MONEY TALK

Good evening and welcome once again to Kenilworth Road for tonight's televised fixture with Grimsby Town.

I'd like to extend a warm welcome to Neil Woods, his staff and players, plus the directors and supporters of the Mariners who have made the long journey south from Humberside for this match.

Grimsby's first season at this level will have no doubt opened their eyes and now, halfway through the campaign, they will be suitably familiar with what is required to earn results in this tough division.

Neil has done a very good job to steady the ship following their relegation last season. Picking up a team low on confidence is never easy and they have shown in their results this season that they are real contenders to be involved in the promotion shakeup come the end of the campaign.

Certainly, their results at the beginning of this year made everyone sit up and take notice. Beating Mansfield 7-2 and Histon 6-1 in successive matches gave everyone at Blundell Park the belief of a successful season.

Furthermore our visitors come into this evening's match on the back of a goalless draw against Crawley - no mean feat considering Crawley's recent form and by all accounts Neil's side were unlikely not win all three points right at the death.

The same could be said of ourselves following Saturday's 2-2 draw with Gateshead.

It was a thoroughly frustrating 90 minutes. Two

goals down we looked down and out and it says so much about our expectations of the players that we were disappointed not to have taken all three points come the final whistle.

However for me it was one of those days when we weren't at our best, usually at Kenilworth Road we find an extra gear but I felt our attacking play wasn't as ruthless as it has been in previous games.

There may have been mitigating circumstances: the pitch was tough to pass through, our busy schedules may have affected some of the players and we did have half a team injured watching from the stands.

But I don't like making excuses and tonight we must make sure we sure we don't slip up again.

The team do deserve credit, however, for battling back from two goals down. Football is a funny old game, so they say, and indeed when we came off the pitch it felt as though we'd lost.

I warned the players and said in my pre-match press conference that Gateshead would come and take the game to us and that was proved right. In the second half it was tough for us to break down their resistance. Strangely, having a man sent off may have worked in their favour.

People who know me will tell you I am in the glass half-full category and after a disappointing result I look on the positives.

We came off the pitch with a point in a game we could have lost. We didn't lose and we go into tonight's game having not lost since the October defeat at Wrexham.

There is a long way to go - still just under half of the season to play.

We know there are no easy games in this league. The current dimensions of the table indicated that every club is battling for something, whether it be the championship, the Play-Offs or survival.

Not many people would have thought Gateshead would take four points off us this season but that's exactly what has happened. We will not dwell on Saturday and go in tonight's game confident of continuing our good form.

Gateshead earned a point at Fleetwood, lost by the odd goal at both AFC Wimbledon whilst Crawley beat them with a goal in injury time.

Your support continues to astound myself, the players and the board and second successive 6,000 crowd really underlines the loyalty you are showing us.

It is appreciated massively and, back under the floodlights, I urge you all get behind the players this evening in our quest for three valuable points.

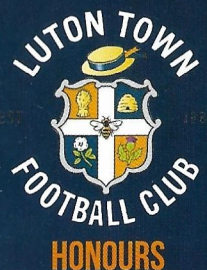

Keep believing.

FROM THE BOARDROOM

Good evening and welcome to Kenilworth Road for the third of our seven consecutive matches at home.

Welcome also to the players, directors and fans of Grimsby Town who are experiencing their first season in the Blue Square Bet Premier.

We have a bit of a score to settle after we failed to perform in the away game in front of the television cameras and lost 2-0. We have become far more consistent since then and the cameras are here again tonight when, hopefully, we can prove that point. Saturday was a strange one, wasn't it?

I felt sick afterwards - as if we had lost. First of all, there was the shock of going two down so quickly...in 16 minutes, in fact. Both really infuriating goals too.

One a long distance shot that squeezed in off the inside of the post, and the other a horrible deflection. After that came the exhilaration of pulling those two goals back, followed by the Gateshead sending off.

So we started the second half all square, against 10 men and on our home turf. Surely we had to win?

The next 45 minutes were cruelly frustrating. Gateshead played really well, I thought, and were sometimes threatening, but towards the end we camped in their half, racked up the chances but simply couldn't score. In fact, I see from the match stats, we only had three shots on target all match.

Doesn't sound like us at all, but there it is. As I said, it felt as if we had lost, but we hadn't. We got a point and we remain unbeaten in the league since 11th November.

Alright, I know we didn't play a single league match in December but it's still eight matches and the best part of 11 weeks! So we just have

to say, in the old cliché, it was a bad day at the office.

Or to quote the Shirelles, "Mama said there'll be days like this, there'll be days like this, my Mama said". Mixed feelings for us all afterwards, as we heard that AFC Wimbledon had hit five, but Crawley had only managed to draw against our opponents this evening.

We still have 60 points to play for and we start on those tonight. A new game, new momentum and fresh legs after two matches on very heavy pitches.

Let's hope there's been no more rain before tonight's match so that the surface has had to time to dry out a bit.

The gluepot conditions on Saturday didn't exactly help our fast flowing one-touch football, but the pitch has taken quite a battering from the weather recently and the important work we carried out in the summer has been put to the test.

It's held up extremely well. Something else that added to the frisson on Saturday was the rumour of the possible sale of Andy Drury. Let me stress that this is indeed only a rumour.

At any club, there is the constant ebb and flow of interest and potential bids for players. When a side is doing well, that interest intensifies from clubs higher up the slippery slope...particularly during transfer window time.

A number of our players are attracting interest, inevitably, but, at the time I am writing this, we have had no talks with any other club and we are slightly disappointed that someone somewhere has put out information that is simply not fact, just gossip.

Whatever happens in the remaining six days of the window let me assure you we do not want to lose our best players. At this moment in time, we

have no specific intention of letting any of our best players leave Luton Town.

On the other hand, it has to be said you can't stand in the way of a player moving up to, say, the Championship. Luton Town have always allowed players to progress - for their own good - but we also have a fine tradition of finding more talent to take their place.

We don't make a habit of confirming or denying rumours...transparent as we like to be, we try to deal only in facts. Before I go, I thought I'd mention that it's 50 years ago this week that Luton Town took part in one of football's most memorable cup ties.

Older fans will need no reminding that we took on Manchester City at home in the fourth round of the FA Cup. We were then in the old Division Two, while City were in the top flight.

In dreadful conditions of heavy rain, City and Denis Law ran riot, even though we went two up. Law scored six as City looked certain to go through, but then the ref abandoned the match with about 20 minutes to go!

City fans were incandescent, but the game had to be played again the following Wednesday afternoon. City thought our floodlights were so poor, they wouldn't play at night.

Well, Law scored again, his seventh of the tie, but we won 3-1 with two from Alec Ashworth and one from Jim Fleming.

What a turnaround! I was unable to go, but my father went to both games and talked about them for years!

Back to tonight and our vastly improved floodlights. There's nothing like the atmosphere under the lights at the Kenny!

Enjoy the game, bye for now.

CAPTAIN SPEAKING

Welcome back to Kenilworth Road once more for this evening's game against Grimsby Town.

We were on the receiving end of a disappointing and frustrating defeat at Blundell Park earlier in the season.

I thought we were unlucky not to score in the first-half and we went a goal down from the penalty spot after a harsh handball decision.

Since that defeat we have only lost a further two matches in league competition - a statistic that should not be overlooked and an indication of our improved consistency.

This is Grimsby's first season at this level and they will feel they have now got to grips with what this league is all about.

There is no doubt we found it tough in the first-half of last season before we gradually came to terms with what the opposition threw at us.

Like ourselves Grimsby are a former Football League club and many teams in this division view even a point as a significant result against teams like us.

With so many ex-Football League clubs in the Blue Square Bet Premier this season the competition has never been tougher.

There have been calls for extra promotion places to be installed but we knew at the start of the season that just one automatic place is up for grabs and it's up to us to ensure we finish in top spot come the end of the season.

Tonight Grimsby visit looking to build on their goalless draw with Crawley Town on Saturday. That result shows that they will be a tough side to beat.

We knew that this run of consecutive home games wasn't going to be as easy and so that proved on Saturday when we held by Gateshead.

With Darlington - currently 12th - and Fleetwood - currently sixth - next up in the

league, we know that this sequence of matches at Kenilworth Road isn't going to get any easier.

Saturday's draw was very, very frustrating. Both of Gateshead's goals were deflected efforts - the second particularly took a massively change of direction which, despite his best efforts, Mark Tyler could not claw out.

However, as we often find playing at home we bounced back quickly and scored twice in a 10 minute spell to draw level.

Danny took his goal very well from a tight angle whereas Claude was in the right place at the right time to hit the equaliser.

After Gateshead were reduced to 10 men we felt we could go on and complete the turnaround but football is never that simple.

Perhaps the sending off was the worst thing that could have happened. We felt we could exploit Gateshead's open game plan with 11 men but once they were a man lighter their tactics changed and they protected what they had.

Usually we are able to open up and pick teams off when we have a man advantage but it wasn't to be, it was a difficult task trying to break down a determined back-line.

We failed to turn our possession into clear-cut chances but I think we all thought we'd earned all three points when Tai saw his terrific shot on the turn somehow bounce the wrong side of the post.

Sometimes you just know it's not going to be your day.

