## Hello, Good Afternoon and welcome to Princes Park, Home of The Darts.

Today we have another mountain to climb, with the visit of League leaders Luton Town. We welcome all associated with The Hatters, and their hundreds possibly thousands of followers today. We hope they enjoy their brief visit to PP.

Well, are we all feeling a little better about life now. Our incredible run of reverses, now certainly at an end. Four points from two games against top five sides, has brought a smile to the faces of our long suffering fans, that's for sure. A magnificent win at Kiddy last Tuesday, giving us an unlikely double over this seasons FA cup giant killers was highly unlikely, but it happened. Saturdays 3-3 draw against second placed Cambridge, equally remarkable, seeing as United had only conceded 11 goals all season, before conceding 3 to us in an hour!!! Those four points have lifted us to within striking distance of the other relegation battlers, and more than that, has shown us fans that we do have a side that maybe, just maybe, yet achieve the great escape.

## TODAYS COMMUNITY TEAM

## Derek Biggs

We were sorry to learn about the passing of long time supporter Derek Biggs.

Derek was born on the 28th November 1932 in Dartford

He passed away on the 21st January 2014 at Darenth Valley Hospital

Husband of Wendy, father of five, grandfather of seventeen, great grandfather of nineteen.

Derek was a Dartford F.C season ticket holder, due to ill health did not make the games much in his later years.

Our condolences to his family and friends

**Community relations Manager Ian White has been volunteering at the club now for a number of years, he has received several letters of thanks from children who have come along to watch Dartford play and have the opportunity of meeting their Dartford football idol.**

For those of you who do not know about this project, Ian and Clive have dedicated many hours to hosting our Community visits, this is a scheme where we invite local groups of girls and boys along to be our guests to experience 'real football, real close'

Groups are usually no more than 15 children and recommended ages are 6 to 14 years, the children are invited to have a tour of the building, Ian then gives a skills and activities taster session and Tony Burman personally meets to have a team talk with them, then its off for a quick snack and drink before watching the game.

Further to this, the tour will take the children around the grounds and building, including the tunnel area and team area. They will then be given the opportunity to conduct a guard of honour, so this is a great privilege as the first team players enter into the main stadium.

Children are then invited to watch and cheer the players on throughout the game and are invited to sit in the 'family enclosure', they each receive a football programme. At the end of the game, the children are then taken to meet the first team players, where they eagerly await to get their cherished autograph.

This is a scheme operated by the club, this is something we feel is important to the community, visits have not only included local football clubs but also disabled children, girls football team & school visit.

Currently there is no charge for this scheme.

For further information or if you are interested in booking a date for your group, contact Dave Francis, Director, 01322 294800, alternatively, if you are interested in contributing to the scheme by way of sponsorship, please contact Nicola Collett 01322 299990.

**Recently received correspondence, from a previous matchday Community team.**

I coach an under 10's side at Phoenix Sports in Crayford. We were lucky enough to be on the Community Day on Saturday and I am writing first and foremost to say a massive thank you as the team had an absolutely fantastic time, but also to give you some very positive feedback on the day itself and on the personnel at Dartford. It was great to see that the club is willing to devote the time and resource to lay on such an impressive day and to give something back to the local community. It was greatly appreciated by the players and their parents. They have been very complimentary about the club on facebook and other communications and I will

certainly be spreading the word so hopefully the club can benefit from some very positive local publicity.

At the end of the day Ian asked me for feedback and if I could think of anything that could be improved, but I genuinely struggled to find anything that could make it any better. I thought the day was extremely well put together and gave the team a great insight into match day at a big football club. However, what made it so special was the friendliness and professionalism of all the personnel at the club. Ian, Steve, Great Uncle Clive and Sam immediately established an excellent rapport with kids and delivered a training session that was fun but with good hints, tips and drills to improve their skills. However, what I liked the most is that they concentrated on delivering a message that football should be fun, that players should do their best to be well behaved, listen to their coaches and teachers and practice as the way to becoming a good a player as they can be. This message was re-enforced by asking back not only the winner of the penalty shoot-out but also a player who they thought had been particularly well behaved. I thought that was great and backed up a message that I think should be but often isn't the most important thing in football at this age group.

However, it wasn't just Ian, Steve, Great Uncle Clive and Sam that impressed me. The chats from Dave the physio and Tony the manager (a Phoenix legend as he is known at our club) were great. Everyone the parents or children spoke to was friendly and helpful. The players were patient and good humoured when signing autographs after the game. I am a long-time friend of Sarah Money who always speaks highly of the club but even taking this into account my expectations were exceeded.

What a game as well, a thriller. The team showed great character to come back from 2 down. No doubt I will be using this as an example in a team talk soon. As for the goal from Danny Harris. Steve told us that the grass on the pitch was the same as that at the Bernabeu. If that goal had been scored by Ronaldo at the Bernabeu it would not been out of place.

I must make a particular mention of Ian who as well a running a great training session with the others, was an excellent host, staying with us throughout, fielded as best he could a stream of endless questions, and marshalled the children from place to place with a very friendly manner. He even stayed with us afterwards in the bar after for a couple of pints (although I am sure he had told the kids earlier that he was tee-total!!!).

