the chairman

Mr Andrew Jenkins
Chairman

Tonight we welcome the directors, players and supporters of Luton Town who have made the long journey north, especially for an evening game. I hope they enjoy their stay with us and that we all enjoy an entertaining game similar to the one down at Luton, where we came back to win the game 4-3.

Everyone should be aware that next season there will big changes to the loan system, and whilst work is still going on in the background to keep things similar to the situation at the moment, we can't be too hopeful for a result. Next season we will only be allowed to bring in players when the window is open, and that will only be for season and half-season periods. The only emergency loans I am aware of will be for goalkeepers, so managers and recruitment personnel will have their skills tested to the full as they hunt for loan players.

I do feel that our loan players this season have showed a distinct improvement of those brought in by the previous regime, and so I look forward with confidence to the future. Four players - Hallam Hope, Alex Gilliead, Macaulay Gillesphey and Brandon Comley - have in my opinion all given excellent service to the club and have featured in many games. I do feel they must have benefited from the experience of being with us and I'm sure their clubs will be grateful to us for giving them this invaluable opportunity as they progress their careers.

Progress is being made to bring the stadium and the facilities back to where we were prior to the floods, but probably not as quickly as we would like. However, we are getting there. The structural work on the Neil Centre should be near completion as you read this programme. The final work will be to lay the new surface which, incidentally, is manufactured in West Cumbria. We will inform everyone of its availability at the earliest possible opportunity.

This week we saw the equipment being delivered to the player's gym, so that should be another area complete. Work is being carried out on the two club houses on Warwick Road and they should take approximately four weeks to dry out. I think this should have been done some ago but, unfortunately, the way the insurance company has worked this time round meant the houses were put into phase two - hence the delay.

It was really disappointing to lose the Mansfield game especially after the number of chances we created. This has been the story of some of our recent games and I'm sure Keith and his staff will be looking for improvements in that department otherwise they will be looking for new faces to improve.

I would like to add one special item to my report. A few weeks ago a supporter called Ray Graham gave me a medal and asked me to keep it in the club. I will do that by putting it into the Boardroom trophy cabinet as soon as we have

that room back up and running. The medal was won by united legend Jimmy McConnell, who played 149 games for Carlisle United and scored 124 goals. It's a puzzle because it is inscribed with his name and also C&D WL, Division 1 1928/1929, D.C.C.C. It may be that he guested for a local club in the Carlisle & District Welfare League? If anyone can help to solve the mystery of the medal it would be greatly appreciated.

At the time of writing it is still not all over so I ask you to get behind the team and enjoy the game.

Meet the Manager

NATHAN JONES

The 42-year-old joined Luton Town as Manager early in January 2016, signing a two-and-a-half year contract. He joined the Hatters from Championship Brighton & Hove Albion where he had held the position of first team coach. Although this is Jones' first full managerial position, the Welshman has forged himself a fine reputation as a coach and assistant manager. Jones holds a UEFA Pro Licence and last summer helped England Under-21 boss Gareth Southgate prepare the Young Lions for their UEFA Under-21 championship campaign in the Czech Republic. A defender as a player, Jones began his professional career at Kenilworth Road 20 years ago, when David Pleat signed him for £10,000 from Merthyr Tydfil in 1995. After a year at Kenilworth Road Jones left for a 12-month spell in Spain, playing for Numancia and Badajoz, but on his return to the UK Jones went on to enjoy success at Southend, Brighton and Yeovil, making over 500 appearances and winning promotion three times. Success continued to follow after he hung up his boots.

It was with his final club as a player, Yeovil, that Jones began his coaching badges, and in 2009 he became the Glovers' assistant manager. During his time at Huish Park, Jones helped nurture future England internationals Andros Townsend, Steven Caulker and Ryan Mason, all of whom had joined Yeovil on-loan from Tottenham. After a brief spell as Under-21s manager at Charlton, Jones was appointed assistant head coach to Oscar Garcia at Brighton in 2013. In his first season at the Amex the Seagulls reached the Championship Play-Off final. Following Garcia's departure, Jones was then named as new boss Sami Hyypia's first team coach but after the Finn's exit in December last season, Jones took over as interim manager and helped the then-struggling Seagulls to four points from two games in the Championship. Despite another change in manager at the Amex, Jones was kept on by the newest man in the hotseat and became Chris Hughton's first team coach – a position he has held until his arrival at Kenilworth Road.