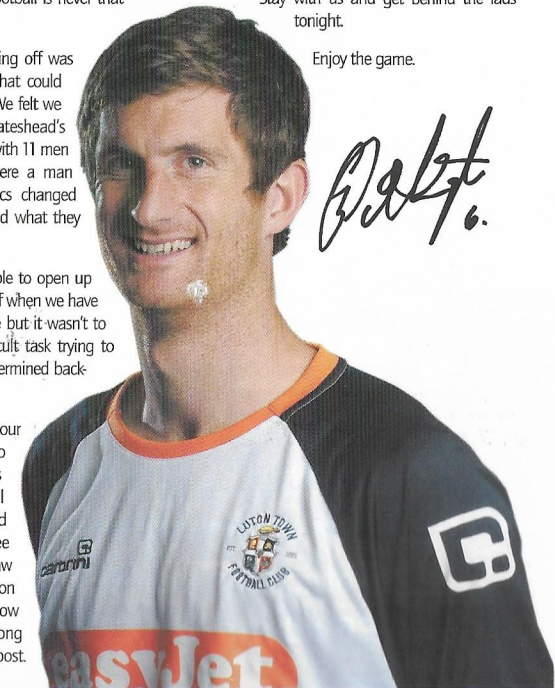

But we take the fact we came from two goals down to earn a point as a big positive. It's a sign of what good teams do - they never give up.

We know tonight will be tough but if we show the same kind of spirit that we showed on Saturday, and we have luck on our side, then with the confidence we have in our ability we believe we can produce a positive result.

I know the result on Saturday was a big disappointment but we need your magnificent support with us. After all, you urged us on from two goals behind and it was unfortunate we couldn't find that all important winner.

Stay with us and get behind the lads tonight.

Enjoy the game.

INTRODUCING GRIMSBY TOWN

HISTORY

The club was formed in 1878 after a meeting held at the Wellington Arms public house in Freeman Street.

Several attendees included members of the local Worsley Cricket Club who wanted to form a football club to occupy the empty winter evenings after the cricket season had finished.

The club was originally called Grimsby Pelham, this being the family name of the Earl of Yarborough, a significant landowner in the area.

The name was changed the following year to Grimsby Town. In 1880 the club purchased land at Clee Park which was to become their ground until 1889 when they relocated to Abbey Park, before moving again in 1899 to their present home, Blundell Park - named after Peter Blundell, whose money enabled Sidney Sussex College to buy the land in 1616.

The club brought two stands with them from Abbey Park, although the players had to change at the Imperial Hotel.

This season is the club's first outside the Football League following their relegation from League 2 last season.

PREVIOUS MEETING

The Hatters twice hit the woodwork but slipped to their second defeat in four games after a goal in each half from the Mariners.

In front of the live television cameras - the game was the first to be screened live on Premier Sports TV - the Town began the brighter of the two sides and Kevin Gallen came close to giving them the lead when he volleyed over on seven minutes.

A minute later the Hatters hit the woodwork for the first time when Adam Murray struck the crossbar with a rasping shot from 25 yards.

But while the Town were dominating, Grimsby looked dangerous on the counter, and against the run of play, the hosts had the lead on the half-hour mark after being awarded a contentious penalty.

Darren Kempson's header from a rightwing corner was handled by Shane Blackett, jumping up to head the ball, and after referee Simpson signalled for the spotkick, home striker Alan Connell slammed from 12 yards.

The Hatters responded well and Murray, clearly in the mood for a goal, saw a shot blocked on 35 minutes.

As the Town continued to press, Claude Gnaka leapt to head a Murray corner from the right but the Frenchman saw his effort cleared off the line by Mark Hudson in first-half injury time.

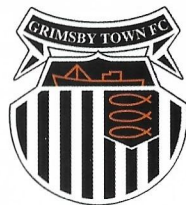

Again, just like in the first-half, the Town started well, and after Matthew Barnes-Homer blazed over a minute into the second period, the striker was denied by the foot of the post on 54 minutes after he had robbed Kempson of the ball and bared down on the Mariners' goal.

After being let off the hook Neil Woods' side upped the ante and they made the game safe with 19 minutes left when a Lewis Goburn corner from the left was headed in by Mickey Cummins.

That knocked the stuffing out of the Hatters but they continued to battle but despite half chances from Adam Newton and debutant Taiwo Atieno the hosts held on to record all three points.

Grimsby Town: O'Donnell, Bore, Kempson, Watt, Ridley, Goburn (Eagle 90), Hudson, Cummins, Wood (Corer 79), Peacock, Connell.
Subs not used: Garner, Samuels, Croudson.

Luton Town: Tyler, Gleeson, Kroca, G. Pilkington, Blackett, Newton, Keane (Besta 56), A. Murray, Gnaka (Atieno 78), Gallen (Crow 61), Barnes-Homer.
Subs not used: K. Pilkington, Howells.

MEET THE MANAGER:

NEIL WOODS

A fans' favourite at Blundell Park in his playing days, Woods has excelled with the Mariners' youth team in recent seasons, taking up the role of manager in October 2009.

Woods was part of the Mariners' promotion side in 1990/91 and also took part in many Cup giantkillings with the club but he left in August 1998 after previously having loan spells at Mansfield, Wigan and Scunthorpe.

He joined York City but injuries were beginning to catch up with him and he stayed for just one season at Bootham Crescent before slipping into non-league football with Southport.

After his playing career came to an end, Neil turned his attentions to coaching and became a highly regarded youth team coach. In the 2005/06 season Woods' side won the Midland Floodit Youth Cup with a 1-0 victory at Walsall and several of that squad progressed into the first team.

Woods' side went one better in 2008/09 when they defeated QPR 2-1 at Loftus Road to lift the Puma Youth Alliance Cup.

Despite relegation to the Blue Square Bet Premier, the Mariners board showed confidence in Woods, thanks to some stirring displays and an overhaul of the squad in the closing months of the 2009/10 season.

The former striker has been charged with plotting the Mariners' route back into the Football League.

Grimsby Town's start to 2011 threatened to overshadow the Hatters at one point with Mansfield Town and Histon despatched 7-2 and 6-1 respectively in the opening three days of the month.

However the Mariners weren't able to sustain that fortune in front of goal and three consecutive defeats followed.

Two of those losses were in the Blue Square Bet Premier and the other was a disappointing FA Trophy defeat at the hands of Kasetown. A return to League action against Kettering Town last Tuesday allowed the Mariners to get back to winning ways.

Having fallen behind to Tom Flanagan's third minute strike, a goal in each half from Rob Atkinson and Rob Eagle gave Grimsby the points that took them up to eighth place and within five points of a Play-Off position.

Boss Neil Woods was pleased with the manner in which his players bounced back. "We tried to play on Tuesday and in the last third of the pitch played some really good football," he said.

"We huffed and puffed a bit at first but the players showed endeavour and an enthusiasm to play.

"They showed character that everyone in the club knows they have. It wasn't about playing for me, it's about Grimsby Town.

"For the players it's about their reputations and people questioning them. The players and I haven't done our jobs in those previous three games because we were poor. I thought they showed a real togetherness the other night. Without patronising anybody, I thought the fans were fantastic too.

"We expected and were prepared to deal with a critical atmosphere but it was nothing like that. Some people will always want to have their say and there was clearly disappointment when we conceded. But I thought the fans stuck with the team and the club very well and it was much appreciated by everyone.

"The players talked about it afterwards; it was a real tonic for us and hopefully we'll get that backing again. We are eighth in the league now, we are in touching distance and believe

NEIL WOODS

SEASON CAN STILL END IN GLORY, SAYS GRIMSBY BOSS

we still have a big chance this season."

The Blundell Park outfit followed up their win over the Poppies by holding leaders Crawley Town to a goalless draw on Saturday, allowing AFC Wimbledon to climb back to the summit of the Blue Square Bet Premier.

The result means that the Mariners arrive at Kenilworth Road with just those two defeats to their name from their last 10 league matches, a run stretching back to the end of October.

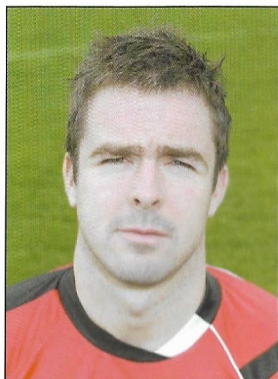

That's not far off the pace of the Hatters who have lost just the once in the same time frame.

GRIMSBY TOWN

GOALKEEPER

KENNY ARTHUR

Manager Neil Woods moved quickly to secure the services of Scottish goalkeeper, bringing the 31-year-old to Blundell Park from Rochdale. Arthur made his name in Scotland with Partick, where he spent 10 successful years, earning himself two call-ups to the national squad in the process. He impressed in two seasons with Accrington before helping Dale to promotion to League 1. Kenny is a tall, imposing presence between the sticks and he has excellent agility and is a good communicator.

DEFENDERS

ROBERT ATKINSON

Powerful defender who completed a permanent switch to Blundell Park in January 2009 after two successful loan spells on the East Coast. The 23-year-old centre half came through the ranks at Barnsley and has gained experience on loan at Scarborough, Halifax and Rochdale. Rob is a popular player amongst the supporters and impresses with his aerial ability and reading of the game.

PETER BORE

Exciting prospect who burst onto the Blundell Park scene back in 2006 with a debut brace against Boston. The 23-year-old is comfortable all along the right or up front and is an expert finisher in front of goal. Peter was successfully converted into

a right back by Neil Woods and impressed by winning the club's Player of the Year Award for the 2009/10 campaign.

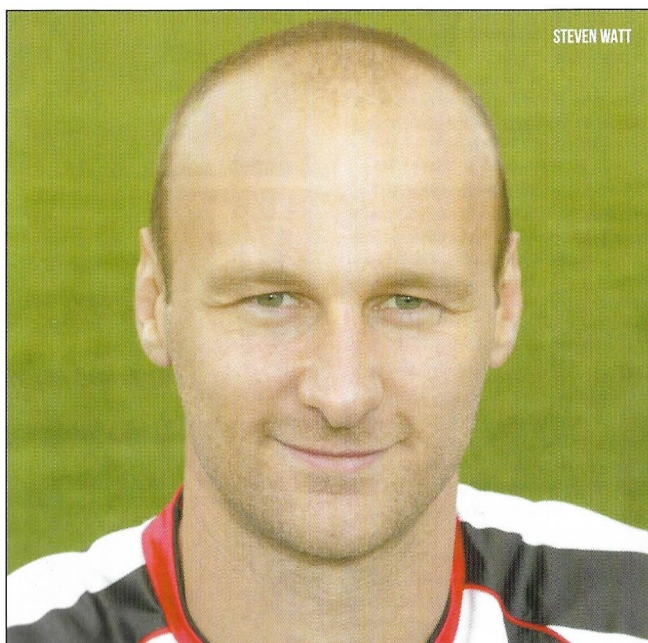

DARRAN KEMPSON

Well-travelled centre half who joined the Mariners from Accrington Stanley in June 2010. The 26-year-old is a robust, physical presence at the back and he loves to command games in the air. The Blackpool-born defender has previously impressed in spells at Stanley, Shrewsbury and Morecambe.