Thanks once again and the very best of luck for the rest of the season.

Kevin Turner

From the manager

# Tony Burman

**I would like to welcome the players and officials of Luton Town FC to Princes Park, for todays league encounter.**

Our opponents today are, at present, top of the league on merit, and knowing their manager John Still, he will not take anything for granted, but will be pleased with the position they are in, at this stage of the season way.

In our last home game against Cambridge, I was really pleased with the character that the players showed, after going two down in the first fifteen minutes of the game.

To come in at half time on level terms deserves a lot of credit, and without doubt gave everyone a massive boost on, and off the pitch during the interval.

The second half was played at the same high tempo, and after taking the lead with a great strike from Danny, and then Alan saving a penalty for once, I felt things just might go our way.

It wasn't to be, but we did draw the game and, in all fairness it was probably a fair result.

Today we lose the services of Alex Wall and Jim Stevenson, who are on loan from our opponents, but we welcome back, for their home debuts, Rory Mcauley and Andy Pugh.

While writing these notes I am hoping to add another player to the squad before yesterday's deadline.

I stated last week that I do not have a magic wand we have a lot of hard work to do.

Yes we have had a couple of decent results but we are playing the best team in the league, and again the odds are firmly staked against us.

Who knows what might happen, but again we will approach the game in very good spirits, and will look forward to another big crowd, great atmosphere and your fantastic support.

Thanks for your support

**Tony.**

# THE NON-LEAGUE PAPER

ESSENTIAL READING FOR FOLLOWERS OF THE NATIONAL GAME

**THESE football managers, they really don't have it easy sometimes. Dealing with players playing up, demanding chairmen always expecting more and often irate supporters having a moan. And that's before the referee turn up to ruin his day!**

Their career path is certainly an acquired taste, especially as 'sacking season' now seems to be a weekly event. A job forever on the edge, with your prospects in the hands of so many others.

But the good ones are becoming somewhat of an endangered species. And the deadly predator? The growing trend of Football

League clubs taking the quick and, ultimately cheaper, option.

Now it seems "knowing the club" beats knowing your stuff and knowing how to control a dressing room – and it's causing a serious bottleneck that is making life impossible for the experienced managers to get back in.

We've known for some time that Football League club seem to have a mental block when it comes to taking a chance on a Non-League manager. It's whispered around that the only way you'll get there is to take a team to the League yourself. Promotion without promotion? Forget it.

Clubs are now more keen on appointing the inexperienced caretakers, the captain who has helped out, or the player coming to the end of his career having rushed through a coaching course rather than someone who has earned an apprenticeship lower down the ladder.

And the problem with that? Once they get sacked, they need to find themselves another job.

With a Football League club shining bright on their CV, what chance does the likes of Liam Daish or Gary Brabin have of getting back in

when you can drop in a big name?

Terry Brown was forced to look down to the Ryman Premier and lowly Margate to find a way back into management. It's becoming a growing trend.

So how did they all feel when Andy Thorn was given the Kidderminster Harriers job last week? Thorn was appointed Coventry City manager two years back with the club in turmoil after operating as their chief scout. They were relegated and he was sacked.

Kiddy see a famous football name on his wikipedia page and despite no knowledge of the Skrill Premier, he is selected over those with years of toe-to-toe battling under their belt.

That's not a dig at Thorn you understand, but more the system that seems to exist in the sport.

As Joe Lolley's £250,000 move to Huddersfield Town represents, Football League clubs love to take a punt on the up-coming playing talent that the Non-League game has to offer.

So what exactly is wrong with our managers?

## MATCH PREVIEW

### Dartford v Luton Town

**Once again Dartford host a promotion chasing club this weekend when they take on an in form Luton Town side, unbeaten in the Conference Premier since the middle of September.**

Earlier in the season the Darts were brushed aside at Kenilworth Road as the Hatters began their current run of 20 league matches without defeat. Paul Benson scored his first goal in a Luton Town shirt when his effort went in off the post. Elliot Bradbrook missed a great opportunity and within seconds Luke Guttridge scored at the other end. Alex Lawless who had just returned from injury made it 3-0 just after the hour when he took the ball round Alan Julian.

Last time out at Princes Park, Dartford completed a double over the Bedfordshire club with a 1-0 victory. The first half was quiet with Nathan Collier forcing Mark Tyler into a save and Andre Gray striking the post for the Hatters. The second half had its moments and was lit up by Ryan Hayes, who settled the match with eighteen minutes remaining with a delightful curler. Back in November 2012 the Darts came home from Kenilworth Road with a shock 2-0 win. Lee Noble's crossed free kick went straight in and Tom Bonner's close range header earned Dartford three points.

Similar to last weekend Tony Burman will be without two loan players. Luton Town players Jim Stevenson and Alex Wall cannot face their parent club just like Rory McAuley and Andy Pugh were unavailable against Cambridge United. Burman has used his connection with Hatters manager John Still, who managed the Darts between 1983-1986 when Burman was firing in goals for Dartford.

