## WELCOME TO PARK VIEW ROAD

Once again the players have bounced back from defeat with two wins and two clean sheets. Victory against Lincoln City last week has enabled us to at least put the Skrill Premier on the back burner and enjoy our first appearance in the FA Cup with Budweiser first round since losing at Huddersfield Town in 2005. While they may be in our league, we still face a massive club this afternoon as we welcome the players, officials and supporters of Luton Town Football Club to Park View Road. We did meet the Hatters in the FA Trophy three seasons ago when we were within nine minutes of victory in a replay here before they scored two late goals.

This afternoon is likely to be a different affair with a place in the second round at stake and a much larger crowd in place. There will be a familiar face in the Hatters dugout with John Still having crossed our paths many times in the past as manager of both Dartford and Maidstone United.

John has been a fantastic servant of football in general, and particularly the non-league game, and is very welcome this afternoon.

Should today's game be drawn the replay will be

at Kenilworth Road on Tuesday November 19 at 7.45pm, just four days before we travel there in the Skrill Premier. Going back to last week, the players showed great resilience to overcome a decent looking Lincoln side. There never looked likely to be many goals in the game and fortunately Jake Gallagher popped up with his first of the season to settle the game.

With both Doug and Blaine now back after injury, Baily Cargill has returned to Bournemouth after his month's loan here. Baily showed maturity beyond his 18 years during his time here with some excellent displays. We wish him well for what promises to be a bright future in the game and thank him for his efforts during his spell at Park View Road.

We visit Barnet this Tuesday (7.45pm) and then next weekend we return here to host Nuneaton in the Skrill Premier (3pm). Our trip to Grimsby, which was due to take place this afternoon, has also been re-arranged for Tuesday December 3, subject to any FA Trophy replay.

The FA Cup proper is always special and, amazingly this is our first home tie since losing a second round second replay to Reading in 1990. Enjoy the game!

## WINGS IN FOCUS

## JAMIE'S NOTES

**"We have no reason to fear them and if we play how we have been at home it gives us every chance of progressing"**

The three points picked up last week mean we can go into today's game in a good frame of mind.

From our point of view it was another win against full-time opposition and a big club in Lincoln City. I thought that they started the game well, but we gradually got our foot in the game and dug in to get the result.

Lee Butcher made some good saves and the defence stood up well against a side who played some good football. From our point of view we forced a couple of good saves from their keeper and I was pleased with the winning goal.

I have been telling the players that sometimes our end product is not as good as it needs to be at this standard, so it was a nice piece of play between Jake Gallagher and Joe Healy for the goal.

I was pleased that Jake got it because he does a lot of work for the team that goes un-noticed.

They were probably a bit unlucky not to get anything out of the game, but we stuck to our task and we have had those days where we have played well enough to get a point but got beaten.

Today we face another big game against Luton Town. This is the first time I have reached the first round as a manager and we are looking forward to the match.

While they are playing non-league football, the whole set-up of Luton Town is geared for the Football League so this is a real test of how far we have come. We have no reason to fear them and if we play how we have been at home it gives us every chance of progressing.

While the league is our priority, we all still love the FA Cup and if we can get further that will be a big bonus for the club, especially with the financial rewards on offer. Welcome to John Still and all of the playing and management staff from Luton. We are looking forward to meeting them again at Kenilworth Road in a couple of weeks.

We are gradually coming back to full strength with Ross Lafayette, Doug Bergqvist and Alex Dyer all returning to the squad for the game last week. Alex had still been feeling his hamstring but had a good 75 minutes before we took him off and I thought he played well.

Ross and Doug also got on for much of the second half and they will give us more options as we go in to a busy week with a trip to Barnet on Tuesday night and then Nuneaton back here next week.

Harry Beautyman is still a little way off but was due to return to training in the week and we also hope to have Loick Pires back after he missed last week with injury.

