

**Happy Harry.**

## LADIES EQUALISE REARNS POINT

BETTS THUNDERBOLT RESCUES HATTERS

GOALSCORER LAVEENA BETTS IN ACTION AGAINST SHEFFIELD WEDNESDAY

The Hatters' Ladies showed enormous character to fightback to grab a point against fellow strugglers Sheffield Wednesday in a 1-1 draw.

The early signs did not look good as the Owls took a second minute lead when their striker waltzed through the home defence to roll the ball into the empty net.

But Luton came roaring back

when Nicola Henman found Laveena Betts. With no apparent danger Betts controlled the ball on her chest before turning and unleashing a tremendous volley from 30 yards out to equalise.

An open game continued to swing from end-to-end, but it was Luton who had a golden opportunity to take the lead a minute from half-time.

Fay Howell skipped past a defender and was brought down in the area. The resultant spot kick was drilled wide by Betts to leave things equal at the break.

The Owls continued to pile on the pressure but the Luton defence held firm with special credit to stand-in keeper Jody Laphis who showed enormous character between the sticks.

Wednesday were themselves awarded a penalty but the kick was screwed wide to keep the scores level. With the game five minutes into injury time there was still room for drama as an Owls striker fell theatrically in the box but the eagle-eyed official spotted the dive and a worthy point was earned.

The reserves returned from North London with all three points following a crushing their Enfield Town counterparts 4-0.

Luton took the lead after half-an-hour when Serena Lawrence fired the ball home after a half cleared corner.

Laura Day scored the second following some brilliant work from Kirsty Walker down the left when she skipped past three defenders. Day then added the third before turning provider for Leyah Maddix who finished well arriving at the far post to score the fourth.

Our thirds just keep surging on with another narrow win this time with a 1-0 win over Alexandra Park. Leanne Lizaitis scored the winner to retain third place and keep their promotion hopes alive.

## STEVENAGE BOROUGH

SATURDAY 3RD APRIL 2010 KICK-OFF 3PM

### WHAT'S THE GROUND LIKE?

Broadhall Way, or the Lamex Stadium as it is now known, is one of the better grounds in the Blue Square Premier and one which would not look out of place in the Football League.

On one side is the all seated covered, Main Stand, that looks quite impressive. It is unusual in so much that at the back of the stand on either side of it, there are large gaps between the back of the roof and the stand below. Opposite is the fair sized East Terrace, that is covered and is quite steep.

At one end is the South Stand, which is another single tiered all seated covered stand. This stand given to away supporters. There is an electric scoreboard on the roof

of this stand. Opposite at the North End of the ground, is a small covered terrace.

### WHAT'S IT LIKE FOR LUTON FANS?

Town fans have been allocated seating in the South Stand and terracing on the East Terrace. As you would expect from a relatively new stand the facilities and views of the playing action are good. Inside the ground a selection of pies and pasties are available.

### HOW TO GET THERE AND WHERE TO PARK?

Leave the A1 (M) at Junction 7 and take the A602 towards Stevenage. Go straight across the first roundabout and as you approach the next roundabout you can see the floodlights of the ground over on the right. However, if you go

straight across the roundabout then you will see the entrance on the left to the large official car park which is free.

For those supporters with satellite navigation systems the postcode for Broadhall Way is SG2 8RH.

### TRAVEL INFORMATION

Both Town on Tour and the Bobbers Travel Club are running coaches to Stevenage.

The Bobbers leave the Maple Road car park at 11am and prices are £10 for adults and £8 for concessions. To book your seat, visit the supporters' kiosk or telephone (01234) 856542.

Town on Tour also depart at 11am and their prices are £11 for adults and £9 for concessions.

## UP NEXT AT KENILWORTH ROAD

LUTON TOWN V GRAYS ATHLETIC 05 / 04 / 10

The Hatters are again at home on Easter Monday as they welcome Julian Dicks' Grays Athletic to Kenilworth Road for a 3pm kick-off in the Blue Square Premier.

The Gravelmen, who are bottom of the Conference, make the trip up from Essex hoping it will be third time lucky against the Hatters.

Having already met twice this season - games which the Hatters have won without yet conceding a goal - they will need to break their duck in-front of goal to have any chance against a Town side who are scoring goals for fun at the minute.

Town's top scorers Tom Craddock and Kevin Gallen scored the goals in the league win over Grays back in November and with eight goals between them from their last three outings, they are the men they will need to stop once again if they are to leave with at least a point.

Turning back the clock slightly, the 2004/05 season was the most successful in Grays' history when they won promotion to the Football Conference by being the first team to win the

newly-inaugurated Conference South. In the same season they went on to make an appearance at Villa Park in the final of the FA Trophy, a game they won by beating Conference North team Hucknall Town on penalties in front of a crowd of just over 8,000 spectators.

Athletic have failed to find any form this season with a small squad of players resulting in poor results both at home and on the road: they have the worst away record in the division and are still without a win on their travels in the league.

They have been on the wrong end of a few big scorelines this season which has contributed to them having the worst defensive record in the league, conceding over 80 goals.

Dicks took charge at the New Recreation Ground in September last year and has struggled to make an impact this season with the squad he inherited, but the former West Ham United defender will be hoping he can pick the team up in the remaining games of the season and restore some pride to their season, starting at Kenilworth Road against Town.