CAMERON MCGEEHAN

The Hatters were finally able to lure McGeehan to Kenilworth Road on a permanent contract this summer having previously enjoyed two spells on-loan from Norwich City. The central midfielder played a key role in the Conference title campaign before rejoining again last season. He originally came through the ranks at Chelsea and has also spent time on-loan with Cambridge, helping them to a draw with Manchester United in the FA Cup.

BOOKINGS - Grainger (54), Hery (56)

A double substitution after the break provided the spark for Carlisle United which took them on to an amazing victory which saw them come from two goals behind to grab three dramatic match-winning goals.

The Hatters looked bright from the off as they passed the ball on the edge of the United box but it was the visitors who created the first opening when Asamoah tricked his way behind the back line. His cross was met by Miller but he couldn't keep his header down and it flew over the bar.

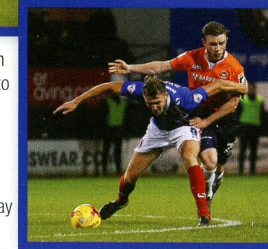

Luton used their goal kick to good effect when Lawless picked the loose ball up in midfield. He fed it to Marriott and the former-Carlisle loanee made no mistake as he took a touch, spun and thumped an unstoppable shot into the back of the net.

Green was next to try his luck with a long range rasper which zipped over the target, but Carlisle almost grabbed an equaliser courtesy of a long throw from Ellis. A ricochet invited Miller to shoot but Tyler dived low to complete a fantastic save.

The visitors suddenly looked the better side and a glancing header from Raynes found Ellis with time at the back post. He put his head in his hands as he lobbed the ball into the stands as Tyler crept off his line. It was one-way traffic and the Luton keeper had to use quick feet to beat another Raynes head from under his bar as it threatened to creep over the line.

Carlisle kept the momentum up and a run from deep from Hery allowed Asamoah to go on the overlap. It was more good defending as Cuthbert dropped low to stop Wyke from applying the finishing touch.

For all the good work, Carlisle were almost undone again when Marriott showed good close control from a precise through ball. His left-footed shot beat Gillespie but it was never going to trouble the target.

But it was the Cumbrians who had the last say of the half when a long ball over the top from Joyce found Wyke with just one man to evade. His first touch set it up and he left Tyler with no chance as he picked his spot in the bottom corner with a well executed finish.

The visitors were rocked back on their heels with just 56 seconds on the second half clock when a measured ball from Green which fell into the box was allowed to go unchallenged. Josh McQuoid sprinted between two defenders and the slightest of touches was enough to take it past Gillespie.

An intricate free kick routine involving Grainger and Joyce resulted in the latter drilling a low shot at Tyler, but it was disaster at the other end when Green was felled by Hery just 22-yards out. The lively wide man picked himself up to take the free kick and he got a second bite at the cherry as his first effort spooned up off the wall. A hopeful volley took a slight deflection and it spun awkwardly as it dropped in off the post.

It took substitute Alex Gilliead just three minutes to make his mark when the Cumbrians battled for the ball inside the Luton area. It eventually broke free and the youngster kept his cool to gain his bearings before smashing his shot past Tyler to bring his side right back into the game.

The away pressure levels increased and Ibehre crunched a header from a Grainger free kick over the bar, and he also had one ruled out for offside when he reacted first to beat Tyler as he palmed a Grainger volley back into the mix.

Patient build-up play brought a cut back from Kennedy and Joyce let fly with a shot which hit a defender and went behind for a corner. A half clearance followed from the delivery and the second equaliser of the night arrived when Jabo Ibehre kept his eye on a bouncing ball to snatch his eleventh of the season with a fine strike.

The game was turned on its head just 60 seconds later when Derek Asamoah went on a run across the edge of the area. He had only one thing in mind as he sent a wonderful effort past Tyler's full length dive.

Community Sports Trust

Good evening and welcome to this SkyBet League 2 match against Luton Town FC

Carlisle United FC and Carlisle United Community Sports Trust will be lending its support to the Know the Score campaign at this evening's Sky Bet League 2 match against Luton Town.

