HAPPY NEW YEAR!

All at Kenilworth Road would like to thank our wonderful fans for your support during 2018 and wish you a happy and prosperous New Year. As you read through today's This Is Our Town, please be aware that due to print deadlines we weren't able to include Saturday's game at Walsall, so the league table and fixtures and results will be one game behind. We know that we are in the automatic promotion places in Sky Bet League One going into today's game, however, so get behind the lads to help keep it that way...and let's hope that 2019 is another year to remember for all Hatters! #COYH

THE MANAGER

NATHAN JONES

A very warm welcome back to Kenilworth Road for the second time in this festive spell of four games in 11 days - and let me start by wishing you all a happy New Year after what I hope has been a cracking Christmas.

If we can experience half as many as many memorable times as we have in the 12 months just past, 2019 promises to be a landmark year in the history of this great football club.

I say that with not only with what we are trying to do on the pitch, where we currently sit in the automatic promotion places at the midway stage of our first season in Sky Bet League One.

Of course, none of us will ever forget the moment the final whistle blew at Carlisle, nor that fantastic reception from 4,500 Hatters at Notts County on the final day. The 7,500-plus we took to Newcastle in the FA Cup was symbolic of the passionate support there is for this club, too.

But we all know that to move this club properly forward, and indeed the whole town, we need our new stadium. Hopefully by the end of this month we will have the answers from the council that we all crave for both Newlands Park and Power Court – and the tireless work the board have been putting in behind the scenes for many years will go up another few notches!

Back to today, I'd like to extend my New Year welcome to everyone who has travelled with Barnsley, whether you are a director, official or supporter, manager Daniel Stendel, his staff and their players.

That includes someone we all know well, and I know that you will afford Cameron McGeehan the respect he deserves for the wonderful part he played in not

only helping bring the club back into the League before my arrival, but the huge contribution he made in my first year here before that terrible injury he suffered two years ago tomorrow. It's terrific to see him make a full recovery, as we knew he would after the great care our medical staff gave him during his rehab, and we hope he goes on to have a wonderful career.

Today's match is one to really whet the appetite, and we know from experience at Oakwell that it will provide another of our toughest tests of the season. The reaction we have shown since that day in mid-October has been first class – as has your support.

I was glad we could reward the 766 who travelled to Scunthorpe on Boxing Day with a seventh successive league win. By the time you read this around 2,000 of you will have followed us to Walsall as well, and at a time of year when money is tight and family commitments are plentiful, we really appreciate your backing.

Here at Kenilworth Road that support has been phenomenal. I'm a proud manager of your football club so please keep making the old place rock into its 114th year and you can rest assured we'll be working tirelessly to repay you out on the pitch.

Enjoy today's game and together let's make it a really happy new year!

[DAVID WILKINSON]

FROM THE BOARDROOM

WITH CHAIRMAN **DAVID WILKINSON**

Today we welcome the officials, players and supporters from Barnsley for our first contest of 2019.

Having been relegated from the Championship last season, the Tykes began the campaign as one of the favourites along with Sunderland to bounce straight back, and watching them against us at Oakwell it was not difficult to see why. Although we were deprived of a possible point or three by a couple of dodgy decisions, we felt they were the better side on the day. Since that day in October we have been unbeaten, picking up 31 points in 11 games.

We follow the Evolution Stats, which have shown us at No.1 all season, so far, save for a small blip after the defeat at Oakwell.

It's not all about statistics or form tables though. We are playing exciting football, scoring spectacular goals and keeping impressive clean sheets. It has never been easy to pick ONE man of the match and quite often as I'm driving home I think to myself 'it's been everyone today', including the 'game changers.'

Influence

This month sees us mainly with a reverse of the fixtures in August, with Peterborough and Portsmouth at home and Sunderland away following today's game, not to mention a trip to Hillsborough to face Sheffield Wednesday in the FA Cup third round. A tough schedule in anyone's book.

In the history of the Club we have seen more ups and downs than any other. Momentum has been a major influence in both directions. We have been from the top to the bottom and the bottom to the top several times over.

In the past we've had periods of rapid progress culminating in successive promotions and there is a sense that this may be happening once again.

We talk about present management in the same breath as Alec Stock, Harry Haslam and David Pleat and compare current players with stars from the past. Personality and character sometimes seem to be missing from the modern game, but we seem to have it in abundance starting with the boss.

Amazing

Then there's you, the passionate 'mad' Hatters. You stuck with us through the dark days of the Conference, occasionally letting your frustrations show, but that was nothing we weren't feeling too. Now we are taking maximum allocations and travelling in vast numbers – as I write, we have just announced that we have sold out for Walsall and filled our first release for Sheffield Wednesday. You are amazing. We on the board are never happier than when we get in amongst you to share in the enthusiasm and excitement.

We are told that January is also the month for LBC Planning Committee meetings to determine our applications at Power Court and Newlands Park. These are probably the most important decisions in the Club's 134-year history. We have what we need except for a stadium, which is fit for purpose. You continually demonstrate that we have the fan base. I believe we have the management both on and off the field. We are striving to be the best we can. We handle adversity, but now is our time and we can take our Town with us. The Board and its allies are a diverse group with knowledge and experience in

many fields, and we are unanimous in our opinion that this will be good for all.

We have spent the last ten years rescuing and rebuilding our Club for the benefit and hopefully enjoyment of all. We are a major part of the community and continue to explore more ways of using our strengths and contacts for the benefit of all.

We are definitely not being over-dramatic to say that should our plans be rejected the work done would not just be wasted, but the Club would not only be unable to be sustained at current levels and would likely fail.

We need your support. You need the support of your friends, neighbours and anyone you know. This is not a piece of fake news. This is real and it's happening now.

The manager and players are doing it for us on the pitch – let us play our part and do it for them off it. Who knows how far we can go together.

“The man at the top of the mountain didn’t fall there” – Vince Lombardi

I would like to wish you all a very healthy, happy and prosperous 2019.

Enjoy the game. Come On You Hatters!

JOHN MILLER SUPPORTERS' LIAISON OFFICER

“Woke up this morning...”

A very Happy New Year to all football supporters, and especially all Hatters fans!

So what a year 2018 was. On the pitch Nathan and the team achieved promotion, and have gone on to make a really fantastic start to our League One campaign. In addition, The Brache has also been developed into a really first class training centre.

Off the pitch we also had achievements. League Two Family Club of the Year, followed by a nomination in the Luton's Best Awards for our Here To Help matchday volunteer team (pictured).

Thanks to some donations and hard work by Club staff, the Hatters Hideout room has also had a major makeover, and now boasts two FIFA game stations. We were also one of the first EFL clubs to

appoint a Junior SLO (James Whitehead) – welcome James.

But We Are Luton Town! And so we don't want to stop there. For 2019 we're planning a number of further initiatives for supporters including:

- to redesign our Junior Hatters offering
- to hold Fans Forums for Junior Hatters where both younger fans and their parents can directly feed junior and adult views in to the Club (the first Junior Hatters forum date is provisionally booked for Friday 22 February)
- to hold more of our popular Family Fun Matchdays
- to continue with the popular Dugout Experience feature for families to watch the pre-match warm-up, as well as the Flag Waving team to welcome the players and officials on to the pitch before kick-off

- during most weeks now we can offer Stadium Tours – a chance to see behind the scenes at the Club. We ask for a donation of £6 per head which goes to help fund the valuable work of the Luton Town Community Trust (group rates are available for community organisations and schools)
- and our Catering Department will be adding to our popular homemade range of foods, with new initiatives to speed up service at the kiosks. Go contactless folks!

But a big part of the Supporters' Liaison Officer's role is to listen to supporter views and present these to the Club.

Your feedback is valued and really important, so please don't hesitate to drop me a line with any views or opinions (john.miller@lutontown.co.uk), or younger fans may like to contact James directly at junior.slo@lutontown.co.uk

So despite the hangover (and without even mentioning the forthcoming important Power Court and Newlands Park announcements!)...“Woke up this morning feeling fine...”. Yes, I somehow reckon that 2019 is going to be another truly exciting year for us Hatters fans!