As I said earlier, today gives us a chance to progress further and put the club in the limelight. With, hopefully, a big crowd here and against a big club it is the type of game we all want to play in.

Please get behind the team from the start and hopefully we can get the result that we all want. I know I've said it before but your support and encouragement throughout the 90 minutes really can make a difference.

Enjoy the game  
Jamie

# CAPTAIN'S CORNER

Welcome back to Park View Road for a first round FA Cup match against Luton Town. After our pure football against Lincoln saw us get another three home points last Saturday, we have proved we can dig in and win ugly when necessary. We need to grind out results when the games are tight, this will be the difference in finishing where we want to in the league or not. I enjoy scoring goals (as you would expect from the all time Conference South leading scorer) but I would give up scoring if I could see Jake Gallagher score

every week and do that "celebration". Today gives us a good opportunity to get in the hat for the second round. Luton will not have been best pleased with the draw and being at home to a club in our league is not a bad draw for us. We played Luton in the FA Trophy three years ago and were the underdogs, but having now got to the Skrill Premier on merit we play as equals today. We were unlucky to lose that replay in the FA Trophy as, although they rested a few players, we gave a good account.

Today is a big day for us all so please make more noise than usual and hopefully we can get progress. For those of you making the short trip on Tuesday, get behind us at Barnet as it always spurs us on massively.

Enjoy the game  
Clarkie

## STORY OF THE DAY

Lee Clarke maintained his record of scoring important Welling goals by helping the club reach the first round of the FA Cup for the first time since 2005. His second-half close-range finish after Brislington keeper Chris Humphries failed to punch clear Jack Obersteller's 68th-minute free-kick proved the difference. On paper, Welling were expected to overcome Western League Brislington with ease but that was never likely to be the case. The home side raised their game, tempted by the hope of drawing big neighbours Bristol City or Rovers in the next round, and the pitch meant the tie was never likely to be a spectacle. Had Jake Gallagher or Blaine Hudson converted early chances it might have been a different story, while Lee Butcher's late save ensured no replay was required.

## FINAL WORD

"We'll always take a 1-0 win away from home in a game like this all day. It's great to be in the hat for the next round. It was quite bobbly and heavy but the conditions were the same for them, we just had to adapt to them and push on from there."

## It's a long time since Welling's last F.A. Cup first round appearance and Mark Doig is looking forward to some cup fever

Today we witness Welling United's first game in the first round since our 2006 defeat at Huddersfield Town and the first time we've been drawn at home at this stage since 1988 when the Wings claimed a 3-0 victory against Bromsgrove Rovers on the way to a third round tie with Blackburn Rovers. Although Welling have been drawn away on a number of occasions, this is only the fourth time in the club's history that the club has been offered a home tie at this stage. The other two occasions were in the two seasons prior to the 1988-89 campaign.

In 1986, Welling drew with Maidstone United before losing 4-1 in the replay and in 1987 the Wings defeated Carshalton Athletic 3-2 before being beaten 1-0 by Bath City at Park View Road in the next round. Today we welcome Luton Town who, for many years did not even start their F.A. Cup exploits until January. I hope all from the town enjoy their day here and have a safe journey home.

This is not our first meeting

with the Hatters. In 2010-11, we were drawn to play them at Kenilworth Road in the F.A. Trophy where we held a young Luton team 0-0 before being beaten 2-1 in the replay here.

Should today's game be drawn, we will face two fixtures at Kenilworth Road in five days as Luton's ground is the venue for Welling's next Saturday away league game.

Last weekend, the Wings were in league action grinding out a 1-0 victory over Lincoln City. Jake Gallagher notched his first goal of the season and it was good to see Kiernan Hughes-Mason making his first full Skrill Premier appearance in Welling colours.

Understandably, Bailly Cargill was not selected to play before heading back to AFC Bournemouth. Maybe, had the result been cut and dried, he could have come on for a farewell for the last but disrupting the team when the game was tight for sentimental reasons was not an option.