This year's events will take place between Saturday 9 April and Tuesday 19 April, as football clubs across the country join forces in a bid to raise awareness of bowel cancer and its ability to strike regardless of age or gender.

Players and match officials will wear t-shirts sporting the 'Know the Score' logo for their pre-match warm-up, whilst both sets of coaching staff, players and officials will also proudly display 'Star of Hope' badges on match day.

The Mr Brightside Project, PFA, Adam Stansfield Foundation and Bobby Moore Fund jointly launched the Know the Score campaign in 2011, producing posters and advertisements for use at football stadia and within match programmes throughout the country.

Know the Score has gone from strength to strength since its inception, with all major UK bowel cancer charities now working together in their backing of the campaign.

Three people die of the disease every 90 minutes, but research suggests that over 90 per cent of patients will survive for more than five years if diagnosed at the earliest stage, thus highlighting the importance of Know the Score's sterling efforts.

You can learn more about the origins, aims and activities of the campaign online at www.knowthescore.org.uk, as well as discovering numerous ways in which to get involved.

Our Monday evening and Walking Football sessions will be at the University Campus on Fusehill street until further notice. Unfortunately we are unable to secure a facility for our Saturday morning sessions. These will resume as soon as we can get back to the Neil Centre.

Show Racism the Red Card

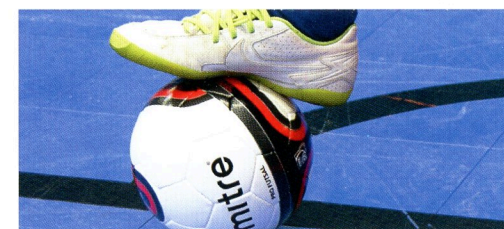

Show Racism the Red Card

Show Racism the Red Card is the UK's anti-racism educational charity and was established in January 1996.

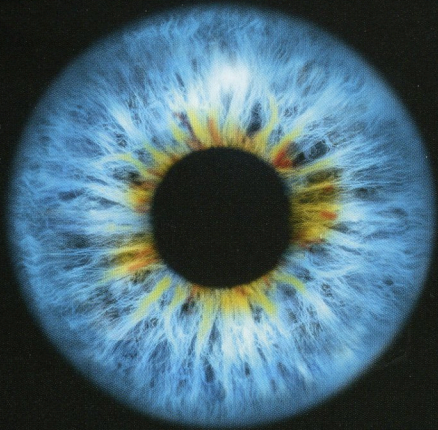

The organisation utilises the high-profile status of football and football players to help tackle racism in society. The majority of the campaign's output is the delivery of education to young people and adults in their schools, their workplaces and at events held in football stadiums. Across Britain, Show Racism the Red Card delivers training to more than 50,000 individuals per year.

In addition to the direct education of young people and adults, Show Racism the Red Card produces resources which help promote a message of understanding. Films featuring professional football players such as Thierry Henry, Samuel Eto'o and Ryan Giggs address a range of issues surrounding racism. The films help teachers and other training professionals to deliver training in their schools and workplaces. Each of the films is accompanied by an education pack containing lesson plans and activities for all ages.

Show Racism the Red Card works extensively across Great Britain and has offices in North East England, East England (also covering South East England and London), Scotland (Glasgow) and Wales (Cardiff). In Scotland and Wales, the campaign also focuses on tackling racism within professional and grass-roots football.

For more information on any of our Community Sports Trust schemes contact John Halpin and the team on fitc@carlisleunited.co.uk or by telephone on 01228 554 169.

ROB SCOTT-BUCCLEUCH
BRINGS US A REGULAR UPDATE FROM OUR DIVISION

JONATHAN MITCHELL

NATHAN JONES

KELVIN THOMAS

DARREN WAY

CRAIG HIGNETT

Good evening and welcome to today's match.

This evening's visitors are Luton Town who recently had goalkeeper **Jonathan Mitchell** recalled from Derby County. Mitchell made five appearances for the Hatters this season after joining the club on an emergency loan at the beginning of March. Meanwhile, 18-year-old goalkeeper Craig King, who has yet to make a senior appearance for Luton, has subsequently been recalled from his loan spell at Bishop's Stortford.