With the relegation form of the last three months it's been tough for Burman but the over the last week hope has been found. An excellent 2-1 away win at Kidderminster Harriers was followed up by an entertaining 3-3 draw with Cambridge United. The Darts boss spoke to kentononline.co.uk after the game and said: "After going 2-0 down in 15 minutes, I've got to give my guys a lot of credit, to fight back and get it back to 2-2 before half-time. We were playing against a very good side – they're not up in the top-two for nothing – but the spirit and the fight and the belief were back. I'm really pleased".

After just two minutes a long ball bounced off the back of Kenny Clark into the path of Ryan Bird who scored on his Cambridge United debut. Bird doubled his tally on sixteen minutes with a well taken finish putting the U's in command. Dartford's spirit shone through and when Alex Woodyard was nudged in the Cambridge United box the referee awarded a penalty, up stepped Elliot Bradbrook to halve the deficit. On the stroke of half time, Woodyard was involved again and his cross met the head of Max Cornhill who nodded in the equaliser. Princes Park erupted in the second half as a stunning Danny Harris volley went in off the cross bar and incredibly the Darts were in front. Cambridge United almost hit back moments later when Mat Mitchel-King conceded a penalty, Ashley Chambers took the spot kick and Alan Julian made the save. Another twist was still to come when Luke Berry, nine minutes after coming on, headed the U's level to tie an entertaining fixture.

Dartford's draw against Cambridge United and Luton Town's victory versus Nuneaton Town ensured the Hatters remain in Conference Premier's pole position. Andre Gray took his season's tally to 17 against the Boro as he netted a fine hat trick in a 3-0 triumph. The 22 year old slotted the ball through the legs Nuneaton Town's goalkeeper James Belshaw, flicked a header in for his second and completed his hat trick from outside of the box.

Unbeaten in last ten away matches, going back to 13 September, the Hatters have picked up five wins and five draws. They are not short of fire power either with Gray's hat trick taking the clubs tally on the league to 60, the highest scorers in the division. Luton Town manager, Still praised his strikers after the Boro match and ruled out any move away for Gray in this transfer window.

After coming close three times to a return to the Football League, reaching the playoff final on two occasions, Luton Town and Still's experience will certainly be yet another test of Dartford's recently found spirit.

### Team News

Dartford will be without the impressive Alex Wall and Jim Stevenson for this weekend's match. Both players are contracted to Luton Town and are therefore illegible. Cambridge United pair Rory McAuley

and Andy Pugh can now be considered for selection after Dartford's game against the U's. Ryan Hayes remains absent through injury but Kenny Clark, Lee Noble and Danny Harris all returned last weekend.

John Still gave debuts to two players in Luton Town's 3-0 win against Nuneaton Town. Cameron McGeehan was signed from Norwich City on loan and Ryan Inniss is on loan from Crystal Palace. Alex Lawless missed out with an eye infection.

**My family has supported Dartford FC for about 100 years. My Grandad played for Dartford Wednesdays and watched the Darts all his life. He saw the great sides of the 1930's.**

My Dad, took my brother Tony Harris and myself to watch the Darts, from about 1968. The day we went to Wembley is still fresh in my mind.

I gave up watching the Darts, when we lost our

old grounds. I thought that was it. To my brother, Tony's credit and many others, the Darts kept going.

So here we are 25 years later, at this wonderful stadium, playing Luton Town. Thank you to everyone that kept this dream factory going.

Tony would be 52 years old tomorrow. If it had not been for leukemia that killed him, in 3 weeks flat, 5 years ago.

So Happy Birthday Brov

Hope you are watching ☺

## From the Captain

## Welcome to today's game against Luton Town.

Last week has really given everyone a lift, both inside the changing room and in the stands. No matter what anyone says, losing football games knocks your confidence and it becomes really hard to pick yourself up, go again and change things around. A huge amount of time and effort has been spent behind the scenes to try and fix some of the problems we have been having, and it is nice to see that hard work (finally) paying off with a couple of good, solid performances, and some points being put on the board.

It was also nice to see us handle two very different situations so well, and come away with a result both times. The performance at Kidderminster was excellent, with us going two goals in front away from home and defending solidly throughout. We were away from home, with six or seven players out injured or suspended and managed to turn over a team high on confidence and challenging for promotion, which was a great effort. The Cambridge game was very different with us conceding two poor goals in the

early stages, but then having the character to come from behind, take the lead and in the end get a draw. Cambridge are a very good side, so to do that against them was excellent again. Would we have managed that if we had not beaten Kidderminster? Probably not. As I have said before, you need something to believe in, and last week shows what a bit of belief can do.

However, let's not get carried away. Two decent performances do not even come close to getting us out of trouble - it is going to take another three months of producing that on a consistent basis to even have a hope. What last week has shown though is that it is possible. We are not that far behind and if we fight and scrap, we might just be able to pull it off. We are in the middle of a tough run of games now, with Luton today and Wrexham and Grimsby coming up, but then we have a run of about 12 games all against the sides that are down there with us. That is where our fate will be decided, so let's stick together and believe!!

Thanks for your support.

## 21st JANUARY

Tuesday's matches in the Skrill Premier saw three of the relegation-threatened teams earn vital points.