STEVEN WATT

Scottish defender who sealed a move to Blundell Park after impressing on trial during July 2010. A former Chelsea trainee, the 25-year-old can boast Premier League and FA Cup experience during his time at Stamford Bridge.

Steven suffered an injury-hit spell at Swansea but recovered for a successful two-season stint with Ross County, helping the Highlanders to the Scottish FA Cup Final last season, although he missed out on the match. The Aberdeen-born centre half is dominant in the air, a threat from set pieces and has excellent distribution.

STEVEN WATT

MIDFIELDERS

SMICKY CUMMINS

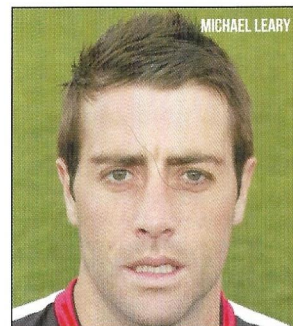

Irish midfielder who joined the Mariners from Rotherham in June 2010 and will be looking to rekindle his partnership with Mark Hudson in the centre of the park. A highly experienced player who has enjoyed successful spells with Port Vale and Darlington, Micky is comfortable on the ball and has good aerial ability. The 32-year-old scored his first goal for the club with a header in the televised victory over the Town in early September.

ROBERT EAGLE

Exciting winger who completed a move to Blundell Park after a successful trial spell in the summer of 2010. A former Norwich trainee, the 23-year-old has Championship games under his belt and enjoyed a successful stint with Inverness prior to joining the Mariners. Eagle has a cultured left foot and his delivery from set pieces is excellent.

MARK HUDSON

All-action midfielder Mark established himself in

MICHAEL LEARY

the Grimsby side towards the end of last season with some impressive displays. A real box-to-box player, the 30-year-old showed his goalscoring prowess in victories over Accrington and Barnet.

MICHAEL LEARY

Tenacious midfielder who joined the Mariners on a free transfer from Barnet in June 2009. The 26-year-old came through the ranks at Kenilworth Road where he gained experience on loan at a number of league clubs. He impressed in two seasons at Underhill with his robust tackling and combative style of play and he adds an extra dimension to the Mariners' midfield.

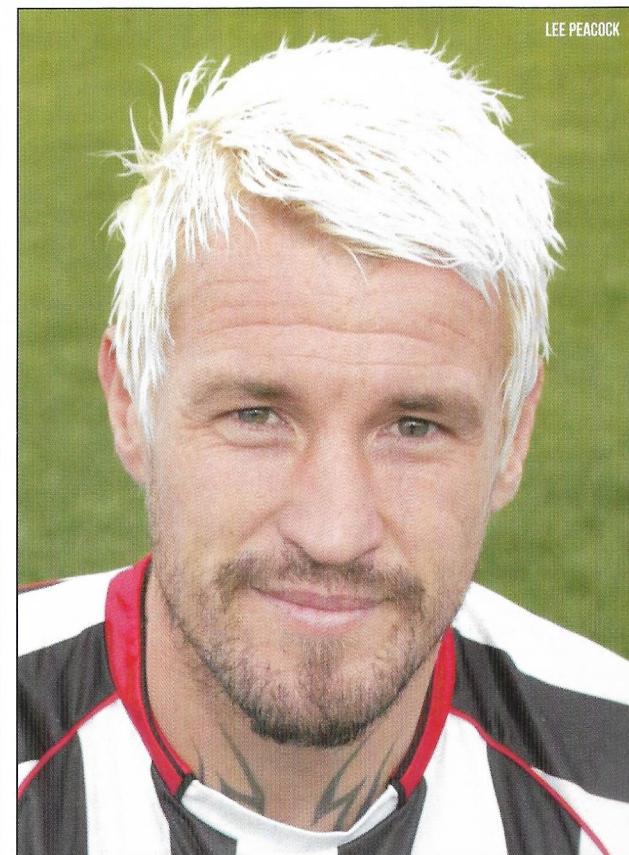

DEAN SINCLAIR

Midfielder who rejoined the Mariners on a permanent basis in November 2010 after recovering from a knee injury. The highly-rated Londoner made his name at Barnet before a big-money move to Charlton, where his spell was marred by injuries. The 26-year-old has previously enjoyed two successful loan spells at Blundell Park where he has impressed with his energy and ability to support the front men.

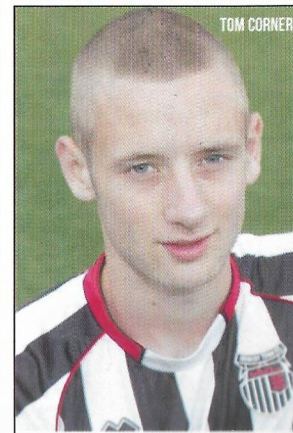

STRIKERS

ALAN CONNELL

Skilful and prolific striker who arrived at Blundell Park from Bournemouth in July 2010. A popular player in two spells at Dean Court, the former Ipswich trainee has won promotion to League 1 on three separate occasions and enjoyed prolific spells with Torquay and Hereford. The 27-year-old has an excellent touch, good distribution and is noted for some spectacular goals.

LEE PEACOCK

TOM CORNER

TOM CORNER

Tall and rangy striker who was handed a deal by manager Neil Woods after impressing for the Youth team as they won the Midland Floodlit Youth Cup last term. The 18-year-old is excellent in the air and has a good touch. Tom is also a confident penalty taker.

LEE PEACOCK

Veteran forward who joined the Mariners from Swindon in January 2010 and immediately endeared himself to the Mariners' faithful with some committed displays towards the end of the season, including netting a brace in a 2-2 with local rivals Lincoln. Equally at home in midfield or attack, the 34-year-old is excellent in the air, highly committed and a tremendous finisher.

COMMERCIAL BREAK

Good evening and welcome back to Kenilworth Road to all supporters and our sponsors and corporate guests to today game with Grimsby Town

As I mentioned in Saturday's programme we have had our foot flat to the floor in the commercial department, taking bookings for corporate hospitality, and I expect that to increase as the season continues. Especially if the team keep performing like have done in recent weeks.

Some of our high-profile fixtures against the likes of AFC Wimbledon, Crawley Rushden and Cambridge have proved to be incredibly popular with match sponsor, ball sponsor and other commercial opportunities snapped up already.

We have also been busy taking enquiries for the kit sponsors - a number of which are still available for players' home and away shirts, including new signing Lloyd Owusu.

Turn to page 19 of today's programme to find out whose shirts are still available to sponsor and remember if you're under 16 and want to sponsor your favourite player's boots then please get in touch.

Once again we have the pleasure of having the continued support of match sponsors and match ball sponsors. I hope you all have an enjoyable afternoon with us.

The games are coming thick and fast with our next game here when we entertain Darlington next Tuesday. I hope to see you all here.

"York will feel that the red card's dictated the way the result went but I thought we were outstanding this evening, it was a top class performance. For sure it's never easy playing against 10 men - we regularly set up exercises like that in training. But we're probably someone's worst nightmare when we have a man advantage because we can pass and move the ball so well."

MATCH REPORT

The Town closed the gap at the top of the Blue Square Bet Premier with a five-star performance against nine-man York.

Five different goalscorers got in on the act against a Minstermen side hampered by the 14th minute dismissal of goalkeeper Michael Ingham.

The visiting goalkeeper upended Claude Gnakpa on the edge of the area and with no substitute stopper on the bench, the first thing captain Chris Smith had to do was pick Andy Drury's freekick out of the net which put the Hatters ahead.

Soon the goals flowed and the Town doubled their lead on 31 minutes when Matthew Barnes-Homer's cross was headed home by Gnakpa.

York looked shellshocked and soon it was three, five minutes later debutant Lloyd Owusu headed home a right-wing corner from Drury at the near post.

Owusu came close to scoring a second four minutes later when a header from a Keith Keane cross flashed just past the post.

As half-time approached the Town would have been happy with three but in first-half stoppage time they grabbed their fourth when a Drury freekick from the right was volleyed home at the back post by Zdenek Kroca.

The Minstermen swapped goalkeepers at half-time with substitute Greg Young taking over from Smith.

George Pilkington's header three minutes after the break almost made it five and on 56 minutes the Town hit the woodwork for the sixth time in four matches when Gnakpa saw a header thunder off the crossbar following another Drury cross.

However the Hatters didn't have long to wait for their fifth of the evening when Barnes-Homer took a pass from Drury to find substitute Taiwo Atieno with a cross that the striker headed past an exposed Young.

Chances dried up as the Town changed things but there was still time for more drama, the visitors' Jonathan Smith became the second player to head for an early bath after picking up a second yellow card with nine minutes left.

POST-MATCH REACTION

Last Tuesday's emphatic destruction of York City was a big result, not just for the nature of the victory but for what it represented at both ends of the pitch.

Another five goals took the Hatters' tally to 13 from six matches so far in January, a statistic that becomes even more impressive when you consider there were two goalless draws in there but more significantly, another clean sheet meant the Town had gone 540 minutes without conceding in 2011.