Luton have signed centre-back Glen Rea from Championship side Brighton & Hove Albion on loan until the end of the season. The twenty-one year-old made his senior Albion debut in August's League Cup tie against Southend, for whom he went on to play 16 games for on loan earlier this term. "Glen is somebody we've had on our radar," Luton boss **Nathan Jones** told the club website: "Obviously he's someone who I know very well having worked with him for the best part of two and a half years." Rea and Jones were colleagues during the latter's spell as first-team coach at the Amex Stadium.

At the beginning of the month, Northampton Town chairman **Kelvin Thomas** spoke of the need for patience as the Cobblers move towards promotion. "We have to be patient and we feel it will come," Thomas told BBC Radio Northampton. "It just feels like the line has been there a long time and we just want to get over it." Talking about the clash with Bristol Rovers, he continued, "We know this is a massive game. It's probably a bigger game because of the run Bristol Rovers are on. That (winning the league) is what the goal is. It would take a momentous effort from two or three other teams now, who would basically have to win every game. I pinch myself every day when I wake up," he added. "Football always takes a bit of luck, but in reality there has been a lot of hard work behind it as well."

Yeovil Town manager **Darren Way** has signed a new three-year contract with the club. He was appointed on 31 December after six

games as interim boss, when the Glovers were the Football League's bottom club, having taken over following the departure of former manager Paul Sturrock. At the time of writing, Way's side had lost just three of their 16 league games since and had climbed to 19th in the table, 14 points clear of the relegation zone. Way, whose previous contract had been due to expire this summer, was part of the Yeovil team that reached the Football League in 2003 and he went on to total 273 appearances for the club. His career, however, was ended after a car crash in February 2010 and he subsequently joined the Somerset club's coaching team. "We have found an extraordinary leader and manager in Darren, who has the full backing of everyone at Huish Park, not only to build a squad, but a club that will achieve and sustain League One status within the next five seasons," chairman John Fry told the club website. Way added: "I feel very proud and honoured to have signed a new contract. I have a vision for the club where I can nurture the future talent; this is a fantastic football club to build a future for and I will take 100% responsibility in making sure I do that."

Hartlepool United are capable of starting another unbeaten run after the defeat by Carlisle United, according to manager **Craig Hignett**. Pools' seven-game streak was brought to an end at Brunton Park, after a run of five wins and two draws that brought a manager of the month nomination. "We've got no reason to be scared of anyone," Hignett told BBC Tees. "We've played well and looked difficult to play against, we just need to be more ruthless in the final third." In addition to the loss, Pools saw Billy Paynter limp off with a hamstring injury. "He's another one who has been fantastic," added Hignett. "He's a leader, great in the dressing room and he scores goals, so he'll be a big miss."

Enjoy the match and have a safe journey home - how ever long that journey may be.

Season Ticket Information 2016/17

Carlisle United Football Club are delighted to announce that existing season ticket holders who purchase their 2016/17 season ticket within the exclusive renewal period will receive a fantastic six-game saving on pre-sale prices, as a one-off special in recognition of the disruption caused by Storm Desmond.

The six-game saving is an increase by the equivalent of two matches on savings made during the renewal period last season, which equates to an overall maximum saving of £182 in seated areas and £164 in terraced areas when compared with match day prices.

And the club are also pleased to confirm a freeze on Adult, Senior and Young Person ticket prices for a fifth consecutive season, with the addition of a new pricing package in section 8 of the Pioneer Foodservice Stand (East Stand) for use with our brand new Family Zone area.

Ticket office manager Tarn Simmons said: "I don't think any of us will forget the months of December and January in a hurry. Obviously we took our home games to Preston, Blackburn and Blackpool and we wanted to thank our season ticket holders for the patience and understanding they showed through that period with a one-off thank you with some significant saving against pre-sale prices this time round. We feel we've achieved that with an increase from a four-game saving to a six-game saving during the exclusive renewal sales period."

Introduced for the first time is the Family Zone price rate as

we encourage families to use our new look and refurbished play and activity area situated in the concourse of the Pioneer Foodservice stand (the Family Zone operates before kick off and throughout the game, and has a wide range of fun activities for youngsters of all ages). The Family Zone price rate reduces

the cost of our family packages by a further £10 per junior when purchased for section 8 of the Pioneer Foodservice Stand.

Also new for this season is the option for Flexi-Card holders, and fans who purchased our six-game End of Season match ticket package in March 2015, to snap up a season ticket equivalent to a four-game saving on pre-sale prices as a reward for their support through what has been an exciting campaign.