Dartford claimed their first league win in three months at Aggborough against play-off chasing Kidderminster Harriers, who lost for the first time under new boss Andy Thorn. The Darts got off to a great start when they went ahead inside 3 minutes when Max Cornhill headed home an Alex Woodyard cross. Twenty minutes later it was 2-0 as on-loan Andy Pugh scored after Harriers' keeper Danny Lewis could only parry another loanees, Alex Wall's, low shot. Michael Gash pulled a goal back for the hosts 4 minutes after half-time, scoring from close range, but the closest Harriers came to an equaliser was when he hit the bar midway through the half. And Dartford held on to record their first win since October 19th when they beat bottom-markers Hyde FC and Tony Burman's side are now six points adrift of the safety-mark.

However, Chester FC, now managed of course by former Kidderminster boss Steve Burr, have pulled out of the drop zone after a vital win at another side now being sucked into danger, Woking. The only goal of the game at Kingfield came on the half-hour mark through midfielder Jamie Menagh, who curled the ball past new Woking keeper Mason Springthorpe and in off the post after receiving a John Rooney pass. Springthorpe, signed on loan from Everton, did well later to deny Jamie Reed and Craig Linfield. But he watched helplessly as Jamie Reed had an effort cleared off the line. Chester held firm to record back-to-back wins for the first time this season.

And Aldershot Town were another of the sides near the wrong end of the table to earn a vital win and now sandwich Woking and Chester in the table. The Shots ensured it was a disappointing start to England 'C' boss Paul Fairclough's fourth spell as Barnet manager as they came away from The Hive with a 3-1 win. The Shots took an early 3rd minute lead when Jordan Roberts' cross crept past home keeper Nick Jupp. Mauro Vilhete levelled for the hosts from 25 yards right on half-time. But the Bees were unable to capitalise on that and just 3 minutes after the restart Bradley Bubb fired the visitors back in front. And Mark Molesley made it 3-1 with a fine left-footed effort on 55 minutes, and although the home side huffed and puffed, they were unable to make any further in-roads into the deficit.

Those results meant that Southport's 2-1 defeat at the Merseyrail Community Stadium saw them slump into the bottom four. Southport got off to a great start when Scott Brown made it 1-0 in just the 4th minute following a poor clearance by Wrexham's Mark Carrington. But 10 minutes later the Dragons were back on level terms when Dave Artell headed in a Carrington corner. Andy Bishop came close to putting the visitors ahead in the second half when he struck the post and home keeper

Danny Hurst denied Theo Bailey-Jones. But 3 minutes from time Port crumbled and Joe Anyinsah scored what proved to be the winner from 25 yards.

Lincoln City have been pushed back towards trouble after they went down to a 3-1 defeat at the Moss Rose against Macclesfield Town. But it was the visiting Imps who broke the deadlock just a minute before half-time when Ben Tomlinson lashed the ball home from the edge of the area. The Silkmen eventually equalised on the hour-mark when Scott Boden slid the ball past keeper Paul Farman With 11 minutes left to play, Jack Mackreth fired a shot across Farman to put the home side ahead and just 2 minutes later Chris Holroyd made sure of the points when he found the top corner with a 20-yard effort.

Back at the top end of the table, Liam Hughes' second half effort earned Cambridge United a hard-fought three points – their fourth away win of the season to date – at The Lamb against Tamworth to move them to within a point of leaders Luton Town with a game in hand. Home goalkeeper Cameron Belford frustrated the visitors either side of the break, tipping a Hughes header over the bar and denying Matthew Barnes-Homer in a one-on-one. Hughes eventually beat Belford on 65 minutes with a 30-yard free-kick to earn United their victory. The U's had a debutant keeper in 20-year-old Will Norris, who was called into the side late after John Sullivan was injured during the warm up.

Gateshead's play-off hopes took a blow when they had to be content with a point from their game against mid-table Welling United at the International Stadium. Joe Healy gave the visiting Wings an early 10th minute lead when he headed home a Ross Lafayette cross from close range. The on-loan JJ O'Donnell almost levelled for the Tynesiders, but his shot hit the bar. Five minutes after half-time the home side did pull back on terms when Marcus Maddison was brought down by Healy in the box and he got up to convert the resultant penalty. Gateshead had the majority of the play after that, but were unable to find a winner.

## 25th January

Luton Town increased their lead at the top of the Skrill Premier table to three points after they defeated out-of-form Nuneaton Town and second-placed Cambridge United were held at struggling Dartford. After a goalless first 45 minutes in difficult conditions, top scorer Andre Gray opened the scoring 5 minutes into the second period when he fired through the legs of Boro keeper James Belshaw, in to replace Kelle Roos, who was sold to Derby yesterday. Gray then flicked home the Hatters' second from close range on 64 minutes when he met a Scott Griffiths cross. And he added his third of the day and his seventeenth of the season 13 minutes from time

The **Skrill** Premier

when latched on to a Steve McNulty through ball to slot home from just outside the box. Luton are now unbeaten in twenty league matches, while Nuneaton have now lost three of their last four and drop to ninth place.