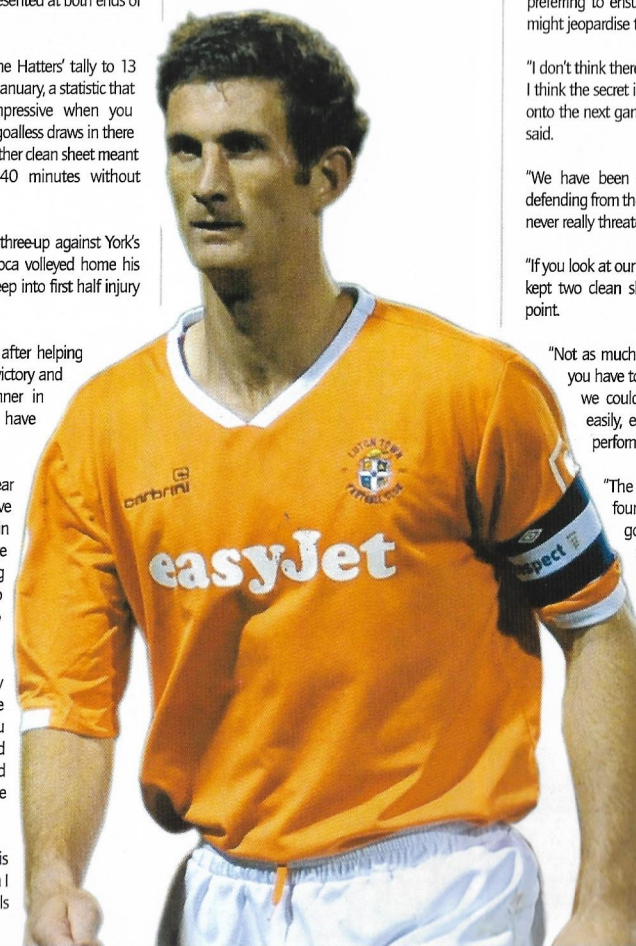

The Hatters were already threeup against York's 10 men when Zdenek Kroca volleyed home his fifth goal of the season deep into first half injury time.

The Czech was delighted after helping the Town on their way to victory and paid tribute to the manner in which his team-mates have started the New Year.

"We have started this year very well, in defence we've played very well," the 6ft 5in defender said. "We know we can score goals but having drawn 0-0 in the last two games we wanted to change it today and it did.

"All the players are in very good form, and not just the starting 11, Godfrey Poku came into the match and played very well, so it's hard to play against us at the moment.

"My only aim here is promotion. I said that when I arrived so when I score goals it is a bonus for me."

Skipper George Pilkington, meanwhile wasn't so forthcoming after the game, superstitiously preferring to ensure he didn't say anything that might jeopardise the current form.

"I don't think there is a secret to our present form; I think the secret is not to talk about it and move onto the next game, we don't want to jinx it," he said.

"We have been a lot more solid as a team defending from the front recently and tonight they never really threatened us.

"If you look at our previous two league games we kept two clean sheets and came away with a point.

"Not as much as we wanted but sometimes you have to take that and on another day we could have won two games quite easily, especially with the second half performance on both those matches.

"The results give you a good foundation to build on and you can go on from that, as we have, and win games. There are a lot of fixtures coming up at home now and were looking to add to the wins tally.

"We are improving as a unit and everyone is pulling in the right direction, all over the pitch. We will keep working hard and get our rest in when we can for the games that are coming up."

"I think today is the first time this season that we haven't produced a level of performances expected. It was a day when too many of our players were not quite at the level, especially our offensive ones and it means we end up with a performance and a result like that. MATCH REPORT

The Hatters came back from two goals down but could not find a winner as they were held to a frustrating draw against Gateshead.

After Danny Crow had missed a great chance to open the scoring after two minutes, the visitors stunned Kenilworth Road by taking a two-goal lead inside the first 16 minutes.

Firstly Michael Liddle's 25-yarder beat Mark Tyler, going in off the post on 10 minutes before Martin Brittain's right-wing cross deflected off Jake Howells and looped home six minutes later.

With three sides of the ground, shocked at the scoreline, the Hatters soon found their feet, Matthew Barnes-Homer coming close to reducing the deficit on 24 minutes when firing at Tim Deasy in the visitors' goal after Lloyd Owusu had flicked-on Claude Gnackpa's cross.

However two minutes later the Tyneiders' lead was halved when Crow finished well from a tight angle after being played by Barnes-Homer's slide rule pass.

Owusu had two half chances to equalise but the visitors were still confident of scoring again and they should have made it 3-1 on 34 minutes when Jon Shaw powered a header wide of the target when left unmarked six yards out.

Off the hook, the Town responded and they found their equaliser on 36 minutes when a Howells freekick eludes everyone in the box and hit the post but Gnackpa was first to react and the Frenchman poked home to make it 2-2.

As the break approached and the Hatters pressed, referee Merchant reduced the visitors to 10 men in first-half stoppage time when showing a second yellow card to captain Ben Clark.

After such a frantic first half the second was anything but. 11 against 10 it may have been but the Tyneiders closed ranks, the Town faced by a nine-man wall of white.

It meant, on a bog of a pitch, the Hatters struggled to find their rhythm and Deasy in the visitors' goal was largely untroubled, despite the Town's dominance.

The hosts came close to snatching all three points in the dying minutes when substitute Taiwo Atieno sent a low shot on the turn past the post with the very last kick of the game.

POST-MATCH REACTION

A tough match with Gateshead was predicted before kick-off and no one was more disappointed than Ed Asafu-Adjaye and Alex Lawless.

The visitors were ahead with just 16 minutes on the clock and it was something of a shock for the side who hadn't conceded in their previous six matches.

"There were two deflections for both the goals, it was sort of one of those things," said defender Asafu-Adjaye.

"When the second one went in we thought it's not really our day, but the lads did well to bring it back to 2-2, even at 2-2 there was a feeling that we could still kick on from there and push on but it wasn't to be.

"When the visitors were reduced to 10 men on the stroke of half time it made life even harder for the Hatters, with Gateshead opting for the defensive approach.

"You have to give a lot of credit to them, they worked very hard and made it very difficult for us," continued the young right-back.

"They didn't give up and even with 10 men they still pushed for the winner.

"It was the second game in succession that the

Hatters have played against 10 men and Lawless admitted it hampered their game this time around.

Tuesday against York when they had 10 men because obviously you could see how tough it was when they put a wall up," he said afterwards.

"I think today the way we came back to 2-2 and we had the momentum and to be honest I think the red card changed their tactics and if they had stayed the same, I think it would probably have been easier.

"You can't win every game and we were 2-0 down. Obviously with the game the way it went we think we should have won that in the end but I think and like the gaffer said to us, it's all about Tuesday now.

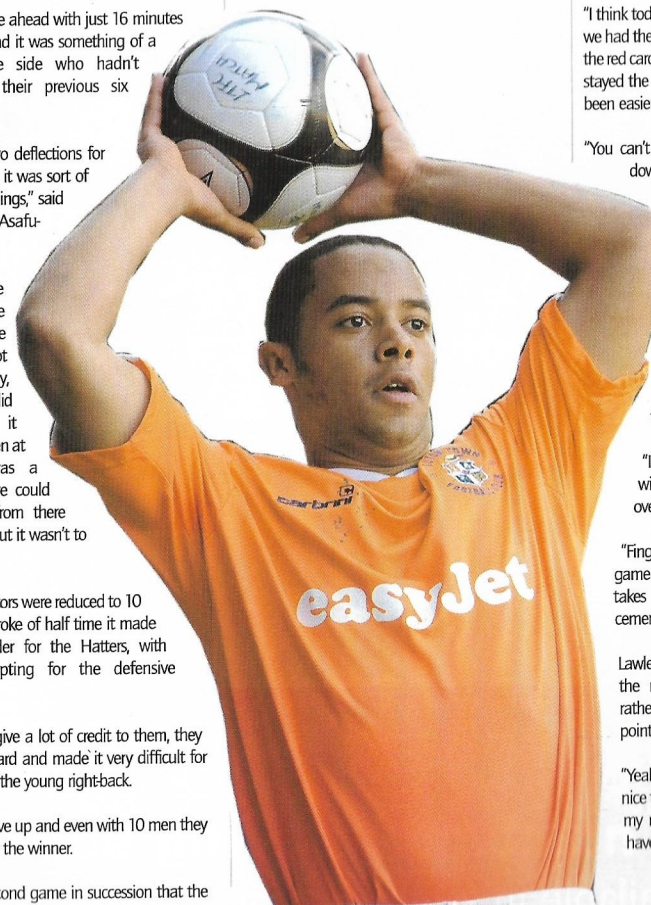

"Another home game follows against Grimsby tonight and one man hoping he did enough to impress on Saturday is Asafu-Adjaye who made just his first league start of the campaign.

"It's another big game on Tuesday we will be working hard and preparing well over the weekend and Monday.

"Fingers crossed I'll get myself another game on Tuesday and we will see where it takes me from there and hopefully I can cement a place."

Lawless meanwhile was chuffed to pick up the man-of-the-match award but would rather have been celebrating with three points.

"Yeah without a doubt, I mean it's always nice to win awards but it's the last thing on my mind at the minute I just we would have won."

INVESTOR IN PEOPLE

LIVE ONLINE

Hatters Player subscribers have had plenty to sit back and watch over the past seven days.

Win, lose or draw Hatters Player is there to get the reaction and Richard Money spoke to the cameras giving subscribers his account in the wake of the games with York and Gateshead.

After the win over the Minstermen the boss told Player he thought his side were "top class" in their destruction of the visitors, putting five goals without reply past two different goalkeepers who were both outfield players.