Injuries have played a

big part to this season so far and it was excellent news that Alex Dyer, Doug Bergqvist and Ross Lafayette were all able to return to the first team last Saturday.

Not such good news was that Loick Pires has picked up a painful calf and ankle training injury that meant he was hobbling around on crutches. Hopefully, it will be nothing too serious and he will soon be back in training.

Some of Welling's fringe players are enjoying success on dual registration at other clubs. Barney Williams is a regular in the VCD Athletic side who enjoyed a sixteen point lead in Ryman Division 1 North at the start of this week.

Sam Cornes has also spent time with the Vickers this season.

Malachi Hudson and Malik Ouani have played a significant part in Walton Casuals position at the top of Ryman Division 1 South although the former is now another injured Wing.

Come on you Wings!!

**STORY OF THE DAY**

Jake Gallagher finally got his first goal of the season as Welling went up to eighth after beating full-time Lincoln at Park View Road.

Showing great determination to win a loose ball on the edge of the Lincoln area, Gallagher was then picked out by Joe Healy as he continued his run forward and produced a low left-foot shot beyond Lincoln's 37-year-old keeper, David Preece. The visitors might have taken a point but for their wayward finishing and a couple of excellent saves from Lee Butcher. The Wings keeper did well to twice deny Marlon Jackson in the first half but Preece's saves to keep out Healy and then Blaine Hudson's header at the other end were largely overlooked in the final reckoning. The closest the visitors came after the break was when Fraser Franks nearly scored past his own keeper.

**FINAL WORD**

"The boys felt that we didn't play that well but we grinded the game out and got the points. It was a typical Jake goal as he headed the ball about three times before he finally got on the end of it to finish it off."

Blaine Hudson

# Resistance is futile for ten men Welling

Reading 1  
Welling United 0  
By Matthew Panting

TEN men Welling's brave resistance came to an end in the second half at the Madejski Stadium last Saturday.

The Wings held the Second Division side for more than an hour, but always faced an uphill battle after having Peter Overton sent off on the stroke of half-time.

It was harsh on Tony Reynolds' men who gave their all for 90 minutes and ruffled a few feathers before finally losing out.

Overton's red card — for two yellow cards inside six minutes — was nothing short of ridiculous.

Referee Grant Hegley was a thorn in Welling's side during their Conference days, and it is easy to see why he has moved up to big ties in the FA Cup.

Inept Hegley was intent on making himself the centre of attention and he achieved his feat by booking Overton twice for petty incidents.

By implying the letter of the law, Hegley will no doubt receive great praise from his assessors, and could be in the Premier League before long.

But the one missing ingredient from his performance, common sense, would have made a great FA Cup tie even better.

Overton, of course, was stupid by flicking the ball away for his second caution a minute into first half stoppage time.

Two players took the ball with them in the second half to prevent quick free-kicks, and Hegley failed to take action on either occasion. Interestingly, suggestions coming out of the Wings camp after the game were that Overton was elbowed by a Reading player prior to the first incident and no action was taken.

Overton was booked for his challenge after the Wings won a corner in the 39th minute, although suggestions that he could have picked up a red card for kicking out seemed little more than home fans clutching at straws as Reading became increasingly frustrated.

That was largely due to a brilliant defensive display by the Wings.

Reading's first threat came on 12 minutes when Nicky Forster left Russell Edwards for pace following a long throw-in. But Anthony Riviere was round to clear the ball as Jamie Cureton closed in.

Within three minutes, Welling were caught out as Andy Hughes' right-wing cross found Forster, but he sidefooted the

DETERMINATION: Welling's Steve Barnes battles for the ball last Saturday. Picture: Keith Gillard

ball wide of the target.

That was all Reading could muster in the first half, apart from one long range Forster shot which went over the crossbar.

At the other end, Welling lacked numbers in forward areas but Overton looked useful as he linked up with Powell, while Mike Rutherford and Scott Lindsay showed great class in the centre of midfield.