Dartford came back from being 2-0 down to force a 3-3 draw at Princes Park. Ryan Bird, signed on loan on Friday, bagged a brace for the U's, taking only 2 minutes to net his first and his second came 14 minutes later. But an Elliot Bradbrook penalty on 26 minutes after Greg Taylor fouled Alex Woodyard reduced the arrears and then right on half-time Max Cornhill headed in a Woodyard cross to equalise. Danny Harris' quality effort on 69 minutes turned the game on its head to see the Darts now 3-2 up. The visitors didn't think it was to be their day as Ashley Chambers had his penalty saved by Alan Julian in the 75th minute after he had been fouled by Mat Mitchell-King, but Luke Berry 4 minutes later headed in a free-kick to earn them the U's a point.

Alfreton Town returned to action after an eighteen-day break with a 2-1 win at Park View Road against Welling United. Josh Law shot the Reds in front on 17 minutes and after the hosts had equalised through Kurtis Guthrie on 43 minutes, latest signing Shaun Harrad celebrated his debut for the club by notching the winner from the penalty spot on 57 minutes after Job Ayo Akinde had been fouled in the area by Connor McLaren.

The win strengthened Alfreton's grip on a play-off place and they are now seven points clear of the chasing pack. Lee Gregory scored his first away goals since the 2-2 stalemate at Macclesfield Town to earn FC Halifax Town an eighth point on the road this term at The Rec against Aldershot Town.

Aldershot's top scorer Brett Williams abysmally stroked his penalty kick wide of goal on the half-hour mark after Marc Roberts was adjudged to have handled. Gregory scored the first of his brace on 33 minutes by wriggling clear and poking an effort past Glen Morris but the Shots equalised through a bundled Jordan Roberts goal in first half stoppage time. With the treacherous weather conditions hampering play, Craig Stanley's swirling free-kick flew straight in to give Aldershot a 66th minute lead. However, Gregory to land his seventeenth league goal of the season by majestically chipping Morris to restore parity.

Barnet are now level on points with FC Halifax and fifth-placed Grimsby Town after a 1-0 win against struggling Southport at The Hive. In management duo Ulrich Landvreugd and Dick Schreuder's first game in charge of the Bees, Southport keeper Danny Hurst looked to have earned a point for his side after making a number of excellent saves. Indeed, the visitors could have gone ahead late in the game themselves but home custodian Nick Jupp produced a fine double save from Osayamen Osawe. Then in the 4th minute of injury-time,

Mauro Vilhete headed in Luisma Villa's corner to finally break the deadlock and win it for the hosts.

Salisbury City's play-off hopes took a blow as they were also beaten by a single goal at Edgar Street by Hereford United. The visitors had the better chances in the opening half but Theo Lewis and Jamie White were both off target when well placed. The only goal of the game came 7 minutes into the second half when Dominic Collins met Frankie Artus' corner and his header beat Will Puddy in the Whites' goal.

The visitors thought they had levelled late on but Rob Sinclair's effort was ruled to have not crossed the line. It was Hereford's third win in four league matches as they celebrated completing payment of their outstanding debt to the HMRC.

Veteran Lee Hughes bagged a brace to help Forest Green Rovers to a comfortable 3-0 win against in-form Chester FC at the New Lawn. Chester went close early on, but Ross Killock could only fire at keeper Sam Russell from five yards when he seized a ball deflected off the woodwork. Hughes opened the scoring after 23 minutes from James Norwood's reverse pass. Norwood then made it 2-0 on 65 minutes before Hughes converted a close-range effort after good work by Alu Bangura. It brought an end to Chester's five-game unbeaten run was new manager Steve Burr's first defeat since taking over.

Giuseppe Sole was both hero and villain for Woking as the Cards shared the points at Sincil Bank against fellow strugglers Lincoln City. Sole scored his side's equaliser but missed a last-gasp penalty as the Imps held on for a draw. The visitors took the lead after 19 minutes when Kevin Betsy scored from close range but the Imps equalised 7 minutes later as Nat Brown turned in Sean Newton's cross. Ben Tomlinson smashed home from outside the area 5 minutes before the break to give the Imps the lead for the first time. But 17 minutes from time Sole levelled from just inside the box and then had a great chance to earn all three points for the Cards when they were awarded a 90th minute penalty for a foul on Betsy by Brown. However, Paul Farman saved Sole's spot-kick to preserve a point for the hosts. Tamworth moved to within a point of fifth-bottom Chester after a comfortable 3-0 win at Ewen Fields against virtually doomed Hyde FC. Richard Peniket gave the Lambs a 10th minute lead from close range from Nick Chadwick's cross.

Connor Hughes almost equalised for the Tigers on 55 minutes, but 5 minutes later Justin Richards doubled the Lambs' lead when new goalkeeper Chris Kettings misjudged a long, wind-assisted ball. Hughes was then twice denied by visiting keeper Cameron Belford before Chadwick made it 3-0 on 77 minutes when his shot bounced up and past Kettings. It was just Tamworth's second away win of the season to date.

**D3-3**  
**v Cambridge United**  
 Saturday 25th January

Photos: Carol White-Griffiths.