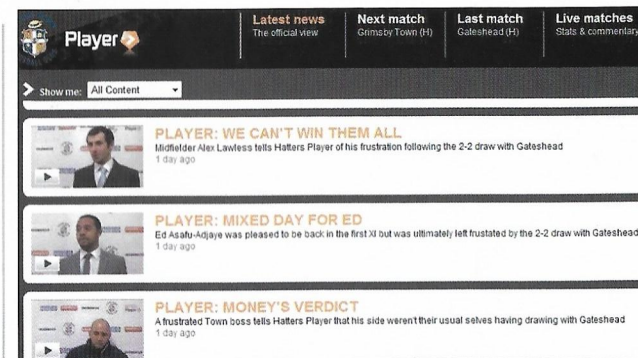

Five different players hit the target including Zdenek Kroca with a fantastic volley at the backpost to make it 4-0.

It was the big Czech's fifth goal of the season but, keeping his feet firmly on the floor, it's promotion and not individual headlines the defender wants.

Player also spoke to Kroca's partner in crime at the back, captain George Pilkington, who believed the 5-0 victory sent out a massive message to the rest of the league.

Debut boy Lloyd Owusu was another on target and you can find an exclusive interview with the striker on pages 32 and 33.

We were back at Kenilworth Road on Saturday when Gateshead were the visitors. Racing into

a 2-0 lead the Tynesiders were eventually pegged back but the Hatters were unable to find a winner and it ended all square.

Money admitted for the first time in a while that his offensive players failed to click into gear on a difficult pitch against a Gateshead side defending for their lives following the dismissal of their captain Ben Clark on the stroke of half-time.

The game also marked the first league start of the season for Ed Asafu-Adjaye and it was a mixed day for the defender, who was pleased to start but was disappointed the side could not earn all three points.

Midfielder Alex Lawless was named man-of-the-match by the sponsors but the former York man naturally wanted to swap the individual honours for the victory against Ian Bogie's side.

Hatters Player subscribers also got to see exclusive highlights of both games and all nine goals.

Remember after tonight's game you can get all the coverage on the official website with interviews and exclusive match highlights.

If you can't get to a game, home or away, www.lutontown.co.uk has it covered.

The Hatters' official website will provide you with the players' and management's pregame views and post-match reaction, photographs, commentary, text commentary, news and plenty more.

For just £3.99 for the month you can watch and listen to all the exclusive content from Kenilworth Road on Player so check out www.hattersplayer.co.uk for all the latest exclusive video content online and give it a try.

It promises to be an exciting end to the season and with plenty of points to play for in the race for the title look no further than a subscription to Hatters Player to get closer to the action. Log on www.hattersplayer.co.uk to find out more.

RAISING THE ROOF

NEW SIGNING LLOYD OWUSU WANTS TO GET HIS GROOVE BACK WITH THE HATTERS

When a player hasn't played a competitive game for 11 months you'd think the last thing he would want would be to play a leading role in a crucial Blue Square Bet Premier against a side who had beaten your new club in the Play-Off semi-finals last season.

But, for new signing Lloyd Owusu that's exactly what he had to do, and just an hour and three-quarters after meeting his new team-mates for the first time he was thrust into the Hatters'

starting XI to face York City at Kenilworth Road.

Better still, 35 minutes later and with his new club already 2-0 to the good, he celebrated his whirlwind debut with a goal, heading home Andy Drury's right wing corner.

"I'm very happy, it's good to be back and I'm pleased to have capped my debut with goal," the 34-year-old grinned after the 5-0 victory

over the Minstermen.

For the Slough-born Ghana International, joining the Hatters' push for promotion is a welcome relief after what he describes as a "nightmare" Down Under with Adelaide United.

The forward contracted swine flu and pneumonia and that only tells half of a story that promised so much on his arrival.

"It's been a bit of a nightmare 18 months," he tells Talk of the Town. "It was very up and down. I got swine flu and pneumonia which knocked me for six."

"The manager there threw me in at the deep end and I scored on my debut but six games later I was told I wasn't in his plans."

"So there I was seven games into a two-year contract and not wanted by the manager so I had to look elsewhere."

"I went to China but nothing really worked out so I was back at Adelaide but I kept my spirits up, stayed positive and helped along some of the young players there. I've never been a bad egg wherever I've played but I knew I had to leave because I want what's best for Lloyd Owusu."

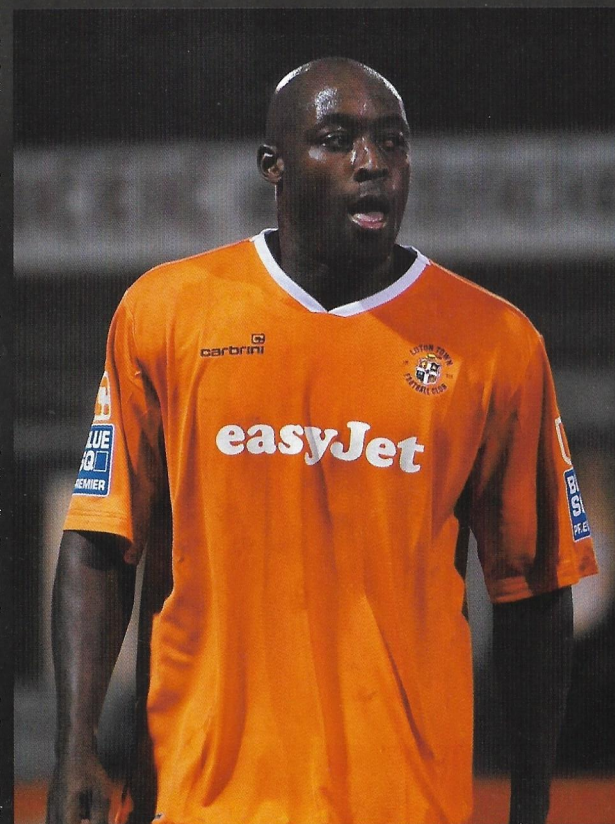

The striker is of course no stranger to Town fans or the English game: 144 goals in 350 starts in the Football League took him from Slough Town in the Conference all the way to the Championship with Sheffield Wednesday via two prolific spells with Brentford.

Throw in short stints at Cheltenham and Brighton – as recently as 2009 – and you get the picture.

"I had a fantastic spells at Brighton," he says. "We were facing relegation and I scored seven goals in 14 games and we stayed up which was brilliant. I was hoping they would offer me a two-year contract because I felt I deserved it. But I was only offered one – then came the opportunity to go to Australia and I thought 'let's try something different'."

Now he's back where it all started with Slough in the top flight of non-league football.

"It seems so long ago!" he jokes. "I'm back in the Conference but it doesn't matter to me. I'm glad I'm playing and I'm lucky a club like Luton showed an interest in me. This is a club back on the way up. We've got a good chance of winning promotion and if we do then we'll see what happens."

“ I WAS PLEASED WITH THE HEADER AND I LOVE DELIVERY IN THE BOX, I CALL IT FOOD IN THE BOX ”

"But the Conference has changed massively since those days. There's 10-15 former Football League clubs with some very good teams so it's thriving."

His goalscoring record has been impressive wherever he's played and that's one thing the striker is proud to talk up.

"I'm a goalscorer and I'm not being big headed because my record speaks for itself," he says.

"I am older now, I bring a wealth of experience and I work hard and I know the fans always appreciate a trier."

His goal against York was typical Owusu – a thumping header at the near-post. With Drury supplying the cross, the new man believes that

combination could be key to his and the Hatters success for the remainder of this season.

"I was pleased with the header and I love delivery in the box, I call it food in the box," he explains. "I believe in Drury's ability to deliver a good cross or set-piece and I hope that continue for the rest of the season."

And, of course, no Owusu goal is complete without the obligatory celebration – as those Hatters fans saw – and partook in – moments after his goal against York.

"I love raising the roof!" he says, smiling. "It's been a while...not since 2009 but it's a little thing I do to involve the crowd and get them participating. At the end of the day they pay our wages and we have to respect them, especially here because the support is brilliant."

Although he was the first to admit he was a bit rusty – he left the field to a standing ovation an hour into his debut – Owusu believes his introduction to acupuncture and yoga whilst in Australia has helped him in his quest for superior fitness.

"I learned a lot Down Under," he said. "It was a good insight and I wish I knew about it when I was younger. It keeps you supple and fitter and helped me tick along."

"I just love the game, I want to keep playing and I fully believe in looking after your body: eating properly, training properly and resting and recuperating."

"I hope it helps me tick along for many more years to come."

"And who knows, once I get back to full fitness and continue to score goals they'll be some new dance moves to show when I get back in the groove."

NUMBERS GAME

6 The number of matches previously played at Kenilworth Road on this date. The Hatters have won all of these fixtures scoring 12 goals and conceding just one.

3 The most common scoreline, 1-0, has happened on three different occasions and the first of these was in 1930 against Boumemouth in a Division Three (South) fixture. Jimmy Yardley scored the only goal of the game.