The pair did not look out of place and even Lindsay's 21st minute caution for a foul on Joe Gamble looked harsh.

Rutherford flicked on Steve Barnes' 20th minute corner only for goalkeeper Phil Whitehead to flap the ball away but it was a rare moment of quality from wide areas.

Barnes and Riviere were kept mainly on the backfoot by the home side, although they did look dangerous when they broke forward.

Welling's game plan changed at half-time but their second half display only underlined the magnificent showing by their three centre-backs.

Mark Hone and Lew Watts were superb as they kept substitute Darius Henderson and

Forster under wraps while Edwards won everything in the air.

Reading created four chances at the start of the second half but Forster had one shot saved and fired over from another, Graeme Murry's shot was deflected for a corner and Gamble somehow fired wide when well placed.

When Hughes' goalbound shot hit Forster and went wide, many of the travelling support could have been forgiven for thinking the Wings could hold on. Against the odds, they looked more assured and were limiting Reading to long range chances.

Welling's rearguard was broken on 61 minutes, however, Nicky Shorey's left-wing cross picked out Cureton's near post run and he headed home beyond Knight from close range.

It did not need an explanation. The look on the faces of the Welling players was enough to show how heartbreaking a moment it was.

Welling responded and Edwards' headed at Whitehead from Watts' free-kick before Barnes' left-wing cross was cleared as

Lindsay closed in.

Reading still did not dominate and chances were few and far between. Then came the moment Welling had been waiting for.

With 13 minutes remaining Knight's early throw found Dave Fleming, who held the ball up before laying it back to Barnes. Dean Standen collected his pass infield and slid a perfect ball inside Shorey that sent Riviere clean through on goal.

Riviere took the ball on and fired in a low right-foot shot that was kept out by Whitehead's legs.

Knight made one final save at the other end, turning Murry's shot away, and although Welling pushed Hone, Barnes and Riviere forward in a four-man attack for the final five minutes, their one chance of claiming a draw had gone.

WELLING: Knight, Watts, Overton, Hone, Edwards, Lindsay, Riviere, Rutherford, Abbott (Fleming HT), Powell (Standen 55), Barnes. Subs: Lewington, Saunders, Brown.

ATTENDANCE: 5,338.

## Welling United Supporters Association The Supporters' Voice

Good afternoon and welcome to everyone connect with Luton Town for this FA Cup first round fixture.

We know all about our opponents' cup pedigree, especially with their fantastic achievement of reaching the fifth round last season. This is one of two games we have with Luton in close proximity so I am sure both teams will learn a lot about each other today.

Well done to the team on another hard-earned victory against a strong Lincoln City outfit. We have put together a fine run of form and sit just a few points from the play-off positions. Again, another plea, we really do need to raise the noise levels at Park View Road and get behind the team, the players do respond.

**WUSA Player of the Month** for October, sponsored by Bexley Tinnitus Support Group, was Lee Clarke. Lee's win was cemented for many members by his important goals during the month, especially the one against Brislington which got us through our first FA Cup tie of this season. Lee was a clear winner with around a third of the votes, ahead of Fraser Franks and Loui Fazakerley. Lee was presented with his personalised champagne award by commercial manager Paul White on the

pitch before the 1-0 victory over Lincoln City last weekend (pictured). WUSA have organised **meet the manager night**. This will take place on Friday, November 15 in the Wings Bar, entry is £5 or £4 for WUSA members. This is an ideal opportunity to ask any burning questions you have for Jamie and the management team, whether it was the journey of winning the title last year, right through to the experience of competing in the top tier of non-league football.

**50th anniversary club dinner** - although not a WUSA organised event, this has now been

announced for Saturday 8th February. Watch this space for more details, this is going to be a cracking night. I sat in the organising meeting last week and the evening will be great value for money both in food and entertainment. This is an event not to be missed. **Quiz night** - Well done to Graham Dudley and his team who won the November quiz night. The next quiz will take place on Friday, December 6 (7.30pm) in the Wings bar.