DAVID PLEAT'S 80S ELITE!

Luton Town legends from the 1980s were reunited at Luton Hoo's Warren Weir a couple of weeks ago as part of the club's Christmas celebrations.

More than 20 of the Hatters squad who reached the top flight and flourished during a wonderful decade in which FA Cup semi-finals were reached and the Littlewoods Cup final won were present, along with manager David Pleat, assistant Trevor Hartley and physio John Sheridan.

BBC TV and radio football reporter Mark Clemmit compered the evening, which was sponsored by

A-Line Insurance and featured interviews with several of the players.

We would like to thank all the 330 people who attended – including supporters, sponsors, directors, the current manager Nathan Jones, his coaching staff and captain Alan Sheehan – and the following former players who helped make it such a memorable occasion:

Mick Harford - Luton appearances 217 / 92 goals

MATTY PEARSON'S ALL-TIME XI

4-2-4

That rock of a centre half with a magic hat gives us the run down on the best XI he has ever played alongside!

Aaron Chapman

Played with at: Accrington Stanley

Plays for Peterborough United now. He's big and comes for crosses, good shot stopper as well. Won the Golden Glove award last season.

Jason McCarthy

Played with at: Barnsley

Grafter, works really hard. When I first signed, for the first two months I was there he was brilliant, he got all the player awards.

Mark Roberts

Played with at: FC Halifax Town

He was big, strong, six-foot four. He won everything in the air. I was playing centre mid at the time so I didn't actually partner him in defence.

Liam Lindsay

Played with at: Barnsley

He's very good – young as well. He should play for Scotland soon. Last season he was Barnsley's best player. Him and Ollie McBurnie were class.

Andrew Yiadom

Played with at: Barnsley

You could always tell he was good. He was at Barnet when I was at Halifax, and I played with him for England C and then at Barnsley. Small and strong as well.

Matt Crooks

Played with at: Accrington Stanley

Tall midfielder, really good at running with the ball and deserved his move to Rangers when him and Josh left.

Dan Gardner

Played with at: FC Halifax Town

He plays for Oldham Athletic now, he was good on the ball and you could always tell he was going to get a move to the Football League.

Ollie McBurnie

Played with at: Barnsley

Plays for Scotland. Scored goals. Every sort you can think of. Unorthodox headers, tap ins, the lot. Playing all the time for Swansea now.

Billy Kee

Played with at: Accrington Stanley

His record is ridiculous. His League Two record is really good and he's doing well at this level as well. Get on with him well.

Josh Windass

Played with at: Accrington Stanley

Confident as you like, he scored a lot of goals when I played with him. Not surprised to see him in the Championship now with Wigan.

Lee Gregory

Played with at: FC Halifax Town

He now plays for Millwall and has scored a lot of goals. He is really good. He's unbelievable. He could hold up anything.

WELCOME BARNSLEY

The Hatters would like to extend a warm welcome to the visiting staff, players and supporters of Barnsley.

We've already pitted our wits against the Tykes this season, with Daniel Stendel's side running out 3-2 winners in a thoroughly entertaining afternoon at Oakwell back in October. A lot of Town supporters left that day saying Barnsley were the best side they had seen the Hatters face this season in league action – with that win moving the Reds up to third, whilst Town slipped down to tenth.

There's been quite a bit of movement in the table since that day – notably, the Hatters moving above Barnsley – their form waned with two consecutive defeats in the games that followed, recovering with three straight wins, but then found themselves on a run of four games without victory that saw them slip out of the play-offs all together before festive wins over Blackpool and Peterborough.

For a side that are aiming to get back into the second tier at the first attempt, they will be looking to put a winning run together. They boast a fantastic squad, with a particularly strong spine (which you can read about on our player profiles pages), including former Hatter Cameron McGeehan.

He needs no real introduction at Kenilworth Road – especially after scoring against us back in October

– after making 106 appearances for the Hatters, scoring 31 goals and helping win promotion back into the League in 2014. He joined the Tykes after missing the last six months for us with a broken leg, and he struggled to make an impact at Oakwell, heading out on loan to Scunthorpe United. However, he has broken into Stendel's side this campaign and is a shining light in their midfield, sure to receive a warm welcome back from the Kenny faithful this afternoon.

The club has bounced between the Championship and League One a couple of times over recent years, their relegation last season bringing an end to a two-season spell in the second tier. Once a Premier League side, albeit for a single season, the club have more recently won the Football League Trophy (2015/16) – with Danny Hylton heading in a superb goal for the side the Reds defeated that day, Oxford United.

This next month could prove to be of great importance to the Reds, as after today they face Oxford, Bradford, Wimbledon and Rochdale – all teams who find themselves either in a relegation scrap or down in the bottom half of the table.

THE GAFFER

Daniel Stendel | Age: 44

Took over: June 2018

A fairly successful striker during his playing career, Stendel spent his entire career in Germany, with the likes of SV Meppen and Hannover 96, netting over 100 career goals. After hanging his boots up, he worked his way up the coaching ladder with Die Roten, going from Under-19 coach to first team head coach in April 2016. Although he had a fantastic record there, winning exactly 50 per cent of his 34 games, he was sacked 11 months later. He took over at Oakwell in June and has seen a bit of a revolution, his side playing an excellent brand of football as they look to go back up to the second tier at the first attempt.

GOALKEEPER

JACK WALTON

AGE: 20

Joined Barnsley aged 15 from Bolton Wanderers, going onto make his Championship debut for the club last season.

DEFENDERS

DIMITRI CAVARE

AGE: 23

Signed from Rennes in the summer transfer window of 2017. A former France Under-20 who now represents Guadeloupe.

THE STOPPER

Adam Davies | Age: 26

Now in his fifth season at Oakwell, Davies came through the ranks at Everton, being named Academy Player of the Season for 2009/10. He was released by the Toffees in 2012 and joined Sheffield Wednesday, where he failed to make a first team appearance, often on the bench as a back-up to Chris Kirkland. After two years at Hillsborough he joined the Tykes and has been a regular for them ever since, helping them reach the Championship in 2016. Had kept a clean sheet in over 40 per cent of the games he had played ahead of their game against Charlton on Saturday.

DID YOU KNOW?

We have three former Barnsley players in the Hatters squad today, with Luke Berry, Elliot Lee and Matty Pearson all having had one-season spells at Oakwell. Berry made 37 appearances in 2014-15, scoring twice; Lee made six sub appearance without scoring in 2016-17 and Pearson played 19 times without finding the net last term

THE WALL

Liam Lindsay | Age: 23

The highly rated Scotsman joined Barnsley from Partick Thistle in 2017. Rumoured to have interested the likes of Celtic, Lindsay has been a regular since joining the Oakwell outfit, making 42 Championship appearances last season. He joined the Partick academy in 2011, signing a professional contract a year later. Loan spells with Alloa Athletic and Airdrieonians saw him pick up some good experience, before featuring regularly for Thistle's first team in the Scottish Premier League. Penned a three-year deal with Barnsley when he signed for an undisclosed fee.

IN THE MIDDLE

Alex Mowatt | Age: 23

A good friend of former Tykes striker Elliot Lee, Mowatt came through at Yorkshire rivals Leeds United, where he was highly rated, winning numerous club honours including Young Player of the Year in 2014, then a year later winning the Players' Player and the Player of the Year. He fell out of favour at Elland Road and was sold to the Tykes at the beginning of 2017 for an undisclosed fee. After being in and out of the team in his first six months, he spent last season at Oxford. He returned to Oakwell and has been one of the stars of the show this campaign.

DANI PINILLOS

AGE: 26

The Spaniard joined from Segunda Liga side Cordoba in January last year, having previously spent time with Nottingham Forest.

ETHAN PINNOCK

AGE: 25

A standout year at Forest Green Rovers during their promotion year to the EFL saw the Tykes swoop for his services in 2017. Also played for Dulwich Hamlet.