There was high drama at Princes Park when Dartford came from 2-0 down to draw 3-3 with Cambridge United in a Skriff Premier classic.

Darts conceded inside two minutes and again 14 minutes later to hand Richard Money's title chasers complete control. And with the visitors having only conceded 11 league goals all season, that looked to be that. But Dartford rallied, dragged themselves level by half-time and then took the lead courtesy of a Danny Harris wonder strike. When Alan Julian saved a Cambridge penalty at 3-2, the home fans were daring to dream of a remarkable win, only for the U's to snatch a late equaliser. But this was a performance which showed the Darts have the character required to escape relegation, even if they do remain five points from safety. There were two enforced changes to the Dartford starting line-up. Rory McAuley and Andy Pugh, both on loan from Cambridge, were ineligible for the game against their parent club, so Kenny Clark - returning from a groin injury - and Harris replaced them. Tom Champion started against his former side in the U's midfield and the visitors handed a debut to on-loan Portsmouth forward Ryan Bird. And Bird surely couldn't have dreamed of making a better start. With only 90 seconds on the clock, a high ball forward caught Clark in two minds. He thought about leaving it but the ball hit him on the back and completely wrong-footed Julian, allowing Bird to slide it into the empty net.

The huge travelling contingent rejoiced and Darts boss Tony Burman was left scratching his head. Cambridge could smell blood and they poured forward in search of a second goal. Tom Elliott powered two headers wide and the Darts defence looked shaky every time it came under pressure. And then it was 2-0. Bird's first goal had been a gift but he created the second through sheer strength and persistence. Lee Burns and Mat Mitchel-King allowed themselves to be bullied off the ball but Bird still had lots to do with the finish. No problem. He arrowed a shot with the outside of his right boot into the far top corner, giving Julian no chance. Dartford could have caved in at this point but to their credit, they fought back. Wall had already seen one free-kick clawed out of the bottom corner by U's keeper John Sullivan when he crashed a second squarely against the crossbar from all of 30 yards. Then the home side were thrown a lifeline when referee Rob Whitton interpreted Alex Woodyard's tumble in the box as the result of a foul challenge. He pointed immediately to the spot and Elliot Bradbrook slammed the penalty straight down the middle to make it 2-1. The men in

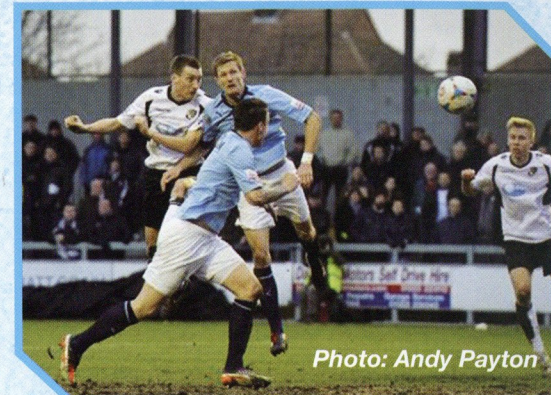

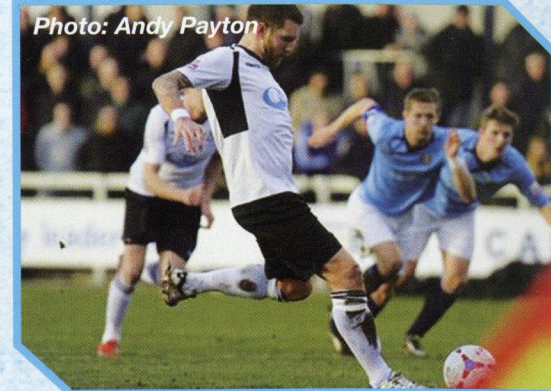

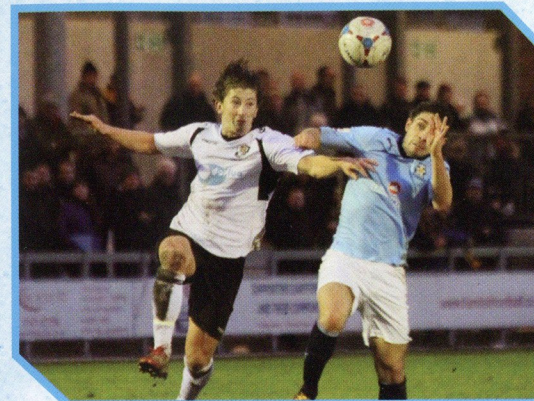

white shirts were throwing themselves into tackles and putting Cambridge under increasing pressure as the half drew to a close. And their probing paid off in the third minute of added time. Woodyard swung over a hanging cross from the right and Max Cornhill showed great desire to get to the ball first and power a header low past Sullivan. Cambridge boss Richard Money sent his players out early after half-time and the visitors started to monopolise possession at the start of the second half with some very slick play.