Enjoy the game

# TODAY'S VISITORS

## LUTON TOWN

The Wings welcome the Hatters to Park View Road for only the second time today for an FA Cup first round tie. After their recent meetings in the FA Trophy, a tie that needed a replay. The Wings were indebted to Gareth Stewart for a couple of saves that drew gasps from the crowd of over 1,600. The replay saw the Wings knocked out in cruel fashion after leading for a long way, two late goals (the winner coming on 93 from a 25-yard Alex Lawler rocket) undid much of the good work they had put in by deservedly being in front and in control.

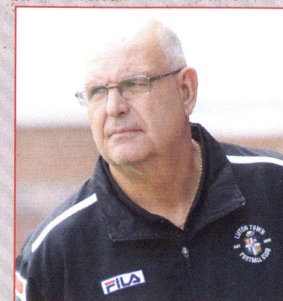

The crowd that night was the lowest ever for a competitive match involving the Hatters. It is likely today will see a lot more than the 50 or so that braved the icy evening of three years ago here at Park View Road. Although the Hatters will be going all out to get their Football League place back this term, last season showed they are not to be underestimated in the FA Cup. Luton made the fifth round, eventually losing 3-0 to old rivals Millwall after knocking out Wolves and Norwich along the way. The Hatters also beat the Canaries in 1958-59 in the

semi final of the FA Cup before losing to Nottingham Forest in the final. In fact, the Hatters have a good record in the FA Cup. They have reached the semi-final of the greatest cup competition in the world on three occasions, the last being only 20 years ago. Despite that steeped FA Cup history to be proud of, the Hatters will not relish a tie away from home against a side in the same league with one of the best home league records in England over the last three seasons. While the draw is not glamorous for either club, it does represent a good chance to progress. Town had perhaps their greatest day 25 years ago when they beat Arsenal 3-2 in the League Cup final at Wembley in front of a staggering 95,000 people. Two late goals again saw the Hatters prevail after the Gunners had come from behind to take control midway through the second half. The Wings will be looking to create a piece of history today by ensuring that the Hatters go out of the FA Cup before the second round for the first time since their relegation from the Football League.

Grays, St Albans, Corby (after a replay), Hendon, Cambridge, Nuneaton and Dorchester have all been beaten in that time by the Kenilworth Road club. There are some past players who have featured for both clubs. Dean Standen was a prodigy in the Wings youth team and was snapped up by Luton, but then released by Joe Kinnear when not making the grade. At that same time in 2001-02, Keith Rowland made 12 appearances on loan for Luton and he would go on to play for the Wings in the twilight of his career. John Still will be aware of the task his side face today, having crossed swords with the Wings back in their last spell in the Conference and the Wings will know they need to perform for the full 90 minutes against tough opponents on a big occasion. With the Hatters having a history of playing in some big games, they have one or two celebrities fans as well. Eric Morecambe is sadly no longer with us but Nick Owen of TV-am fame and Faye Carruthers from talksport are fans of Luton. We hope they, and all Hatters, enjoy the game but not the result of course!

## Luton Town

### MANAGER

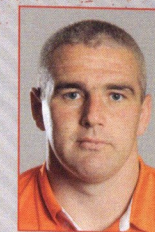

#### JOHN STILL

The 63-year-old joined the Hatters last March having enjoyed a hugely successful 10-year spell at Dagenham & Redbridge where he guided the Daggers to the Conference title as well as promotion to League 1. Knows the Wings only too well from previous battles and from his knowledge and experience of non league football.

### Steve McNulty

The experienced centre-half signed a new deal to remain with the Hatters this summer. The Liverpoolian defender led Fleetwood Town to Conference title success in 2011/12.

### Jake Howells

Howells is the Hatters' longest-serving player having made his debut as a 17-year-old on the final day of the 2007/08 season. Since then, the left-footer has been capped by Wales at under-21 level.