BEN WILLIAMS

AGE: 19

Came through the ranks at Blackburn Rovers, signing a professional contract with the Tykes in July 2017 after a trial.

ZEKI FRYERS

the Town. Came through the ranks at Chelsea and Norwich before signing permanently at Kenilworth Road in 2015, after helping the Town to promotion from the Conference while on loan in 2013-14.

BRAD POTTS
AGE: 24

Won promotion with Blackpool at the expense of the Hatters in 2017, earning a move to Barnsley that summer. Featured regularly last year.

WATCH OUT

Kieffer Moore
Age: 26

The forward had an electric start to his career, before a quiet few years, however, he has very much found his goalscoring touch again. A regular goalscorer for Truro City and Dorchester Town, he was bought by then Championship outfit Yeovil Town. Although he made over 50 appearances, he wasn't as clinical in front of goal and was released. He played in Norway for six months before returning to England to play for Forest Green. He was picked up by Ipswich, who loaned him to Rotherham where he was prolific. He was recalled in January, and sold to the Tykes, where he already has 17 goals.

GEORGE MONCUR
AGE: 25

The skilful midfielder joined the Reds in 2016 from Colchester United. Spent time on loan at Peterborough United in the 2016/17 season.

A Welsh international, Hedges joined the Tykes from Swansea City in January 2017. Can play up top, as well as out wide.

STRIKERS

VICTOR ADEBOYEJO
AGE: 20

Signed at the end of 2017, the powerful striker put pen to paper on a three-year deal. Scored 18 times for their under-23 side last season.

JACOB BROWN
AGE: 20

An academy product from Oakwell, Brown made his debut at Brentford in the 2016/17 season. Had a loan spell at Chesterfield last year.

MAMADOU THIAM
AGE: 23

Signed from French side Dijon in 2017, Thiam is a pacey forward. Has represented Senegal at Under-21 level. Town supporters will remember him for the absolute rocket he bagged against us earlier on in the season.

CLASSIC CLASH WITH THE TYKES

CLUB HISTORIAN ROGER WASH DELVES INTO HIS ARCHIVES...

2ND OCTOBER 1993 • LUTON TOWN 5 BARNSELY 0

After surviving a second successive relegation by the skins of our teeth at the end of 1992/93, we all gathered our breath and waited for a summer of comings and goings on the playing side as manager David Pleat made plans to make sure that seasons of struggle were a thing of the past.

Surprisingly the close season proved relatively uneventful. Phil Gray, desperate to move to the north-east for family reasons, got his dream transfer to Sunderland, but a large chunk of the £800,000 received by the Town had to be paid to Tottenham as part of the arrangement when he moved from White Hart Lane to Kenilworth Road two years previously.

Also on his way to Sunderland was goalkeeper Alec Chamberlain in a move which today would almost be called a 'Bosman'. League regulations stated that a player, at the end of his contract, could not be offered lesser terms otherwise he would be entitled to a free transfer.

Pleat was anxious to get the wage bill down, especially with many players still on Division One (now Premier League) terms, and with Chamberlain being one of these the goalkeeper accepted Sunderland's offer and left Kenilworth Road on a 'technicality'.

The opening game of the new campaign pitted the Town against their near neighbours Watford at Kenilworth Road and a crowd of 9,149 turned out on a sunny day hoping for better fare than had been served up over the past couple of years.

They were treated to a 2-1 win against a ten-man side, but although a victory over the old enemy was always gratefully received, most Luton supporters

were not convinced by the performance and predicted another season of struggle with the lack of a reliable goalscorer the main cause for concern.

A 1-0 defeat at Portsmouth was followed by reversals at home to Nottingham Forest and newly promoted Bolton before experienced campaigner Alan Harper was drafted in on a free from Everton. He was left shell shocked on his debut though as the Town went down 4-1 at Tranmere, although it must be said that the game was a lot closer than the scoreline suggests.

Draws at both Middlesbrough and Birmingham did little to appease the fans and there was talk of a major boycott for the next game, at home to Barnsley, as the Hatters slipped to bottom place in the league.

Amazing

Only 6,201 turned up for Barnsley's visit, the lowest league attendance at Kenilworth Road since 1979, and with Kerry Dixon still missing through injury, the Town were parading the youngest forward line in their history which naturally needed all the terrace support it could gather.

The game got off to an amazing start when, after three minutes, full-back Julian James intercepted a pass and broke over the halfway line before being clattered by Barnsley skipper and centre-half, Gerry Taggart.

After a long break, while both players were attended to, the referee sent Taggart off and immediately Luton supporters thoughts went back to the opening day of the season when the Town found it so difficult to overcome a depleted side.

This time, though, the Hatters were not about to surrender the initiative and aided by a superb performance from Ceri Hughes tore into the Barnsley rearguard.

Still smarting from a last-minute miss at Birmingham the previous week, Hughes put on his best display for three years and set up Hartson for the opener after 28 minutes, although the big

striker still had two players to beat before putting the ball in the net.

Another brilliant long ball from Hughes ended up with Oakes scoring the important second goal just before the interval, and when James burst through to smack in the third on the hour, the game was as good as over.

No supporter could remember the last time the Town had made a numerical superiority count and when substitute Scott Houghton and then Oakes again netted late goals to make the final score 5-0, thoughts of a further boycott rapidly disappeared.

THE LAST TIME BARNSLEY CAME TO TOWN

CLUB HISTORIAN **ROGER WASH** REPORTS ON **THE TYKES'** LAST VISIT TO KENILWORTH ROAD

20TH JANUARY 2007 • LUTON TOWN 0 BARNSLEY 2
CHAMPIONSHIP

Storm clouds were rumbling over Kenilworth Road in this, our second season in the Championship. Influential skipper Kevin Nicholls and top scorer Steve Howard had been sold over the summer of 2006 without adequate replacements, and during the January 2007 window Rowan Vine and Carlos Edwards had departed in exchange for £4 million.

Where had all the money gone, asked the supporters?

Yet, surprisingly, the season had started brightly and after 13 games, following a 5-1 home thumping of Leeds, the Town sat in fifth position. It all went horribly wrong after this though as the next 15 games yielded just nine points and by the time of the visit of Barnsley we were hovering just above the relegation places.

A lowest of the season crowd of 7,441 turned out to see a clash between two struggling sides with the Tykes having won only one in eight.

The game got off to the worst possible start as far as the Town were concerned with Barnsley taking the lead in the seventh minute. Having lost the ball

in midfield, the Hatters were rocked when a swift counter attacking move saw Brian Howard net from 16 yards.

The Town huffed and puffed after that with the loss of both Warren Feeney and Leon Barnett, both to knee injuries, not helping matters in a lifeless and listless performance.

Barnsley were content to sit on their lead relatively untroubled and got the bonus of a second goal right at the death when Martin Devaney rifled home after another fast raid on the Luton goal.

Luton manager Mike Newell was not too downhearted afterwards and confirmed: "It wasn't our day in any department but I don't worry about things, but just get on with it."

Luton Town: Kiely, Keane, Barnett (Boyd), Coyne, Davis (Brkovic), Emanuel, Langley, Robinson, Bell, Morgan, Feeney (Perrett).

Barnsley: Colgan, Togwell, P Reid, Eckersley, Hassell, Kay, McCann, Devaney, Howard, Richards (Coulson), Nardiello (K.Reid).

CLUB HISTORIAN ROGER WASH PICKS OUT EIGHT PROGRAMME COVERS FROM PAST GAMES WITH OUR OPPONENTS

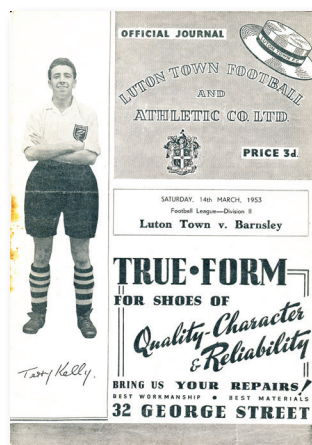

September 1948

The Hatters sit in third place in Division Two (now the Championship) and do their promotion prospects no harm with a comprehensive 6-0 win against Barnsley. Record goalscorer Gordon Turner bags two of the six.