Season ticket prices for the 11 to 17 year old age group remain the same, with seated area tickets priced at £150 and terraced

area tickets priced at £100 - a saving of £80 on match day prices for a seat, and £130 on match day prices for entry to the terraces for our younger fans.

In addition, match day entry for the Junior age groups has been frozen at pre-sale prices with NO price increase for under-17s on the day of the game. Season tickets for under-11 supporters are frozen at £10 for all areas of the stadium, and under-7s will continue to gain free access (under-7s and under 11s must be accompanied by an adult, senior, junior or young person). The Young Person's category for people aged 18 to 22, with admission from as little as £10 per game - or less than £9 with a season ticket - also remains in place.

All season ticket holders will continue to receive a range of exclusive benefits, with a brand new 'Reward Scheme' initiative launched for the 2016/17 campaign. This scheme brings together a range of offers and discounts from businesses across Cumbria, allowing fans to save money throughout the season. Businesses already signed up to the scheme include Lloyd Motor Group, David Allen Financial Services, Edinburgh Woollen

Mill, Bookies.com, Hallmark Hotel and many others. And season ticket holders will continue to receive 25% off ALL travel on the Virgin Trains West Coast line (advanced bookings only) for a third consecutive season. Sales and Marketing Director Phil King said: "We're delighted with the response we've had from

local businesses to our 'Reward Scheme' and we're looking forward to the additional benefits that will bring to our season ticket holders.

"The benefits will range in variety from business to business and there will also be offers on match days at Brunton Park and in the Blues Store. Full details of the 'Reward Scheme' will be announced shortly, alongside news of additional offers and discounts for our season ticket holders.

"It goes without saying that we are extremely proud of our

relationship with Virgin Trains and we're delighted that this excellent discount offer will continue. From feedback received we know we have fans based around the country who have made significant savings on travel with Virgin Trains, both on match days and for other reasons."

The extremely well received 'Renewal' period will run for our existing season ticket holders between Wednesday 6 April and Tuesday 5 May, and everyone who purchases within this period will automatically be entered into a prize draw from which six lucky people will be selected to receive a full refund on the total cost of their season ticket!

Our 'Early Buy' period, running from Monday 9 May to Friday 17 June, offers a three-game saving with the standard season ticket, on sale from Monday 20 June, frozen at a two-game saving for the third season in a row. Remember, payment by direct debit, spread over 10 months, provides an extremely effective method of completing your season ticket purchase with over 750 people choosing to pay in this way as they pledged their support to the Blues for less than £10 per week over the course of the last two campaigns.

Finance Director Suzanne Kidd said: "We have spoken a lot with our season ticket holders and we know that the restructuring of the family packages and prices in particular were extremely well received.

"The focus on new and young fans, with free entry for under-7s coupled with a £10 season ticket for under-11s, continues and the addition of the Family Zone packages and Family Zone play area are hugely positive steps as we look to further improve the match day experience for families and children.

"We hope that our range of attractive prices for 11 to 17 year olds, and Young Persons up to the age of 22, will lead to another increase in young faces and voices on the terraces and in the stands for what we think will be another exciting season ahead.

"Our pricing structure across the categories compares favourably with other clubs in our division, and in the league above, and our aim remains the same, to improve all aspects of the football club on and off the field. Our supporters play a huge part in that and we thank them all, including our season ticket holders, for staying with us as we continue the return to normality following the unbelievable damage caused by the December floods."

IAN JARDINE
 BRINGS US COMMENT AND UPDATES FROM
 THE LONDON BRANCH OF OUR SUPPORTERS' CLUB

Easter was busy for the London Branch starting with the trip to Yeovil. Although the game did not have a big turn-out, coming only two weeks after the Exeter trip and also falling in the holiday period, it was significant for two groups who were there.

The German supporters, who call themselves "Thunderhill," made the game their, at least, annual trip over to take in a Carlisle match. Being students, the Easter holiday was an opportunity to take time off. They have to be given credit for their effort given the fact they not only travelled to London but then had the long trip out to Yeovil.

The other group were the match mascots, Ted and Shay Jensen-Parry, who had a tremendous day with the team.