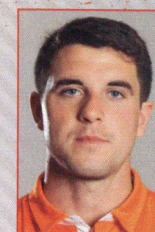

### Mark Tyler

36-year-old Tyler was one of the Hatters' first signings in their first season in the Conference in 2009, and the stopper has since gone on to make 184 appearances between the sticks.

### Andy Parry

The central defender, who can play in midfield, signed from Southport on a two-year contract this summer. Parry has two seasons of Conference football under his belt. Started his career at Blackburn.

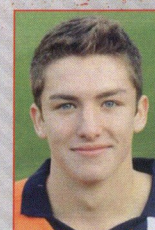

### Scott Griffiths

The 27-year-old diminutive defender signed in March 2013. Formerly with Dagenham and Peterborough, he has had loan spells with Chesterfield, Crawley and Rotherham.

### Alex Lacey

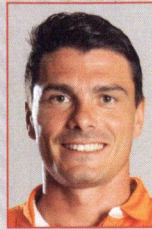

Highly-rated centre-half who has enjoyed a fine pre-season in which he was handed the captain's armband by John Still. Made his debut at 17 in the FA Trophy and was on loan with Eastleigh last year.

# Luton Town

## Ronnie Henry

Club captain and right-back in his second season with the club. Joined the Hatters last summer from Stevenage, who he helped win promotion from the Conference to League 1.

## Mark Cullen

Nimble and skillful forward who scored on his debut for Hull while with them in the Premier League. Able to conjure up things out of nothing and still only young. Also appeared at Stockport on loan.

## Luke Gutteridge

Influential and experienced central midfielder with over 400 senior appearances to his name who signed for the Hatters in August on a two-year contract. Twice won promotion while at Southend.

## Alex Wall

Centre-forward with pace to boot, who became John Still's first signing having joined from Maidenhead last season. Was sent-off at York Road against the Wings last season for stamping.

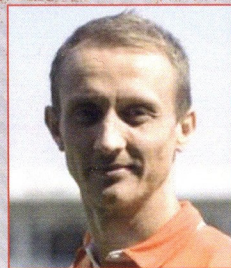

## Jonathan Smith

Central midfielder who joined the Hatters from Swindon last season having helped the Robins lift the League 2 title in 2011/12 under Paolo Di Canio. Also capable of playing at right-back.

## PLAYER TO WATCH

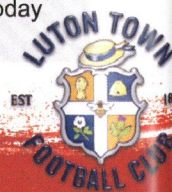

### PAUL BENSON

Experienced centre-forward signed on a season-long loan from Swindon in August 2013. Helped Dagenham & Redbridge to two promotions with John Still, scoring over 75 times in the process. Continued to score once he left the Daggers when with Charlton and Swindon. Won the League 2 title with Swindon in 2012. Sure to be of interest to the number of Charlton Athletic fans here today watching.

## Andre Gray

Forward who finished last season as the Hatters' leading scorer with 20 goals. The young England C striker made an instant impact when signing from Hinckley in March 2012.

## David Barber, The FA's historian and a veteran of over 6,500 games, tells us about the six best FA Cup matches he has ever seen. He attended his first tie in 1960 and is now close to 450. They include 41 Finals.

### Crystal Palace 3-1 Nottingham Forest – Fifth Round, 1965

I was a Palace fan as a schoolboy and this was the first really big game I saw at Selhurst Park. Second Division Palace, known as the Glaziers in those days, had knocked out Bury at home and Southampton away in earlier rounds and now faced top-flight Forest before a crowd close to 40,000. I had written to the club for two tickets for me and Dad, enclosing a postal order, and received them by return. We stood right at the back of the Holmesdale Road End on a chilly February afternoon and saw Palace play above themselves. It was 1-1 at half-time, the ball-juggling David Burnside scoring for us and England international Frank Wignall levelling for Forest. Peter Burridge made it 2-1 at the other end and Cliff Holton, a boyhood hero, blasted home our third. Cannonball Cliff had played in the 1952 Final for Arsenal.