That said, it was Dartford who had the next chance, Wall heading Woodyard's corner over. Cambridge kept coming but Wall gave the Darts a real outlet on the break. He collected one ball wide on the right and side-stepped two defenders, although his shot cleared the stand. But then, out of nowhere, came a moment of magic. Harris connected sweetly with a bouncing ball on the angle of the 18-yard box, driving a magnificent half-volley over Sullivan's head and into the top corner via the crossbar and post. Dartford had turned the game on its head and Princes Park was in tumult. Cambridge, though, were bound to respond. And they duly did when substitute Josh Gillies burst into the box and was brought down by Cornhill.

Ashley Chambers took the penalty, arrowing it towards the bottom corner, only for Julian to guess right and claw the ball out. The home crowd roared even louder. But the game wasn't won. Gillies whipped in a dangerous free-kick with 11 minutes left and fellow sub Luke Berry applied a glancing touch which carried the ball into the net. 3-3. An already dramatic game ended against a backdrop of thunder and lightning, with rain lashing down and swirling around the stadium. Gillies almost scored a winner in stoppage-time, Julian diving to palm out his goalbound free-kick, before Mr Whitton brought proceedings to a close. The quality of the contest deserved a standing ovation from all four sides of the ground but the appalling weather conditions meant everyone simply ran for cover.

**Dartford:** Julian, Burns, Clark, Mitchel-King, Sterling, Woodyard (Noble 83mins), Cornhill, Bradbrook, Stevenson, Harris, Wall. Subs not used: Collier, Swallow, Wellham, Kamara.

## WHAT'S THE GROUND LIKE?

The Racecourse is a classic looking football ground with four prominent floodlight pylons and a large home terrace, which unfortunately is now closed. The stadium also has a great blend of the old and the new, with the Mold Road Stand, having a modern interesting design. To show how times have changed and the amount of all seated stadiums that there are now, the Kop Terrace at Wrexham was until recently the largest terrace in the League having a capacity of around 4,900, prior to it being closed. This stand is a throw back to when every ground had a similar kind of terrace and even the crowd barriers are painted in the club colours of red & white (rather than those dull metallic coloured barriers present in modern stands). The terrace which is located at one end of the ground, is partly covered (to the rear) and although no longer in use is still a great sight.

At the other end is the Glyndwr University Stand. This stand which was opened in 1978 is a two tiered stand, covered and all seated. It has a couple of supporting pillars, situated between the two tiers. It also has an electric scoreboard on its roof. On one side is the Yale Stand. This stand was opened in 1972 and got its name from the Yale College, which was situated behind this stand. It is a fair sized two tiered covered stand, which is now all seated, having previously had terracing at the front. The team dugouts are located in front of this stand. Opposite is the Mold Road Stand that was opened in 1999. This side of the ground has been unused for a number of years so its construction greatly improved the overall ground appearance. It is semi circular in design with a capacity of 3,500 seats and features an unusual roof design. The Stadium is shared with North Wales Crusaders Rugby League Club.

# LUTON TOWN SEASON PREVIEW

**Founded:** 1885

**Ground:** Kenilworth Road

Former League Cup winners, FA Cup runners up and top flight side, the Hatters have pedigree and a large fan base. A dramatic fall from the Championship to the Conference Premier in consecutive seasons had Luton Town in need of repair. Always keen to be an attacking force, the Hatters have registered three playoff spots in their four years at this level. Twice runners up in the finals, the Bedfordshire club continue to push for a return to League Two.

### Last Season

<b>Final Standing 2011/12</b>	<b>7th – Conference Premier</b>
<b>F.A Cup</b>	Fifth Round
<b>F.A Trophy</b>	Quarter Finals
<b>County Cup</b>	First Round
<b>Top League Scorer 2011/12</b>	Andre Gray (17 goals)
<b>Most League Appearances 2012/13</b>	Andre Gray (44 appearances)
<b>Av. / Highest Home Attendance</b>	5882 (1st) / 6744 v Woking

The Hatters finished in their lowest position since 1920 missing the playoffs for the first time in their current Conference Premier spell. Striker Andre Gray shined with a fine haul of goals and by the end of October, Luton Town were second in the table. Shock defeats at home to Braintree Town, Dartford and Hyde together with an inconsistent 2013 meant the Hatters slumped to outside the playoffs by the end of the season. In place of a decent league position was an incredible FA Cup run to the fifth round. A Scott Rendell winner knocked out Premier League opposition Norwich City in round four. In a historic day at Carrow Road, Luton Town became the first non league side to defeat a top flight side since 1989.

### The Summer

John Still's first summer in charge of the Hatters has brought Luton Town winger Shaun Whalley and defender Andrew Parry from Southport. Whalley won his former club's Player of the Year award scoring nine times from right wing. Jim Stevenson and Danny Fitzsimons signed from Histon FC. From the Hatters to the Hatters, via Hull City comes in Mark Cullen who spent time on loan at Stockport County last term. Still has used his non league knowledge by snapping up East Thurrock United goalkeeper Elliot Justham, the 22 year old kept 13 clean sheets last season in the Isthmian Premier League. Released from Plymouth Argyle, Anthony Charles is hoping for a third promotion to League Two after achieving this feat with Barnet and Aldershot Town. Former Northampton Town player Luke Guttridge has played over 400 Football League games and his experience in midfield will be welcome.