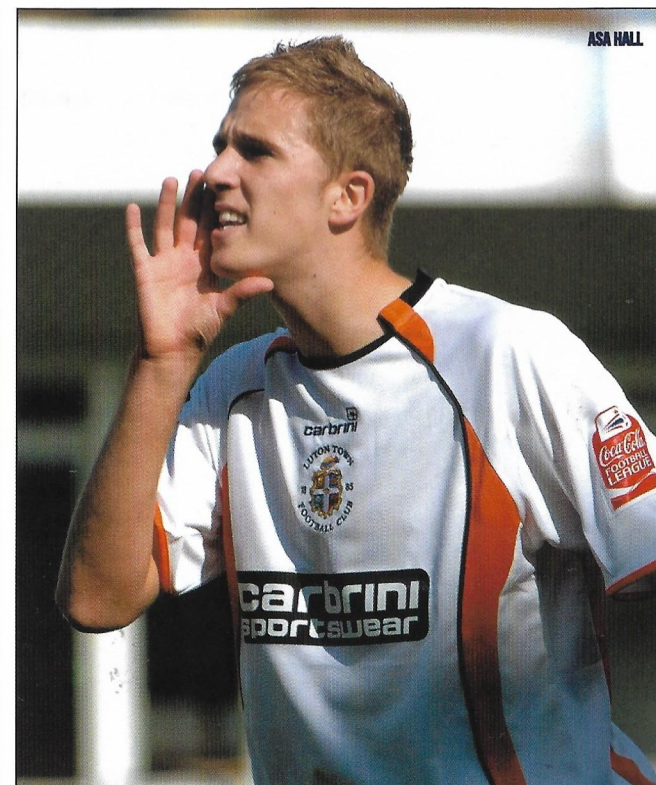

2 There have been two FA Cup fourth round fixtures previously on this date, with Luton beating Swansea Town 2-0 in 1947 and Bristol Rovers 4-0 in 1986. Mel Daniel and an Swansea own goal settled the first tie, whilst Ricky Hill, Mick Harford, Marc North and another own goal gave the Hatters a comfortable victory against Rovers. The attendance against Swansea, of 24,327, was the highest on this date at Kenilworth Road.

3 It was all the threes in 1964 as Luton scored three goals in a Division Three match against Colchester United. Harry Walden and John O'Rourke both scored with Gordon Turner also converting a penalty for the Hatters. This game ended a run of four League matches where the Hatters had conceded three goals.

1 A solitary goal decided the game against Walsall in 1969 as Bruce Riach scored for the Hatters, and the same scoreline was repeated in 2003 when Matthew Spring netted against Wycombe Wanderers.

19 The number of games against Grimsby previously played at Kenilworth Road. Luton have won six, drawn six with the visitors winning five times. The Hatters have scored 33 goals whilst the Mariners have netted 26 goals.

6 The biggest margin of victory came on 17th November 1981 when the Hatters

ASA HALL

netted six times without reply. Lil Fuccillo opened the scoring before David Moss added a second from the penalty spot after Brian Stein was fouled. Steve White netted before half time to make it 3-0, before then netting a further three goals in a 15 minute spell after the break.

2 It's two seasons since Hatters have met the Mariners at Kenilworth Road, when the Town won 2-1. Ryan Bennett had opened the scoring for the visitors just before half time,

but almost immediately Mark Bower, on-loan from Bradford, netted the equaliser with his only goal for Luton. Asa Hall scored a late winner to secure three points for Luton. The attendance for this game was 5,830, which was just three more than for the previous meeting in August 2003. In November 1994 the attendance was 5,839, and coincidentally all three games have ended 2-1, albeit the other two were victories for Grimsby.

THE RELUCTANT GOALKEEPER

ROGER WASH LOOKS BACK ON THE CAREER OF ENGLAND INTERNATIONAL GOALKEEPER RON BAYNHAM

For most Hatters supporters of a certain age, memories of Kenilworth Road in the 1950s conjure up the likes of Stanley Matthews, Nat Lofthouse and Tom Finney bearing down on the Luton goal where a tall, strong and athletic goalkeeper was there to see off their efforts.

Ron Baynham was the goalkeeper whose name was on everyone's lips as he formed the

last line of defence behind an accomplished side that more than held its own in the top flight of English football.

Yet Birmingham-born Baynham may not have enjoyed his long career between the sticks if he had followed his first instincts which were to play cricket.

"I was cricket daft and until I left school had probably not kicked a 'competitive' football more than twice," recalled Baynham. "My brother organised a local side and I was dumped in goal which was thought of as the best place for someone who had never played."

Baynham stayed in goal and whilst in the army was spotted by a Wolves scout who offered

him a trial at Molineux.

"I turned it down because I did not think I was good enough and on leaving the army joined Worcester City in the Southern League," Baynham said.

Two years later he was offered another trial, this time at Kenilworth Road, and was now more confident in his abilities and was ready for the step-up and signed on in November 1951 in exchange for £1,000.

Up until the previous summer the Hatters had the luxury of two international goalkeepers on their books in Bernard Streten, who had earned a solitary England cap in 1949, and Iorwerth Hughes who won four Welsh caps in 1950/51.

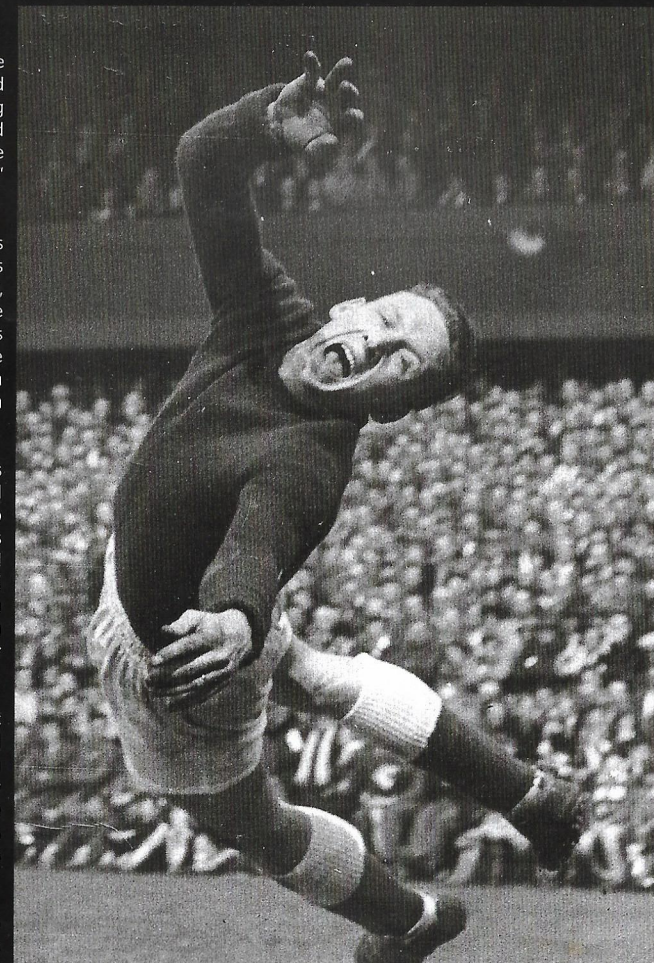

As a Division Two side at the time the Town could not hope to keep both happy so reluctantly allowed Hughes to move on. Baynham was therefore seen as Streten's understudy.

Ron was content to continue to learn his trade but within a year was contesting the number one spot with Streten, although it was not until 1957 that the pupil made the position his own.

The Hatters won promotion to the old Division One in 1955 and during the following autumn Baynham was capped for his country as England thrashed Denmark 5-1 in Copenhagen.

Two more caps swiftly followed as England beat Northern Ireland 3-0 and Spain 4-1 at Wembley before he was strangely overlooked in favour of Reg Matthews of Third Division Coventry.

Asked whether he considered winning an

“ THE FA CUP FINAL WAS A TREMENDOUS HIGHLIGHT EVEN THOUGH IT WAS THE BIGGEST DISAPPOINTMENT OF MY CAREER ”

England cap or appearing for the Hatters in the 1959 FA Cup final was his biggest achievement Ron replied: "Both were tremendous highlights but I rated Wembley for the Cup Final, even though it bought me the biggest disappointment of my career when we lost to Nottingham Forest. Sadly, the team that day did not play like the team I knew."

The Cup Final was the pinnacle of the playing careers of Ron and a great number of the 1959 squad, as they had all grown old together, and within twelve months they were part of the gradual decline of the club as it drifted down to Division Four.

Ron stayed on but should have quit in September 1960 when he fractured his skull during a home game against Sheffield United.

He came back five months later but by this time the Town had signed Jim Standen and he had to share the goalkeeping duties with the ex-Arsenal man and even resorted to playing one game at centre-forward which was not a great success.

As the Town slipped further down the divisions, Standen was transferred to West Ham leaving the way open to Baynham once more and in 1965 he pulled on a goalkeeper's jersey for the last time after being forced to play in a reserve game whilst injured.

A piece of Ron's pelvic structure had been pulled away by torn muscles and tendons and he was lucky not

to be left crippled. Needless to say he was not happy.

Ron worked as a painter and decorator, as well as at Luton Airport, for some years and is now living in retirement.

He was a welcome guest of the Hatters recently as the club celebrated its 125th birthday and proved the life and soul of the party!

KIT PARADE

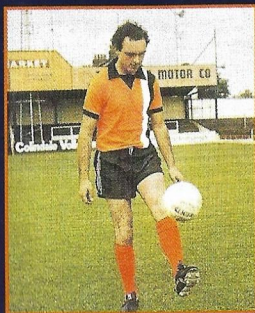

Nothing pulls on the heartstrings like an old Hatter's playing strip...

HOME 1973/74

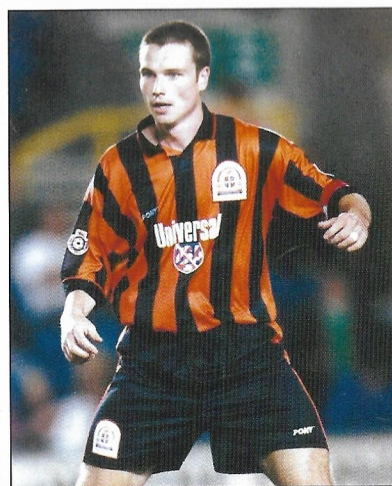

Another one season wonder in the history of the Hatters' strip is the home kit from 1973/74, and a significant one at that because it was the first time the Town had worn orange as their first choice colours.

It consisted of a predominately orange shirt with white and navy blue vertical bands down the left hand side of the shirt.