### Walton & Hersham 2-1 Exeter City – First Round, 1972

After 12 years of watching FA Cup matches I finally saw a non-League team beat a League team. This giant-killing took place at the Stompond Lane home of Isthmian League Walton & Hersham in leafy Surrey. It wasn't an all-ticket tie but there were thousands in the crowd on a typically grey November afternoon. It was one of those grounds with a running track around the pitch and there were a few incursions by celebrating home fans as the Swans scored through Colin Woffinden and Clive Foskett. Steve Stacey netted for the Grecians, then in the Fourth Division, and they threw everything at Walton in the last few minutes. Several Exeter corners flew close to the amateurs' goal but they held on for a famous win. At the end of that season they beat Slough to lift The FA Amateur Cup at Wembley.

Sunderland 1-0 Leeds United –

### Final, 1973

This was my third Final, having joined the staff at The FA early in the 1970-71 season, and it is still my favourite. I stood near the back at the Sunderland end with my Finnish friend who actually lived in Wembley. We watched some of the build-up on TV as we sipped tea and crunched through a packet of biscuits in his lounge. When Bob Stokoe became Sunderland's manager, they were third from bottom in the Second Division. Leeds, a team boasting 10 internationals, came to Wembley for their third Final in four years. No second-tier side had won The Cup for more than 40 years and I wasn't expecting an upset. All the best action was at our end: Ian Porterfield scored from Billy Hughes' corner and Jim Montgomery achieved legendary status after his double save from Trevor Cherry and Peter Lorimer.

### Yeading 0-2 Newcastle United – Third Round, 2005

There is nothing as fascinating as an FA Cup tie between a non-League side and one from the top flight of English football. When Isthmian League Yeading were pulled out of the velvet bag with six-time Cup winners Newcastle, I knew I had to be there. But Yeading's ground was quite a modest one and I wondered if they would be able to stage a tie of that magnitude. As it turned out, they played at QPR's Loftus Road and with a crowd of 10,000 there was no problem getting a ticket. The Isthmians played out of their skins, matching their illustrious visitors in most respects in a goalless first half. They finally went behind to Lee Bowyer's close-range shot on 52 minutes and a Shola Ameobi effort made it 2-0 eight minutes later. But 'Ding' had done so well against a team six levels above them.

### Eastbourne Borough 1-1 Oxford United – First Round, 2005

When I first saw Eastbourne Borough in the mid-'80s, they were known as Langney Sports and playing in the Sussex County League's Division Three before a few people standing along the touchline. That was an intermediate level of football, so it would have been unthinkable for them to be lining up at a First Round Proper tie in The FA Cup. But this was a club that would progress all the way to the Conference Premier, playing at a proper stadium only yards from the old pitch. I joined an all-ticket crowd of 3,770 for a lunchtime kick-off against Oxford from League 2. It was quite a surreal experience, sitting at the back of a packed stand. Steve Basham put the U's ahead on 70 minutes but there was serious drama to come as Borough's Ollie Rowland equalised with a twice-taken penalty in the last minute.

### Redbridge 2-0 Ebbsfleet United – Fourth Round Qualifying, 2011

The FA Cup can produce surprise results at any stage of the competition. 'Giant-killings' obviously have a higher profile in the First Round Proper onwards but there can be shocks before that. Redbridge were in the bottom half of the Isthmian League's Division 1 North when they took on Ebbsfleet United from the Conference Premier, three levels above them, in a Fourth Round Qualifying tie at a sunny Oakside, literally next door to Barkingside tube station. Terry Spillane's underdogs had to defend for their lives to keep it at 0-0 in the first half but showed more confidence after the break to put together some attacks of their own. The Motormen scored twice near the end through Ryan Murray and Joe Gardner and no one could quite believe it. I was right behind the goal, clapping like mad.