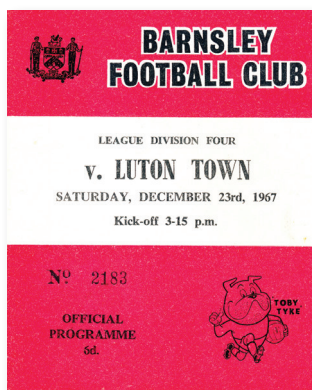

October 1965

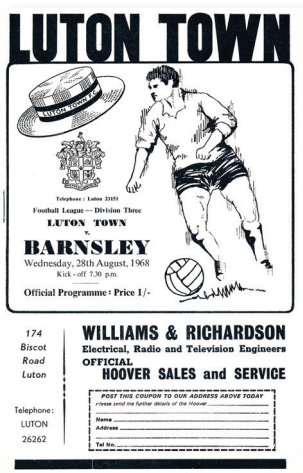

Two days after a 4-3 home win over Doncaster, the Kenilworth Road faithful are treated to another breathless encounter as the Town edge past Barnsley 5-4. Goalkeeper turned striker Tony Read nets two of the Town goals.

December 1967

Two promotion heavyweights slug out a 2-2 draw at Oakwell. Even the Barnsley supporters applaud a stunning strike from Bruce Rioch.

▲ September 2006

A Championship clash at Oakwell is drifting towards a 1-1 draw when Barnsley's young Arsenal loanee goalkeeper Vito Mannone fumbles a cross, leaving the Town's Ahmet Brkovic to head into an empty goal.

DEADLY DUOS

**FOOTBALL HISTORIAN LEIGH EDWARDS PROFILES FOUR NOTABLE
POST-WAR BARNSELY GOALSCORING PARTNERSHIPS**

LOL CHAPPELL & BOBBY BROWN

Centre-forward Lol Chappell was leading marksman in Barnsley's 1954-55 Third Division (North) title triumph. Born locally, he impressed with Birdwell Rovers before moving to Oakwell in May 1949. He formed a lethal partnership with Bobby Brown as Barnsley narrowly failed to regain Second Division status at the first attempt in 1953-54. Top scorer again in 1957-58 and 1958-59, he netted 94 goals in 218 League games for the Tykes prior to joining Doncaster Rovers in August 1959.

He later played for Bath City, Bideford and was Barnstaple Town's player-manager, then worked in insurance and died in February 1988.

Scottish inside-left Bobby Brown starred in Barnsley's 1954-55 Third Division (North) title success. Initially with Glasgow Perthshire, he served in the Black Watch regiment, joining Derby County in October 1947. He moved to Southend United in July 1948 and reunited with Sammy Crooks at Shrewsbury in July 1950. Leading marksman in 1950-51, he rejoined Tim Ward at Barnsley in July 1953. Twice top scorer, he netted 55 goals in 120 League games, moving to Rotherham in September 1956.

Later with King's Lynn, Scarborough and Selby, he worked at Rotherham and Doncaster power stations and died in January 2005.

TREVOR AYLOTT & RONNIE GLAVIN

Striker Trevor Aylott starred as Barnsley won promotion and reached the FA Cup fifth round in 1980-81. Starting at Chelsea, he moved to Barnsley for £50,000 in November 1979 and netted 26 goals in 96 League games.

He joined Millwall in August 1982 and moved via Luton Town to Crystal Palace in July 1984 and was top scorer in 1984-85. Moving to AFC Bournemouth in August 1986, he was a key figure in their 1986-87 Third Division title triumph and 1988-89 FA Cup run, moving to Birmingham City for £40,000 in October 1990. Later with Oxford United, Gillingham and Bromley, he is now a London black cab driver.

Scotland international midfielder Ronnie Glavin was Barnsley's leading goalscorer on three occasions. Starting with Partick Thistle, he joined Celtic in November 1974 and helped twice win the Scottish league title. He moved to Oakwell in June 1979 and starred as the Tykes won promotion and reached the FA Cup fifth round in 1980-81. Joining Belenenses in August 1984, he returned to Barnsley as player-coach in July 1985 and netted 73 goals in 182 League games overall for the Tykes before moving to Stockport County in August 1986. He has since had spells as manager of Frickley, Worksop Town, Emley and Wakefield.

Neil Redfearn

NEIL REDFEARN & JOHN HENDRIE

Neil Redfearn was top scorer as Barnsley reached the Premier League in 1996-97. Signing professional for Bolton Wanderers in June 1982, he had spells with Lincoln City, Doncaster Rovers, Crystal Palace and Watford prior to joining Oldham Athletic in January 1990. He starred as they were FA Cup semi-finalists that season and won the Second Division title in 1990-91, moving to Barnsley in September 1992.

Scoring 71 goals in 292 League games before joining Charlton Athletic in July 1998, he then played for Bradford City, Wigan Athletic and Halifax Town. He has managed Scarborough, Northwich, Leeds and Rotherham.

Goalscoring winger John Hendrie was 'Player of the Year' as Barnsley reached the Premier League in 1996-97. Initially with Coventry City, he joined Bradford City in July 1984 and was ever-present three times including their 1984-85 Third Division title triumph, moving to Newcastle United in June 1988. He joined Leeds United in June 1989 and helped them to win the Second Division title in 1989-90, then moved to Middlesbrough in June 1990 and featured in their 1994-95 First Division title triumph. Joining Barnsley in October 1996, he had a spell as player-boss and netted 17 goals in 65 League games while at Oakwell.

Craig Hignett

CRAIG HIGNETT & NEIL SHIPPERLEY

Striker Craig Hignett was top scorer as Barnsley reached the First Division play-off final in 1999-2000. A former Liverpool apprentice, he moved to Crewe Alexandra in May 1988 and starred as they qualified for the Fourth Division play-offs in 1991-92.

He joined Middlesbrough for £500,000 in November 1992 and featured in two promotion campaigns, then moved via Aberdeen to Barnsley in November 1998. Scoring 28 goals in 68 League games, he was sold to Blackburn Rovers for £2.25m in July 2000. Helping them win promotion in 2000-01 and the League Cup in 2002, he later played for Leicester City and Darlington.

Former England U-21 striker Neil Shipperley starred as Barnsley were First Division play-off finalists in 1999-2000. The son of former Gillingham defender Dave Shipperley, he began with Chelsea and joined Southampton for £1.2m in January 1995. He was sold to Crystal Palace for £1m in October 1996 and helped win promotion in 1996-97. Following Dave Bassett from Nottingham Forest to Barnsley in July 1999, he netted 27 goals in 78 League games before joining Wimbledon in July 2001. He won promotion again with Palace in 2003-04 and Sheffield United in 2005-06, then played for Brentford.

[JARED ROBERTS-SMITH]

THE SCIENCE OF EVERYTHING LUTON

HEAD OF SPORTS SCIENCE: JARED ROBERTS-SMITH

Hatters fans around the world, I hope you had a fantastic Christmas and may I take this opportunity to wish you the happiest and most prosperous of new years in 2019.

As a proud member of the Hatters' backroom staff, if 2019 is to be anything like 2018 then I think it's safe to say we are all in for a treat.

With 27 wins this calendar year, and a 54% win rate for all games, it's been a great year for the Town. You guys have been treated at home, with 17 wins from 22 games and 54 rip-roaring goals being scored through some scintillating football.

The amazing travelling support we have received has also been second to none and with occasions such as Notts County where 4,500 of you turned up to the promotion party, it's a highlight of mine for 2018 and beyond.

We are hopeful we can carry on the current form that we are in into 2019 with the ultimate aim of replicating 2018's promotion winning season and creating further memories for everyone.