### The Manager – John Still

Probably the most experienced manager in the division, John Still took a step down from League Two's Dagenham and Redbridge to take charge at Kenilworth Road in February. At the time of his move to the Hatters, Still held the title for the longest serving Football League manager with the Daggers. The 63 year old has tasted promotion six times with former clubs Leytonstone and Illford, Dartford, Maidstone United, Redbridge Forest and Dagenham and Redbridge. Promotion matches Still's ambition, however he is prepared to 'build a club' and in return fans will need to be patient.

### Expectations

Always amongst the favourites at the start of the season because of the clubs pedigree and large support. With that comes pressure but there is no doubt the fans want promotion.

### The Season So Far

Town got off to a flying start, and are currently top of the table, and unbeaten in 20 league games.

### Best Performances

- League:** 7th – Division One (1986/87)\*
  - F.A Cup:** Runners Up (1958/59)
  - F.A Trophy:** Semi Finals (2011/12)

**DARTFORD V LUTON**  
TUESDAY 1<sup>st</sup>  
APRIL 2014  
Skrill Conference Premier

Hello, Good evening, and welcome to Princes Park, Home of The Darts.

First off, apologies for the out of date programme, but as explained before, when games are postponed due to the inclement weather, we, along with many others, just cannot afford to scrap a large print run, such as was required for this game.

Tonight we will be playing before our biggest home crowd of the season. We welcome runaway League Leaders Luton Town, and all associated with them, including of course, approximately 1500 of their fans. We hope you enjoy your short stay with us at PP, and wish you well in your long awaited and expected return to The Football League next season.

Town have carried all before them for most of the season, and have already amassed 83 points. With the finishing line now very close for them, they have, perhaps understandably, eased off the gas a little. However, they are still a massive 13 points in front of their nearest challengers, and could well cross the line in the next ten days or so.

We were soundly beaten 3-0 earlier in the season at Kenilworth Road, but last season we managed to do the double over The Hatters, 2-0 at KR and 1-0 here at PP. What we would give for something similar tonight. We have won our last two games of course. This has succeeded in dragging us right back into the relegation battle, which is looking more and more like going to the final day on the 26<sup>th</sup>.

The fixtures for the struggling six are:

**SOUTHPORT**

Braintree (H)  
Cambridge (A)  
Barnet (H)  
Tamworth (H)  
Gateshead (A)  
Halifax (H)  
Welling (A)

**CHESTER**

Hyde (H)  
Grimsby (A)  
Wrexham (H)  
Cambridge (A)  
Salisbury (H)

**HEREFORD**

Woking (H)  
Welling (A)  
Gateshead (H)  
Tamworth (A)  
Alfreton (H)  
Aldershot (A)

**ALDERSHOT**

Luton (A)  
Alfreton (A)  
Macc (A)  
Salisbury (H)  
Woking (A)  
Hereford (H)

**DARTS**

Luton (H)  
Lincoln (A)  
Grimsby (H)  
FGR (H)  
Braintree (A)  
Tamworth (H)  
Nuneaton (A)

**TAMWORTH**

Gateshead (A)  
Luton (A)  
Southport (A)  
Hereford (H)  
Dartford (A)  
Woking (H)

So as you can see, one or two "six pointers" in that little lot.

Where we will end up in the mix is anyone's guess, but one thing is certain, its going to be a highly stressful last few weeks.

### DARTFORD FOOTBALL CLUB SCORES WITH LOCAL BUSINESS

For a club in the Skril Premier league, Dartford Football club is attracting some premiership interest. Impressed by the all-round appeal of the club, its status as a local beacon and its exceptional facilities, local estate agent, Robinson Jackson, has stepped up to become its latest sponsor partner.

Bill Archer, the club's Chairman, comments: "The facilities at Princes Park must rank as some of the finest in the south east. The 3G and mini pitches attract local football enthusiasts and schools, plus top flight clubs who, ironically, don't have their own amenities of this nature. Furthermore, the site's conference and function rooms perfectly complement the sporting facilities, and are widening the club's appeal to completely new audiences. It's no surprise that Robinson Jackson has chosen us as beneficiary of its community support. We're thrilled to have this established local name on board."

The partnership agreement was signed by Bill Archer (chairman of Dartford FC) and John Browning (Managing Partner for Robinson Jackson), and demonstrates the estate agents long-term commitment to the club and to the local community. Bill Archer adds: "We have welcomed John Browning, his family and his staff to many of our home games, and John has been kind enough to sponsor a couple of the match days already. It was therefore a delight to make Robinson Jackson a sponsorship partner at the club."

John Browning says: "This is a very special anniversary year for our estate agency business, as we're celebrating 20 years of serving home movers in Dartford and the surrounding areas, as well as 50 years of the Jackson name in the south east property market. When the opportunity arose to partner Dartford FC, I jumped at the chance. For me the club has become one of the focal points of the town and brings huge enjoyment to local residents. I hope with companies like ours supporting the club it will continue for many years to come. We'll be encouraging our clients in Dartford, Swanscombe, Greenhithe, Swanley and the surrounding villages to visit Princes Park and show their support."