# ALE & FOOTY

## November is a quiet month for those who enjoy combining a beer or two in different towns with following the Wings

Three consecutive Saturdays at home meant there are limited opportunities to visit new pubs in different places and away games during the month don't offer the days out that are enjoyed on trips to the far flung north or West Country. Our next Saturday away game is at Luton, and that will be covered in next Saturday's programme (if any Hatters supporter here today would like to give me any pointers, I'd be happy for the help).

An away game we do have in the meantime is on Tuesday evening at Barnet which will be a new ground for nearly all of us. Their new ground, The Hive, is located in Edgware and investigations haven't produced much in the area about which to get excited. There is one pub in Edgware High Street, just under a mile from the ground, serving real ale according to the local CAMRA website. The Change of Hart is a pub from the John Barras chain. Four ales are available there and although it is unlikely that a new ale will be tasted, their range has improved in recent times.

Many supporters will be travelling directly from work so will not have time to be too adventurous so may

wish to have a beer or two in Central London before joining the late 'rush hour' commuters on the Jubilee line.

Borough Market is handy for London Bridge and its pubs include the Market Porter which serves 12 ales and ciders but tends to get very busy. The nearby Rake may be a little more comfortable and tends to serve the most unusual ales along with many foreign beers both on tap and from a vast array of bottles.

Nicholson's pubs are running a beer festival at present and the Mudlark under London Bridge, and the Horniman at Hays, (opposite the HMS Belfast) should still be selling some of the splendid ales that they have been showcasing. Broughton's Hopopotamus is my favourite so far, closely followed by Purity Warlord IPA.

Also in the London Bridge area is the New Wheatsheaf in Southwark Street (not to be confused with the Young's owned Wheatsheaf within Borough Market) which has 10 handpumps. The Old King's Head in Borough High Street has six pumps serving well kept ales, and the Royal Oak stocks the full range of Harvey's beers plus a Fuller's guest and a

cider. Southwark station, also on the Jubilee line, is convenient for Charles Dickens in Union Street which has up to six varying guest ales.

Waterloo station is close to the Hole in the Wall and not too far away is the King's Arms which has unusual, but expensive, guests.

Green Park and Bond Street are both convenient for the Coach and Horses, Bruton Street after which there are no further pubs listed in the 2013 Good Beer Guide.

JD Wetherspoon pubs come to the rescue for the rest of the journey. There are pubs named JJ Moon's at both Wembley and Kingsbury whilst the Man in the Moon is one station beyond Canon's Park at Stanmore.

## WELLING UNITED HALL OF FAME

Time is running out if you want to help Welling United celebrate our 50th anniversary.

The Wings are looking for fans to pick three people that will be inducted into their Hall of Fame – and also want supporters to name their all-time Wings XI. There have been many great players to represent our club during the past 50 years and now's the chance to have your say.

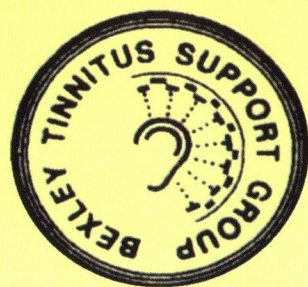

To help you out with a few ideas, we've called on popular club president Eric Brackstone. His team is Paul Barron, Duncan Horton, Mark Hone, Nigel Ransom, Terry Skiverton, Phil

Handford, Stuart White, Neil Clemmence, Gary Abbott, Terry Robbins and John Bartley. Eric's Hall of Fame selection was Graham Hobbins, Ray Burgess and Nicky Brigden.

Do you agree with his selections? Well, now is the time to have your say - but be quick as you have until November 30 to get your list in. Simply download the form from the official website or collect a form on matchday at the ground to make sure your vote is counted. Then return your form to the office or send it to [wellingutdfcsecretary@hotmail.co.uk](mailto:wellingutdfcsecretary@hotmail.co.uk).