Those of you who follow my twitter account would have seen my tweet from a few weeks ago mentioning how what is currently happening at the club is no coincidence. The fantastic stuff you guys are watching at the moment is just the tip of the iceberg when it comes to the work that goes on behind the scenes.

The club is full of hard-working individuals that come together to collectively bring the whole operation together.

This is driven by Gary Sweet at the top, who has been brilliant for me since my arrival at the club, along with the likes of Paul Watson, Chris Clark and the Gaffer, all of whom have heavily supported the sports science department and its infrastructure.

It was nice to share a few drinks and spend the evening at the Bear Club for the LFC annual staff

party. There's a lot of other people behind the scenes such as Cristiano, our head of catering, Maggie and Paul, the head training ground chefs, and Sonny our kitchen porter, all of whom help prepare the canteen area as well as feed and fuel the lads on a daily basis a massive part of our preparation and recovery strategies.

Also individuals such as Peter Kemp and his team who have helped recently revamp the training ground gym and home changing rooms, Dickie and his band of merry men who take care of the training pitches and stadium, as well as people like Ed Smith, who are in the process of creating visuals and motivational posters for the training ground gym, changing rooms and canteen. All of these people help the sports science department out hugely so it was good to share a beer with them to celebrate the festive period.

In addition to the club Christmas party, the first team staff also ventured out on a night to London earlier in the month. I arranged this as the newly appointed social secretary upon Paul Hart's departure.

We enjoyed a superb evening at Madisons restaurant and lounge, with great views of the city, some excellent food and a few drinks to unwind before the hectic Christmas schedule commenced.

As organiser of the event in a pretty cool place in London I was a little worried about some of the group's attire for the event, however much to my amazement everyone turned out looking pretty dapper. Steve Rutter had been out the day before and stole some gear off of a Ted Baker mannequin (head to toe in it). Pete had his jeans on Darren's

boot stretcher to elongate the leg so he could get them over his calves, Joaquin left his turtle neck at home and the gaffer dressed in accordance with his age, as opposed to his usual 28-year-old look!

I haven't mentioned Kev because he's a bit touchy at the moment as I'm always giving him a bit of stick in my column...I'm sure you can imagine what he looked like though. As I write this, I am yet to receive my secret Santa present, so I'm sure I will get my fair share of banter in return.

Enjoy the rest of the festivities, especially this afternoon as we plan to get this year underway in the right way with another great win at the Kenny.

HAPPY BIRTHDAY ROBERT & NICK!

Scott Cooper got in touch with TIOT to say: "I would like a wish a very happy birthday to my dad Robert Cooper and my father in law Nick Avramovic, who have both been coming to Kenilworth Road since they were kids and share their birthdays this month. Hope you guys have great birthdays. Lots of love from Scott, Zoe and Riley."

ON THE **Elliot Lee** CENTRE SPOT

We asked for your questions on our social media channels to put to Hatters forward Elliot Lee ahead of today's clash with his former club Barnsley. Here the 24-year-old is the latest Hatter to be put On The Centre Spot!

 **baileyneale06** What went through your mind at the time when you came back to the Hatters?

Just a fresh start really. I had had a nightmare year at Barnsley and I wanted a fresh start where I could get settled. I obviously knew Olly here, I knew a few people, I knew the supporters. This is somewhere I thought I could get my head down and start enjoying my football again. I am happy to say I am very much enjoying my time here.

 **DaleWilliams** What has been your favourite goal scored, while playing for the Hatters?

The left foot volley I scored against Cambridge. My brother had just scored from the halfway line as well. The Cambridge game was pretty special, I got two goals but the left foot volley was my favourite. A lot of people have said to me they prefer my goal to Olly's! It was a good game. I didn't smash that goal in, it was all technique. Olly's was the best I have seen from anyone else on a pitch by a mile. Nobody cares that Danny Hylton got a hat-trick that game!

 **@ConnorLeach15** How good is your relationship with **@CornickH** on and off the field?

Fantastic. He's probably helped me more in the ten role now that he's come in the team because he stretches a lot of the play. If I am ever in trouble, I know I can put it over the

Elliot celebrates THAT goal by his brother against Cambridge last year...

...and then his own stunning volley!

top and his electric pace helps me so much and it also creates me a lot more space. Off the pitch as well, I think if anyone heard our conversations, they wouldn't really know what we were on about. I didn't actually like him when I first came here. I tried to talk to him on his first day because we had a mutual friend – Bradley Dack – and he basically blanked me. So from that day forward I didn't like him. I said 'Do you know Dacky?' and he just said 'Yes.' It was like getting blood out of a stone.

Elliot celebrates a goal in trademark style with Harry Cornick

I have told Harry this. I didn't like him, so we didn't speak for the first month and then all of a sudden something happened, something clicked and we became best friends. The only time I have really snapped at Harry on the pitch was at Bury, he could have squared it to me for an open goal and I did go mad at him and use a few choice words. Then two seconds later I looked at him and he had this baby face, he looked like he was about to cry. I felt really sorry for him and we came in at the break and he said sorry straight away. But I can't really stay mad

at him for long. The little puppy eyes he had, he looked like his whole world had fallen apart. So I let him off.

@CornickH What would your perfect evening with Harry Cornick be?

What do we have in common? My perfect evening would be, if he brought his best mate Joe Quigley, who plays for Bromley, and then Harry did his own thing, that way me and Joe could have a better night. He was at Bournemouth with Harry and he's so much better than Harry. That would be my perfect night with Harry, if he brought his best mate along.

@Hemel_Hatter Harry Cornick vs Food.

Any chance you could create your own Twitter account? The Insta clips of him are brilliant.

I could create my own Twitter account, but I don't think you'd get as many followers because who really wants to see Harry eating food? I do catch him out a lot. Sometimes it's just because I catch him eating, but sometimes he puts so much on his fork as he does it he nearly bites his fingers off. Then once I get him he starts smiling, or I get told to go away.

@ConnorLeach15 Who is the best player you have played with and against?

Ravel Morrison would be up there. I trained with Dimitri Payet, but I didn't play with him. Let's put Manuel Lanzini. He was unbelievable, I played with him in the Europa League.

ON THE CENTRE SPOT

@ZarBeck26 A couple here - As a youngster who did you aspire to be and why? Secondly, who has had the most influence on you in your career to date?

I probably aspired the most to be Wayne Rooney. He made his debut when he was 16, my grandad Reg came in and was talking about it and was saying 'He's just scored against Arsenal'. So I must have been seven or eight. I remember watching him on Match Of The Day and I have loved him ever since. We're quite similar in that we're stocky, we're both strikers, he can drop deep and play in the ten. I think I have always looked up to him and tried to emulate him. I think playing in the number ten has helped show I have that side to me, because as a striker I prefer to drop off, rather than run in behind, I

am not as good at it as somebody like Corns. Playing in the ten does showcase that. My old man has probably had the biggest influence. And my brother. Watching my old man play for England. I can remember him scoring in one of his last games for Newcastle against Manchester United. He skipped past Becks and Giggs, he scuffed his shot a little bit and it bounced over Barthez and went in. He has always encouraged me. We've all had bad days, but we encourage each other through it. My dad has been through it all. I sometimes think 'Jesus Christ, dad was good'. Me and Olly play at a good level, but my dad was up there with the best. He played for his country. You always get those moments when you're reminiscing with the family and then you think 'Jesus, he was some player'.

Elliot dedicates his goal on his first Luton debut to his late former West Ham team-mate Dylan Tombides

He has everything, so sharp, him and Dimitri Payet used to take the mick out of everyone in training, nutmeg after nutmeg. It was his debut and he scored. He was really good. I wish him a speedy recovery as he had a bad knee injury. I don't like saying it because I was only on the pitch for 20 minutes when I came on for West Ham against Manchester United in the FA Cup, but Phil Jones and Chris Smalling are the best I have played against. It was my debut and Jones flattened me, it was my debut. The ball came over the top and he went through me like a truck. Landed on me and bang 'Welcome to professional football, Eli'. I was on the deck and it really hurt – and it was live on ITV! It wasn't a free-kick, he won the ball. I had all of Phil Jones land on top of me. In that 20 minutes I could see how good he was, it was a joke.