The look was completed with navy blue shorts with white trim and orange socks. It was so much of a success the look continued for a further five seasons and still has its admirers today.

HATTERS HEROES

We stick a random pin into club historian Roger Wash's excellent book *Hatters Heroes* and focus on a player who has featured for the Hatters in the past 125 years

Stephen (Steve) Mark DAVIS

Although coming from the North-East, Steve was a junior at Southampton but found first team opportunities hard to come by at the Dell so accepted a £60,000 move to Burnley in 1991 where he became a crowd favourite, helping the Claretts to successive promotions.

A £750,000 cheque took him to Kenilworth Road in 1995 where his astute reading of the game and power in both penalty areas made him indispensable in over three seasons with the Town.

An £800,000 bid from Burnley and the player's desire to return, saw Steve move back to Turf Moor in December 1998.

After a spell at Blackpool, Steve became first team coach at Burnley before following Owen Coyle to Bolton Wanderers last year.

BEHIND THE SCENES

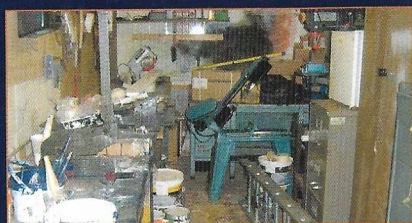

We take a sneak peek around Kenilworth Road to some of the places you don't get to see...

MAINTENANCE ROOM

Located tucked away underneath the Kenilworth Road stand, the maintenance room is full of drills, paint pots and vices, all used in one way or

another to fix or amend areas of the stadium.

It might not be the largest of rooms, but it allows stadium manager Peter Kemp and his helpers to carry out all the necessary jobs to ensure the stadium is safe for us to watch from.

COVER STORY

● DWIGHT MARSHALL SKINS EX-HATTER JOHN DREYER BEFORE SCORING IN A TELEVISED 2-1 WIN AT STOKE IN 1994

Although born in Jamaica, Dwight moved to England as a youngster and played his early football in London.

It was while playing in a game for Holloway schools that the referee, of all people, recommended him to Hampton and from there he moved on through the London non-League circles turning out for Leyton-Wingate, Kingsbury and finally Hayes.

By now the chances of an opening in the Football League seemed to have passed 25-year-old Dwight by and he had settled down to a job as an administrator in Local Government. Out of the blue came an invitation for a trial at Crystal Palace and, although he felt he did well, nothing came of it but Palace's coach Wally

Downes recommended Dwight to Plymouth manager David Kemp.

Despite some misgivings, Dwight signed for Argyle and after netting on his League debut he finished as top scorer in his first season at Home Park.

Lightning quick with a powerful shot in both feet, Dwight soon had the scouts circling, with the Hatters winning the battle when paying £150,000 for his services in the summer of 1994.

Dwight was a revelation in his first season at Kenilworth Road, linking well with Kerry Dixon and later John Taylor and finishing top scorer.

Sadly, in his second season he suffered a badly broken ankle at Sunderland and most Luton supporters agreed that if he had remained uninjured the Town would not have suffered the drop to the third tier of English football at the end of the campaign.

Dwight was never quite the same after his injury and eventually returned to Plymouth before joining Kingstonsian with whom he played against the Town in an FA Cup tie in 1999.

Since then he turned out for Slough and Aylesbury before hanging up his boots and taking a job in financial services.

AGAINST THE ODDS

● **WATFORD 1-2 LUTON TOWN. WORTHINGTON CUP FIRST ROUND, 10TH SEPTEMBER 2002**

When the draw was made for the first round of the Worthington Cup, before the season started, immediate decisions were taken to make the match all-ticket which seemed a little over the top to all those football supporters away from the environs of Beds and Herts.

This was to be the first meeting of the sides since 1998 and with previous clashes being a tad tribal, the Hatters fresh from a record breaking season and Watford anxious to beat their neighbours at Vicarage Road for the first time in 15 years, the allticket billing seemed eminently sensible.

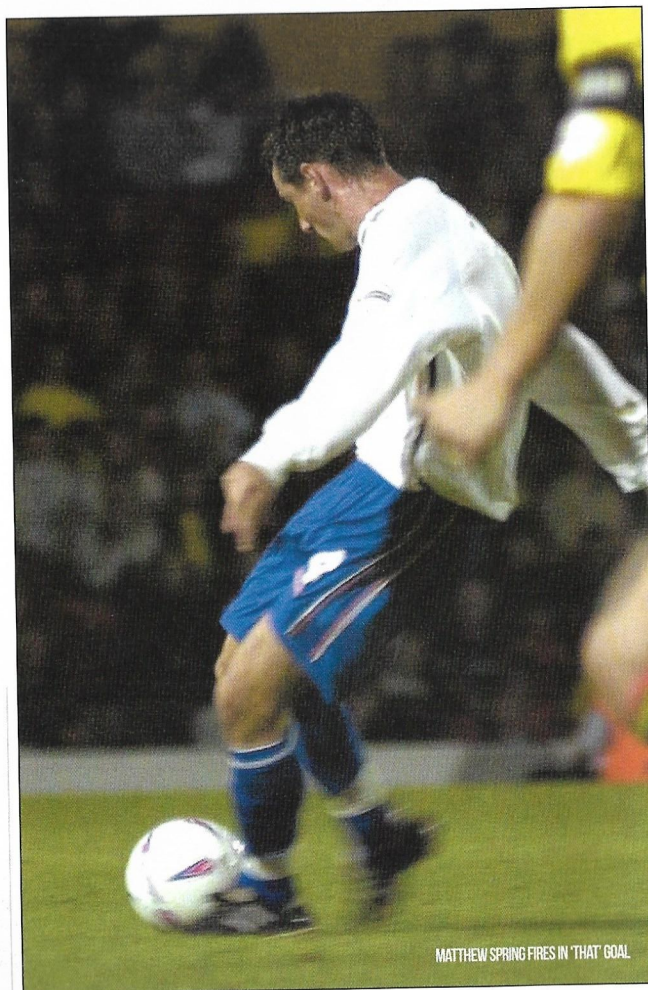

Neither side had started the league season well but all this was forgotten as 4,500 Luton supporters swelled the Vicarage Road attendance to over 14,000.

Crowd problems before the start delayed the kickoff by 15 minutes but by then the atmosphere had been whipped up and the Hatters clattered into a few tackles to let the opposition know they were there.

The first chance of the evening fell to Steve Howard who had been brilliantly set up by Kevin Nicholls but the big forward dragged his shot wide.

Watford then came more into it and Carl Emberson, in the Luton goal deputising for loanee Ben Roberts, who was not allowed to be captied by his club Charlton, had to be alert to a long range shot from Jamie Hand.

The breakthrough came on 31 minutes, and what a goal it was. Taking a Howard pass in his stride, Matthew Spring pressed forward and unleashed a thunderbolt from 35 yards which flew past ex-Hatter Alec Chamberlain in the Watford goal into the top corner.

MATTHEW SPRING FIRES IN 'THAT' GOAL

Buoyed by this strike, the Town pressed forward and doubled their lead 10 minutes later. Spring threaded through a perfect pass to Howard who, taking advantage of a moment's hesitancy by central defender and another ex-Hatter Sean Dyche, shot low and hard past Chamberlain.

Watford gambled after the interval by bringing on young winger Anthony McNamee and effectively playing with four up front.

McNamee saw plenty of the ball but was unable to get his crosses any further than the

near post leaving the Watford forwards increasingly frustrated. The Hornets eventually pulled a goal back when Dominic Foley headed in a Micah Hyde cross with 15 minutes left.

This set up a frantic finale but the Luton defence held firm and the last chance of the game fell to Howard who saw his shot well saved by Chamberlain.

Afterwards Luton manager Joe Kinnear said: "I was brought up in Watford, played for Watford boys and my mother and sister still live here. I am going round to see my mother now and she

will probably give me a clip around the ear and not talk to me for a week!"

Luton Town: Emberson, Boyce, Davis, Spring, Perrett, Bayliss, Nicholls, Brkovic (Robinson), Howard, Crowe, Hughes (Neilson).

Watford: Chamberlain, Ardley, Robinson, Dooley, Dyche, Cox, Hyde, Hand (Norville), Foley, Smith, Glass (McNamee).

LUTON IN HARMONY

Tonight Luton Town Football Club is proud to welcome Luton in Harmony to Kenilworth Road, and to wish the campaign a very happy first birthday.

Luton in Harmony is aimed at drawing our communities together, challenging extremist ideology wherever it comes from, uniting our town and celebrating its diversity.

Luton has lately been the centre of some negative publicity in the news, but Luton in Harmony aims to highlight the positive aspects of the town and as a club we are delighted to work with an initiative that celebrates all that is good in this fantastic community.

The Club fully supports the campaign, and on the pitch tonight you will see the first team squad proudly wearing the Luton in Harmony colour purple for a pre-match photograph. Please also welcome pupils from Hillborough Junior School - representing the seven languages spoken in the school - as our guests tonight.

Luton in Harmony celebrates its first birthday with a 'turn the town purple' carnival procession to the Town Hall on Saturday 29th January.

Tonight, the directors will sign the campaign

pledge to demonstrate the Club's commitment to the town's vibrant and colourful past, present and future, which our football club is very much a part of.

The campaign encourages people to sign the pledge and to wear its official badge - so far over 13,000 have signed up and 60,000 badges have been distributed to people from all ages and backgrounds.

The Luton in Harmony pledge:

Luton in Harmony is about promoting understanding within our communities. We want to celebrate our diversity and secure Luton a positive reputation on the national and international stage.

I pledge to play my part in making Luton a town to be proud of.