Ted said: "I really enjoyed my experience as a mascot for Carlisle United! I loved meeting all of the players and getting my program signed but I especially liked meeting Keith Curle. He was very cool and calm yet he was really friendly and talkative too (plus we both had the same jacket on). My favourite part of the day was walking down the tunnel with my new favourite player Luke Joyce."

Seamus writes: "I loved seeing all the great CUFC players and had a great time being a mascot for the blues it couldn't have been better (except the score). I had an amazing day and I was soooo happy seeing how many supporters had came all that way!!! :-)"

The game also saw the latest issue of 'Hit the Bar!' appear which was a special edition with tributes to Bob Brookes, who had recently died, and had been a stalwart member of the London Branch for many years.

Easter ended with the memorable game at Welling where Jimmy Glass showed again his

ability to score late in the game although too late this time to salvage a result. Everyone had a great day they will not forget thanks to John Gorman and Jimmy Glass and even better it helped raise £700 to add to the money raised by Welling FC and their wonderful supporters.

The Portsmouth game represented almost the last chance for Branch members to make up their minds about the Player of the Season as the voting started the following day. It will be interesting this season as there are so many players in with a chance given their contributions.

And now the season ends with a mad rush of activity with Crawley following only a week after the Cambridge game. Sadly, after two dozen players turned out at Welling, Chris Tembey did not have enough survivors to put out a team against the Cambridge supporters. The Crawley game will be followed by a pool evening

against a pub team, an event organised by Dave Croxford who lives in Crawley. If that is not enough there are a number of Branch members making the trip north for the last home game as well as booking train tickets for the trip to Nottingham a week after.

Not that everything then comes to an end. There is the Awards Night back in Carlisle, a football competition near Stevenage a week later and after a brief pause to catch a breath almost 40 Branch members will be flying, from various airports, to Madrid for the Annual Summer Trip in June. Timed perfectly to take in England's first game in the Euro 16 competition never mind the first of Spain's on the Monday.

Finally a word of thanks for Craig Milne who organised a wreath to be placed on the pitch on behalf of the London Branch at the Hillsborough Memorial Service. It puts everything else into perspective.

from the manager...

Good evening and welcome to our game against Luton Town. I would also like to welcome Nathan, his staff and players to Brunton Park for this evening's fixture.

Nathan has got his team playing some good football and I know they will come here to do a job. As we saw in what turned out to be an unbelievable game down at their place, I'm sure it will be a night where both teams will go all out to get the result. We obviously stuck to our task and worked hard to come away with the points from what was a very exciting encounter.

I've put these notes together ahead of the trip to Cambridge and, as we come into tonight, we know there are four wins available. If any of the chasing pack can get those wins it will guarantee them the last play-off spot. There are lots of variations on what could or might happen and the important thing is that we keep our own house in order.

If we do our bit then what the others get up to will be down to them. The good thing is that we have a full squad available and this is where I have to do my job by picking the right team. Once I've done that the players have got to perform.

It's a great opportunity for us, particularly when you think that we've come a long way in a very short space of time. It's been a massive effort from everyone connected to the club because there have been a lot of distractions. This shows that things are changing and we're on an upward spiral.

We're at the point of the season where we'll take a win any way it comes. The line we want to try and finish above is in sight. How we get there is immaterial. However we finish this season we've taken another step and there are good times ahead for this club. We've put down good foundations and we have plenty to build on.

There's a sense of unity now and I understand that it does take time for people to get on board with how I'm thinking. I'm different in the way I do things and I know I've upset a few people. That's been done for the right reasons and people are getting to know what I'm about now.

I've had a few people say they've taken back everything they first thought about me. The thing is that we aren't changing things for the sake of it, we're just trying things in a slightly different way. At the moment it's about taking all of the pressure off the players. They're stepping up to the challenge and it's like when we went to Cassius Camps in the summer. It's where they're climbing the hill and they're tired, and now they've been given a boulder and a log. The only thing you can tell them to do is deal with it.

Thank you, as ever, for your support. Please get behind us as we look to finish our season on a high.

Enjoy the game,
Keith Curle

Lotto member
George Jackson
uses draw win to
help with season
ticket!

Lotto premier member George Jackson, from Wigton, was delighted to win £100 in our Blues Lotto draw last week.

Within minutes of his prize cheque arriving through the post he was on his way to Brunton Park to renew his season ticket.