@mrdanhead How does Elliot feel about his bromance partner wearing gloves during the game??

I didn't even realise until about half-time that he was wearing gloves. It's not a problem for me, but I did expect better from him. We're all out there in the cold, so take your gloves off. It was probably one of the coldest games I have ever played in against Coventry, so what makes him special? Why does he get to wear gloves? Why are his hands more important than everyone else's? Do you see where I am coming from? He didn't bring everyone else gloves. He brought his own selfish gloves. He

chose to wear them, they weren't even Luton Town ones. I did think a little bit less of him!

@cmcevoy7 Create a 5-a-side team using the current Luton squad?

Shinnie is 100 per cent in there, I love playing football with Shins. I will put myself in there. Jorge Grant, another tiki-taka player. Pelly-Ruddock Mpanzu. He can do both the defending and the attacking, and he can pop the ball about. I am going to choose Harry Isted, because he is an unbelievable shot stopper.

@emmaorch Do you have any superstitions?

I kiss my tattoo on my wrist of my friend who passed away – Dylan Tombides. I kiss it then say a couple of words.

I have lost a few friends, so I just say few words to them and like to think that they're looking over. I have routines, but I wouldn't call them superstitions. Like I always have chicken and pasta the night before a game. Saturday morning I will have scrambled eggs, beans and toast. I like to keep my routine.

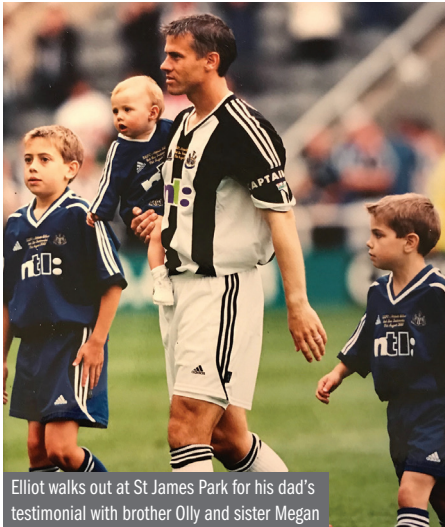

@henmanbrett123 Best moment in a Luton shirt 🍀🍀🍀🍀🍀

Obviously promotion is right up there, but it would be during my first spell here, when I scored against Wycombe and I dedicated it to my mate Dylan. And

it was on TV as well. Dylan joined West Ham when he was 16, I was in the year below. It must have been a good four or five years we spent together. You could tell he was class, you didn't know what foot he was because he was so good with both. He was a great guy, always laughing, always joking. It was devastating to lose him, but I am sure he is watching down on us.

thorne_j90 Who's the better player out of you and Olly?

I can't say because he's a midfielder and I am a striker. I will never answer that question.

harryfield05 Best mate in football?

I have to say Harry, but also Adam Armstrong who plays for Blackburn. We played together at Barnsley and we still keep in touch now. One of those people you just click with like me and Corns. The Newcastle link definitely helped, he is a Geordie and Geordies are great people.

James_Rutherford_ Who is your dream team to play for?

West Ham, but Newcastle United and Manchester United are right up there.

Thousands! Singing Irish songs and celebrating what great form we're in!

STORY OF THE MATCH

The Hatters made it six consecutive victories as they rounded off 2018 at Kenilworth Road – maintaining their unbeaten run in the third tier in the process.

Town looked to exploit the space in behind Burton's full-backs from the off and did exactly that as they broke the deadlock. Andrew Shinnie's spectacular pass from the halfway line found Jack Stacey, who calmly slotted into the bottom right corner with 17 minutes gone.

Danny Hylton was introduced shortly after the hour mark and gave the game the bit of impetus it required, as he won the Hatters the penalty that would ensure victory for the afternoon, being tripped by Stephen Quinn.

James Collins stepped up and hammered it into the top left corner in front of a packed Kenilworth Road end for his ninth goal of the season.

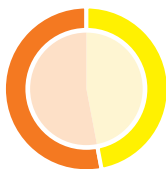

James Collins fires in the second from the penalty spot

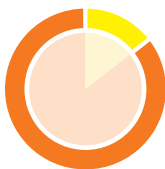

JONES:

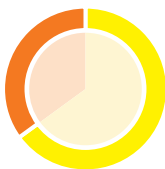

"I am delighted. I thought we controlled the game well. It was important to get the goal which we did. These are a good side, they beat Middlesbrough in midweek. They've got a Championship squad, they haven't lost many – maybe one or two – from last season, so it's a real good result for us, especially how we managed the game, how we controlled the game and we nullified them to very little. I thought we weren't at our most fluent, but I thought we were excellent and it's another fantastic win."

STORY OF THE MATCH

Town moved to within a point of table toppers Portsmouth – who lost in the lunchtime kick-off at Gillingham – as they showed their quality in a 2-0 Boxing Day win over the Iron.

After a quick start from Town, Scunthorpe found their feet and looked much the better side for long periods, before Andrew Shinnie expertly swept home James Justin's low cross to the edge of the box just before half-time for his fifth goal of the season.

The Hatters had the all-important second goal just five minutes after the restart when a bit of a defensive mix-up for Scunthorpe saw Elliot Lee pinch the ball 35 yards from goal.

The Town forward saw his excellent effort palmed away by Jak Alnwick, but only into the path of Harry Cornick who fired in from close range for his seventh of the campaign.

JONES:

"I'm delighted more with the result than the overall performance, because I felt we rode our luck a little bit first half. We weren't really at it, we looked weak I think, and it wasn't until we scored did we really look like we had a foothold in the game.

"We started brightly in the first five minutes and I thought we were excellent, we had chances, got in behind them, could have done better with a couple of opportunities.

"But then they were better than us, they played a strange shape in terms of what they did. They went 3-3-4, real positive up top to try and get the result that they needed, and we struggled to get to terms with it.

"But second half I thought we came out much better, managed the game much better and thought we were deserved winners overall, because we just had that little bit more quality, but on chances, they probably shaded it."

BY HARRY ROGERS

SHINS AND HARRY SING THEIR HEARTS OUT!

Andrew Shinnie and Harry Cornick were on hand to give the Hatters' fans something else to celebrate over the festive period, popping up with a Boxing Day goal each to make it seven wins from seven and close the gap on Portsmouth at the top to a single point.

The duo had the spirit of Christmas within them on the day, as Shinnie admitted after the match that the pair were chanting the fans' rendition of Harry Cornick's 'Last Christmas' on the way back to the centre circle when the number 14 had put the game to bed in the second half.

The Scot said: "He (Cornick) loves it, he's a show pony honestly, he loves all that, but he deserves it. If you're playing well on the pitch as he's playing, then fans will adore him. He's that kind of character really, he's just a loveable guy. He's great to be around and it's a good song.

"I actually found myself singing it during the game. When I was running back after he scored, me and Harry were singing it. It's a catchy tune. If you watch him back after his goal, he was dancing to it on the way back but it's good fun and it's good to have a song."

The Town were in front on 37 minutes when James Justin surged forward on the left and played the ball inside to the ex-Birmingham midfielder, who was able to place his effort into the bottom corner for his fifth of the campaign.

Shinnie continued: "JJ was just bombing on down the wing like he does, and he managed to burst ahead. I thought he'd seen me when he was running. He said he had seen me. I thought he had maybe tried to play it to Collo and it went behind him, but he said he picked me out and he's an honest lad, so I believe him.

"I didn't have to break stride really, I just kind of stepped on to it. I used the defender to bend it around him, it's tougher for the goalkeeper if you do that and it went in the back of the net."

The team trained and travelled up to Scunthorpe on Christmas Day, another testament to the squad's dedication to do well this season, including the 29-year-old, who didn't even spend Christmas with his own family.

He added: "I was at Elliot Lee's family's yesterday. My missus had to go up home on her own otherwise I would have left her on her own Christmas Day and Boxing Day, but that's the sacrifice, that's football.