Because prejudice and hatred harm us all:

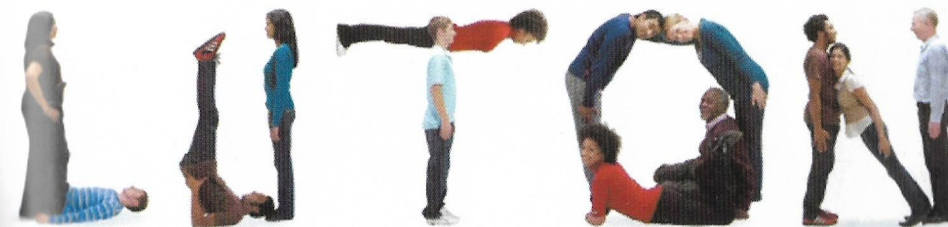

I will wear the Luton in Harmony badge with pride and tell people I mean what it means

I will make friends with people from different backgrounds and life experiences and learn about their values

I will make friends with people from different backgrounds and life experiences and learn about their values

I will promote my beliefs in a spirit of peace and harmony and encourage everyone I know to do the same

LUTON LADIES

Both of the Ladies sides were in cup action this week with the first-team meeting Leighton United in the quarter-final of the Beds County Cup.

There were no surprises as Town overcame a spirited United performance with a comfortable 6-0 victory.

Jess McKay opened the scoring with a low drive in the second minute before Jody Lapish headed the second from a corner in the seven minutes later.

Candice Davies converted a Rebecca Kane through ball and Lapish added her second with a strong run and low shot just before the break.

Davies made it 5-0 with her second after 47 minutes with Nicola Henman completing the

scoring with a surging run and a 25-yard strike into the bottom corner. Lapish missed out on her hat-trick when she pulled a late penalty wide of the post.

Worthy of special mention was the superb performance by the Foxes' goalkeeper who pulled off some excellent stops albeit in an unorthodox manner on occasions.

The reserves moved into the last 16 of the Greater London Womens' League Cup sweeping aside Brentford 5-0.

Millie Glean opened the scoring with a thunderous free-kick from 35 yards which flew into the roof of the net to make it 1-0 and then added her second, following up to convert a rebound from her own penalty which the Bees goalkeeper had initially beaten away.

Glean was again involved in the third goal threading a fine through ball into the path of Laura Day and she found the top corner with a crashing shot to round off a fine first-half performance.

With a last 16 place assured, the Town turned on the style after the break and added a fourth goal when a flowing move down the flank was crossed into the area by Day and headed powerfully into the net by Claire Howe.

Day completed the rout, spinning off her marker before beating two covering defenders and slotting the ball under the keeper to make it 5-0. The first-team now face the Eastern Region Premier League pacesetters Bedford in the semi-final.

YOUTH UPDATE

MATCH DIGEST

Fixture: Peterborough United
Competition: Youth Alliance **Result:** 0-1

Team: Fordha, Lacey, Carney, Deeney, Jibidu, Patrick, Mirzai (sub Cain), Tavernier, Ann, DaSilva, Toomey (sub McAdams). **Subs not used:** Blake, Longden, Kaddu.

Coach's comments: "Considering it was our first match for two-and-a-half months there were no signs of rustiness in our play despite the result.

"Peterborough were the first team to beat league leaders Queens Park Ranger the previous Saturday so we knew we had a tough ask against a side we drew against earlier in the season.

"We played with a good tempo and pressed well without the ball but spurned a number of decent opportunities.

"However we were flattened by a strange goal. Their right winger sent in a high cross which was carried in the wind and the ball landed up in the back of the net.

"The lads' heads didn't drop but despite Alasan Ann, Jordan Patrick having chances we couldn't force an equaliser.

"Overall we played well but at the end of the day it's another defeat to add to the results. We seem to have a bad habit of playing well but not getting the result.

"The players need to learn how to grind out results like Peterborough did."

LEAGUE ROUND-UP

ROBBIE WILMOTT

TWO CLUBS DOCKED POINTS

Histon and Kidderminster Harriers have both been docked five points by the Football Conference after being found guilty of submitting misleading financial information.

The deductions meant that Kidderminster dropped from sixth place to ninth, while Histon are left further adrift at the foot of the table. The clubs were also fined £5,000 apiece.

HARRIERS TRANSFER LIST MCPHEE

Kidderminster have made star midfielder Chris McPhee available for transfer. The 29-year-old has scored nine goals this season, but the club has decided to cash in on the player following the departure of investor David Reynolds. McPhee joined the club in February 2009, and has gone on to make 79 league appearances and score 22 goals.

ROVERS SIGN TWO

A busy week at the New Lawn has seen Forest Green Rovers sign two new players. Former Crawley striker Liam Enver-Marum joins until the end of the season and Jacob Erskine signs on a

non-contract basis. 22-year-old Erskine has already turned out for 11 clubs in his short career to date.

PRICE ISN'T RIGHT FOR WILMOTT

Cambridge United have rejected a five-figure offer for star winger Robbie Wilmott. With nine goals in 25 appearances, the 20-year-old has emerged as one of the Blue Square Bet Premier's hottest properties. But U's manager Martin Ling says the youngster isn't going anywhere until his valuation is met, despite the club currently being up for sale.

LOSING START FOR HARRIS

Newport County's caretaker manager Tim Harris oversaw a disappointing 3-1 defeat at home to Rushden & Diamonds in his first game in charge. It leaves the Exiles without a win so far this year.

Elsewhere AFC Wimbledon demolished Southport in a 5-0 rout to return to the top of the table at the expense of Crawley, who were held away at Grimsby.

In-form Wrexham won 3-1 away at Cambridge to improve their Play-Off credentials, whilst at the foot of the table Histon lost narrowly away to Mansfield and Altrincham shipped three goals at home to Bath.

LUTON
BOROUGH COUNCIL

LUTON

Good evening and welcome to hopefully another game full of goals. The study centre had lots of pupils attending the York game last week, which we all thoroughly enjoyed.

Alongside our study programmes we run a behaviour incentive programme. Across their time with us pupils can gain points for various different reasons, and we all know what points mean - prizes!

We run the league just like a football league. Pupils gain three, one or no points depending on four different sections.

Attendance - If pupils attend they will get three points. If they miss the session for a genuine reason, i.e. they are sick or have a dentist appointment then they receive one point. If they don't attend because they want to go and play in the park or for no specific reason then pupils will get none.

Work - If pupils complete a great piece of work or it shows that they have tried very hard then they will receive three points. If a pupil doesn't complete a piece of work but it shows that they have tried hard, or if a piece is complete but it is clear they haven't tried to their best ability then pupils will receive one point.

If work is incomplete and it is obvious a pupil could have completed the work and it is through lack of effort, then no points are awarded.

Behaviour - If pupils behave for the whole session without any yellow/red card warnings then they will earn three points for this section.

Special points - If pupils do something extra special, like great team work, help an adult out, or support a friend, then an adult gives out extra points.

At the end of each week the staff at the study centre updates the league table with the new points.

Pupils love to receive points and each week when they arrive they are always keen to see who is the top of the league that week.

At the end of the pupils time at the centre, those children in the top three spots receive extra

prizes for being in the promotion positions.

This gives pupils an extra sense of competition and achievement while they are with us and often gives pupils that are low on confidence that extra boost.

LAST WORD

● WITH STUART HAMMONDS, REPORTER ON THE NON-LEAGUE PAPER

The policy Richard Money seems to have adopted this season in predominantly signing players who have vast experience at Blue Square Bet Premier level is a wise one.

It will soon be the 11th anniversary of my joining The Non-League Paper, and all 19 sides that have been promoted to the Football League in that time have had a core of key men that know the scene.

Even if I take only the last four champions, the spine of each side had hundreds of games between in the top-flight of Non-League football.

Dagenham & Redbridge's side was built around Tony Roberts, Anwar Uddin, Glen Southam, Paul Benson and Ben Strevens – a title winner previously with Barnet.

Aldershot Town had Nikki Bull in goal, Anthony Charles – also a member of that 2005 Barnet team – at the back, Lewis Chalmers in midfield and John Grant up front.

Burton had oneclub stalwarts Darren Stride and Aaron Webster alongside Tony James and John McGrath – two players who had starred

for Hereford and Dagenham in playoff campaigns.

And last year, Stevenage took the honours thanks in the main to big Jon Ashton and Ronnie Henry at the back, Michael Bostwick in midfield and Chris Beardsley, Yemi Odubade and Charlie Griffin up front.

Oh, and a certain Andy Drury, whose close-season steal really made me sit up and think Money had worked out what it would take to get out of this division, aided in no small part by Conference veteran Gary Brabin's in-house arrival as assistant.

I'd seen Brabs on my travels last season when he was acting as Richard's chief scout, notably at Kidderminster v Stevenage in the FA Trophy semi-final – Drury impressed everyone that day – and at Cambridge, where he would have had all he already knew about Dan Gleeson and Danny Crow reaffirmed.

It's not that players who have been in the League all their careers can't adapt to this level. Mark Tyler, George Pilkington, Claude Gnaka and homegrown products Keith Keane and Jake Howells are evidence of that.

But the Non-League regulars I've mentioned above are used to the stigma that has long been attached to life outside the elite 92. They know what it's like to play in front of 250 at Hayes & Yeading, and to face the gale blowing across the Gateshead running track.

The addition of other seasoned Non-League campaigners as the months have passed, like Taiwo Atieno, Amari Morgan-Smith, Alex Lawless, Jason Walker and Charlie Henry, have only strengthened my belief that Money has the right mix.

Only problem is that Steve Evans has had the same idea at Crawley.

League captures Michel Kuipers and Pablo Mills are important to them, but Matt Tubbs, Kyle McFadzean, Craig McAllister and Scott Neilson – lads bred in the grass-roots – have been his best signings.

The title race will, I am sure, come down to a shootout between the Hatters and Crawley. That's why I've got Tuesday, April 12 penned in as potentially the most important night of the BSBP season.