George, who has been in the Paddock for as long as he can remember, said: "I always renew my season ticket at the earliest opportunity as it makes sense commercially.

"The Blues Lotto win has made it an even better deal this year!"

Getting to know you... **Tom Miller**

Age: 25 Position: Defender
Sponsored by: Stanwix Blue

What is top of your bucket list: I'd like to see as much of the world as I can, I'm going travelling for four weeks in the summer with my girlfriend. We're going to Dubai, Bali and Hong Kong so I'm really looking forward to that.

Perfect day off: Go for a coffee in the morning, then go for a walk in The Lakes with my girlfriend and my dogs. I'd then come home and play Call of Duty and maybe go out for a nice meal somewhere.

Best live concert you've ever been to: Jay-Z and Kanye West's Watch the Throne Tour, I actually went twice.

Any weird superstitions: I don't really have anything specific but if I have a good game I try to think about what I've done and try and do the same things for the next game. I'll even try and be the same position in the jogging we do at the start and things like that.

Favourite song of all time: I'm going to say Man in the Mirror by Michael Jackson.

What are you secretly scared of: Spiders.

Which film always makes you cry: I'm not very emotional, my girlfriend has a go at me about it all the time. I think the saddest film I've watched recently has got to be The Fault in Our Stars.

Best bit of advice you've ever been given: Enjoy everything you do.

Who is your football hero: Paolo Maldini.

Last time you were nervous: I wouldn't say I get nervous before games, but you do get that nervous energy, so it will have been Saturday.

Which team mate would you take with you to a desert island: Troy (Archibald-Henville), he's a great guy and I think he would be able to protect me from pirates and things like that. I get on really well with him as well so he'd be good company.

Who would you not take: Danny Grainger, his banter would send me to sleep.

Which takeaway is your favourite: Indian, I mix it up but I like chicken tikka dhansak with a peshwari naan.

Proudest achievement in football: I think I'm going to say this season as a whole. The Hartlepool goal was special for me because it was my first league goal but it's been great to get my first season of league football under my belt.

Three words to describe you: Charming, funny and ambitious.

Carlisle United OFFICIAL SUPPORTERS' CLUB CUOSC

'BY THE FANS, FOR THE FANS'

Welcome to Brunton Park

I'd like to extend a warm welcome to the supporters, players and staff from Luton Town who have made the long journey north for this evening's game. It is a sign of true dedication to follow your team so far away from home, particularly for a midweek game. I hope you have a safe return journey after the game and wish you well for the rest of the season

FROM THE TERRACES - THE PLAY OFF PUSH

The playoff push seemed back on track last Tuesday with an excellent win against Hartlepool at Brunton Park, but a few days later a stuttering home performance, characterising our inconsistent season, frustratingly derailed the push once again. As ever our supporters have turned out in numbers at home and particularly away and the club will need that support over the last few games of the season if we are to help the team achieve their goal so get down to Brunton Park on Tuesday evening for the next home game against Luton Town to support the team and help the club spend this summer preparing for a league 1 season ahead instead of another season in league 2...

INVESTMENT UPDATE

As mentioned a few weeks ago the CUOSC board wrote to CUFC Chairman Andrew Jenkins to request a meeting with him to further discuss the proposal that we and a consortium of local business people had put together to invest in the club. We would like to meet with Andrew as soon as possible to discuss and explain further the benefits of the investment plan

to the club and the supporters. We all recognise the importance of supporters and indeed without them there would essentially be no football club. At League 2 level clubs are entirely reliant on supporter numbers through the gates to generate income, unlike Premier League clubs who can rely on massive television rights income.

WHOSE CLUB IS IT? - CONFERENCE

CUOSC have been invited to make a presentation at this event, being organised by NUST (Newcastle United Supporters Trust) for April 29th 2016

Details of the event can be found via the following links:

<http://www.nust.org.uk/whose-club-is-it-conference-29th-april-2016>

http://www.nust.org.uk/images/stories/pdf/conference2013/conference_programme_april_2016.pdf

We will give a detailed account of the conference after the event which will feature speakers from the likes of the Football Supporters Federation, Durham County Cricket Club, Leeds Fans United and Heart of Midlothian supporters as well as local MP Ian Mearns

Come on you Blues!