"A lot of the lads have to do it, it's horrible to do it but you just have to. That's why I was so determined to win today, you want to make it worthwhile doing it and getting the three points makes it worthwhile."

TRAVELLER'S TALES

LUTON TOWN SUPPORTERS' TRUST MEDIA OFFICER **KEVIN HARPER'S** TRIP TO GLANFORD PARK

THE JOURNEY

Still feeling some of the effects of Christmas Day, it was a mid-morning start for the trip to Scunthorpe. The day got brighter as the journey went on and we made it to Lincolnshire in good time, parking up outside Glanford Park just after 1.30pm.

RATING: (OUT OF 5) 🏆🏆🏆

THE GROUND

This was my second trip to Glanford Park and my first since the promotion campaign under Joe Kinnear. I can't say I remembered much from back then but inside the ground the view is decent enough, although the facilities are terrible and certainly not much of a Christmas setting!

RATING: 🏆🏆

THE FOOD

Given that we got there early I made my way with the rest of the gang to KFC, one of a number of fast food options outside the ground, but once again my trusted cohort Mr Smith informs me that the food inside the ground was perfectly acceptable.

RATING: 🏆🏆🏆

THE PROGRAMME

A 68-page booklet was produced for this Boxing Day match. It had fairly lengthy profiles on the Town squad which were worth a read, but the bit I enjoyed the most was the reference to our superior record over Watford, very appropriate for Boxing Day!

RATING: 🏆🏆🏆

THE MATCH

With Portsmouth losing before we kicked off this became a big game for the Town, and although we came out of the blocks well we had our backs to the wall for most of the opening 25 minutes. Gradually we worked our way into the game and after Harry Cornick drawn a good save from the keeper, Andrew Shinnie opened the scoring with a delightful finish eight minutes before the break. Cornick got his goal just after half-time and the Town were comfortable from there on in. If anyone was going to score again it looked likely to be us, but the longer the 90 minutes went on the more it became apparent it was going to end 2-0. Three valuable points in a controlled away performance.

RATING: 🏆🏆🏆

MAN OF THE MATCH

Andrew Shinnie was the game changer with the opening goal, but he put in an energetic performance in the middle of the park and deserved his ovation when he was substituted late on. His calmness on the ball allowed us to keep control after we took the lead, and he got my man of the match vote as a result.

SUMMARY

As the song goes, 'Oh what fun it is to see Luton win away'...and fun it was. Not just a win but a seventh victory in a row. Fantastic form and a perfect way to end to the festive few days!

OVERALL RATING: 14

A TASTE OF CORNWALL

Picture courtesy of The Diocese of St Albans

REVD DAVID KESTERTON CLUB CHAPLAIN

I'd like to start by wishing everyone a very happy new year and all the best for 2019.

There were a number of significant anniversaries in 2018; 100 years since the end of World War One and start of voting rights for women, the 70th anniversaries of the Windrush sailing and the founding of the NHS.

A highlight of 2018 for me was marking the Windrush anniversary with a celebration at our church – All Saints, Shaftesbury Road – with over 300 people attending even though it clashed with England's World Cup quarter-final game against Sweden. We reflected on the challenges faced by the Caribbean community as they made their home here and the major contribution they made to the life of our town and country. The community around Bury Park was, and continues to be, home to many new arrivals in our country and our multi-cultural community continues to change and evolve.

The year 2019 will bring its own crop of anniversaries. As well as remembering our appearance 60 years on from the FA Cup final of 1959 – a quick look reveals we may be celebrating 500 years since the death of Leonardo da Vinci, 70 years since the first appearance of Noddy and 60 years since the sale of the first Barbie doll!

An anniversary that will get a lot more attention is the 50th anniversary of the first moon Landing

in July, and I'm sure there will be plenty of commemorations to mark this event. I've always been fascinated by early space missions and the triumph of the organisation and planning needed.

My favourite fact about the Apollo 11 mission is that the computing power on board was many thousands of times less than that we carry around in our smart phones today. For those of us who can't imagine a journey to Northampton without Sat Nav, it's mind boggling to think of all that went into successfully getting men onto the moon and back again.

As we think about the year ahead and make our resolutions, it's worth reflecting that technical know-how and wizardry can only take us so far. Persistence, resilience, faith and vision can't be computerised and these qualities of the human spirit are the same today as they have always been.

They are what keep driving us forward and helping us to pick up the pieces when things don't go to plan. Christians, along with those of other faiths, believe there is one other thing that doesn't change – God's love for us.

I'm sure that in 50 years' time the Hatters will be playing top-flight football and celebrating many years in the new Power Court stadium which will have become the heart of our town! COYH!

ACADEMY UPDATE

Two of the Hatters' talented second-year scholars have moved into Non-League football for a month to gain valuable senior experience.

Striker Connor Tomlinson was the first to make the move, joining Vanarama National League South side Hemel Hempstead Town on a one-month youth loan on Friday December 14th.

The 17-year-old forward has linked up with former Town player and youth coach Joe Deeney, who is now in charge at Vauxhall Road, and fellow former young Hatters Kavan Cotter and Jack Snelus.

Tomlinson, who has 20 goals to his name so far this season for the Under-18s and Development sides, made his debut in their FA Trophy win over National League side Eastleigh and stands to gain valuable senior experience as the Tudors push to break into the play-off places.

A division below in the Pyramid, Drew Richardson has made a similar switch to Harlow Town as they look to climb out of the Bostik League Premier Division's relegation zone.

The 17-year-old joined up with the Hawks on Christmas Eve, after a pre-arranged move to Bognor Regis Town was not sanctioned by the governing bodies and these new opportunity became available.

He was in the Essex club's squad for their local derby against Bishop's Stortford on Boxing Day and will stay at the Harlow Arena for a month.

Academy & Development manager Andy Awford said: "Harlow is a good club for Drew to go to gain experience of men's football and playing for points on a Saturday, just as Hemel is for Connor.

"With both moves the lads have joined clubs where we know who they are going to be working with, and what kind of environment they are going into,

which is crucial when we choose to send them out on loan.

"We'll be keeping a close eye on both players' progress as they enter an important stage in their career development, and they will continue to train with us at The Brache on a daily basis."

*The Hatters Development side have been drawn away to Biggleswade Town in the Beds FA Senior Cup semi-final, with the match due to be played on Tuesday 12th February. Ticket prices for the Carlsberg Stadium tie are £8 adults and £5 concessions.

LUTON TOWN IN THE COMMUNITY

COMMUNITY TRUST ANNUAL REVIEW 2018

Another great year at the Trust which has seen further growth in both personnel and location, together with an increase in the number of varied football and non-football projects we deliver to our local community.

As a registered charity our role is to represent the Club in the wider community using the power of football to be at the heart of our community. We rely on raising our own funds through both our coaching activities and grant funding from the EFL Trust, Premier League and PFA with support from the Club, first team players and our main sponsor easyJet.

Additional partnerships with the Home Office, Heritage Lottery Fund, Luton Adult Learning, Wembley National Stadium Trust and the Laureus Foundation and has enabled us to both expand our existing activities and begin lots of new and exciting projects and collaborations locally.

We now provide over 70 free PE lessons every week to over 2,000 local school children as part of the Premier League Primary Stars Project and easyJet Free Schools Visit Project. Lessons include both reading and numeracy modules in the classroom

as well as PE lessons, and of course we offer mentoring support to school staff who deliver PE. Last year we celebrated a landmark with easyJet after reaching a staggering 50,000 individual children who have benefitted from our free schools project in this year we celebrated our ten-year partnership.

Our girls-only coaching continues to increase with support from our Premier League Girls funded project allowing us to appoint a full-time Girls Football Development Officer last year, with the number of girls taking part in football sessions growing as part of a five-year strategy of offering girls the same opportunity as boys to be involved with the Hatters.

