

Second string Luton see off Supermarine

LUTON Town manager Gary Brabin was satisfied with his side after they eventually saw off a determined Swindon Supermarine side.

Hatters made hard work of their Evo-Stik Southern League Premier Division opponents but goals from Stuart Fleetwood and Tommy Wright saw the home side through.

Brabin said: "I'm pleased with it. I thought it was a good performance, and a good chance to blood some of the youngsters and get a win under our belt.

"I thought JP Kissock had arguably his best game for us from the start and Adam Watkins gets better and better for us.

"We've had to be fair to people, give them minutes on the pitch and I'm delighted they've all got that."

There was precious little action in the first half as Town, who made eight changes, but still picked a vastly experienced side,

barely tested James Rea.

It was something of a surprise when they went ahead on 38 minutes when Fleetwood scored from a John Paul Kissock corner-kick.

The second period was largely dominated by Swindon. Ashley Edenborough missed two glorious chances and was denied again by a superb Mark Tyler save.

Swindon were punished when JJ O'Donnell crossed for Wright to send a looping header into the net, and the visitors had Sean Wood sent off for two bookings.

Marine skipper Dave Bampton said: "We're disappointed but overall I think the lads can hold their heads up high.

"We matched them for long periods of the game."