Our involvement in Disability Football continues to prove hugely rewarding for both staff and participants, and as well as our two adult teams, the Hatters and Boaters, who had a successful season finishing runners-up in one of their leagues this year. Thanks to continued support from the Wembley National Stadium Trust and EFL Trust we continue to coach weekly sessions at many of the special educational needs schools in Luton and

Bedfordshire as part of our 'Every Player Counts' project.

Our Skills Performance and Development Centres also continues to perform well with over 600 recruited boys in the system attending 16 weekly centres. Boys trialling and now playing for the schoolboy academy are approaching double figures already this season and we continue to support the recruitment of talented local youngsters into the Club.

We also increased our football tournaments this year with the Hatters Cup involving 1,200 youngsters playing at Kenilworth Road in May, as well as also involving hundreds of additional youngsters in the national Girls U13 and Kids U11 Cups.

We also held our Luton Street League Integration Cup at the stadium as part of our Community Led Local Development project with the Council which forms an important part of our integration sport, training and employment project with the help of the European Social Fund.

Thanks to the Heritage Lottery Fund we began our task of taking the Hatters history into local schools, and with lots of research and development of this new project we are really excited about the potential results next year when we begin our delivery into schools.

We also received a major boost for our Over-50s walking footballers with a donation from Bedfordshire Masons, and this will allow us to open additional centres across the County. Our partnership with Luton Adult Learning continues to grow as we provide community learning opportunities to unemployed adults in Luton. Our Home Office funded Football for Peace project gained us a lot of recognition with our ambassadors meeting the Duke of Cambridge to finish off a great project that saw 30 young people receive training and qualifications.

Our Christmas treat this year was a fantastic donation of equipment from the LTFC Supporters' Trust, which is already being put to good use and we look forward to a growing partnership with our supporters as we all look to spread the word!

We look forward to keeping everyone updated through these pages during 2019 on all of our existing and new projects as we look to both promote Luton Town Football Club to new supporters, and also use the power of football to affect and improve the lives of as many members of our community as we can.

Happy New Year to everyone. COYH!

LUTON TOWN LADIES YOUTH UPDATE

Luton Town Ladies youth section has grown from three teams to five this season with Under-11s and Under-9s teams added to the club.

The season has seen a great start for all teams, especially the Under-10s and Under-11s both winning their competition cups.

The Under-12s are through to the semi-final after coming from behind to win 9-1 in their quarter-final. The Under-12s are currently top of the table by nine points, and also boast the league's top goalscorer Carla Todd, who has netted 30 goals in 14 games.

The Under-14s are in the final after battling hard and winning 3-1 on Saturday against Mortenville. The Under-16s are in an ongoing battle in the table, but with winning three out of their last four games, the season has finally kicked in for them with manager Chris Chew getting the team back to winning ways. POMPEY REARRANGED - TUES 29TH JAN

The Hatters' home Sky Bet League One fixture with Portsmouth – originally scheduled for Saturday 5th January – has been rearranged for Tuesday 29th January, kicking off at 7.45pm. With both clubs making it through to the third round of the Emirates FA Cup, the match has had to be moved from its initial date.

Please note that if either ourselves or Pompey make it through to the FA Cup fourth round, it is possible that this new date may change.

HATTERS PROGRAMMES ON OFFER

Hatters supporter Roger Clarke has been in contact with TIOT to say: "I have lots of old programmes I would like to move on, they include nearly full home seasons from 1981 to 1986 including several away programmes and the same for 2003 to 2008 seasons but not so many away programmes. I also have various odd programmes from 1967 to 2015, a promotion souvenir booklet that was produced for the 1969/70 season and odd pieces of memorabilia." Anyone interested can contact Roger via roger.clarke5@ntlworld.com or by calling 01733 760378.

WHO?

A club with such a rich history, they nearly made a Premier League return both in the 2015/16 campaign and the following year, missing out both times as they were defeated in the play-offs. They spent eight consecutive seasons in the top tier, before suffering relegation in 2000. Their slump continued and they have had spells in League One. They have won the FA Cup on three occasions, the most recent of those was in 1935, whilst they were runners up in 1993.

STADIUM - HILLSBOROUGH

An old ground with plenty of character, Hillsborough can host up to nearly 40,000 supporters. Their record attendance came when they played Manchester United in 2000, when 39,640 fans filled the ground. Even when they were in the lower reaches of the EFL, they still averaged crowds of over 23,000 – their League One campaign in 2004/05. Built in 1899, it was originally known as the Owlerton Stadium, before it was renamed after ground improvements.

HAVEN'T WE MET BEFORE?

Town have taken on Wednesday on 57 occasions, our last was a 3-2 win against them in 2007, when Bjorn Runstrom and Drew Talbot got on the

scoresheet, as well as a Tommy Spurr own goal. Of those 57 games, the Hatters have won 16 times, drawn 20 and lost on 21 occasions.

RESULTS SO FAR

The Owls' Emirates FA Cup journey for this campaign starts on Saturday, so there's not much to report on, on that front. Their league form has been a bit topsy-turvy – long runs without victory since October have seen Wednesday slip down the table, and a relegation battle appeared to be looming, until successive 1-0 wins over Christmas have followed the sacking of Jos Luhukay as manager on Friday 21st December.

KNOWING ME, KNOWING YOU

Midfielder Peter Holmes left Sheffield Wednesday in 2000, signing for the Hatters, where he spent seven years, playing 127 times in total and netting 12 goals. He departed for Rotherham United, before going into Non-League football, turning out for the likes of Dunstable Town and Hemel Hempstead Town. Jon Shaw was another Owls academy graduate – the striker failed to really make the breakthrough at Hillsborough and made a name for himself as a Conference striker, signing for the Hatters in 2012, going onto make 51 appearances and scoring ten times.

AND HATTERS SUPPORTER

Few clubs provide more storylines - both good and bad - than Luton, so following the Hatters while working in sports media has had its ups and downs.

From the highs of Wembley wins and promotions to the lows of play-off defeats and points deductions, all our dramas have been written, broadcast and analysed by my colleagues. There's no hiding.

Thankfully, in the Sky Sports office where I work on the website and app, I'm happy to report all feedback on our current side has been overwhelmingly positive - which is not surprising.

There are lots of supporters of EFL clubs at Sky (and quite a few Hatters fans), which means most people have a view on Luton.

For example, my line manager is a Plymouth fan, which made November particularly enjoyable! And when we drew Newcastle last season, I went to St James' Park with two colleagues, one a Newcastle fan and one a Brentford fan, and they were very impressed with how we performed, despite the result. Imagine if they saw us now!

The evening and weekend shifts have meant less chances of actually being at Kenilworth Road. But live feeds from midweek games sometimes make their way into the office while Simon Pitts on iFollow keeps me in touch on Saturdays with his excellent match commentaries.

On a rare evening off this season, I took three mates - Arsenal, Spurs and Man United fans - to the Southend game, which was a real relief after such a tough start to the season. Again, yet more neutrals left impressed with what they saw.

That seems to be a recurring theme with our current squad and the direction we're going in. People who

maybe wouldn't usually be interested in League One, certainly know Luton and Nathan Jones.

My most enjoyable times at work are when I get to do things related to the Town. Over the summer, I spoke with Carlos Edwards to preview the Sunderland game and he was so open about being at the club at a very difficult time, which all of us remember only too well.

Another great chat was with Barnsley boss Daniel Stendel ahead of our Sky Live game in October. His side have been so impressive at times this year - and unfortunately we caught them on a particularly good day!

Exciting

I also spoke with Elliot Lee when he won November's player of the month award. He was so enthusiastic about the club, the squad and Nathan - as we all are. It is opportunities like this that make the evening and weekend shifts worthwhile.

All clubs have their peaks and troughs and being 33, I've sadly seen more of the latter at Luton.

We have had some great players and teams in my time as a fan, but it feels different under 2020 and Nathan. The club does not just have an exciting present, but also an exciting - and secured - future.

I expect to soon see Neville and Carragher raving about our style of play on Monday Night Football - hopefully being played out, of course, in a new stadium.
