## FOREWORD.

It is many years since Shareholders took such an interest in the Club as they did at this year's annual meeting, with rather startling results in the election of Directors. Mr. P. Edwards, who had been on the board 12 years, and Mr. E. Pryor, who had completed his first term of office, sought re-election, and with Mr. J. Hearn resigning through ill-health, a cause for much regret, there were three vacancies. These were filled by the election of Messrs. Willet Ball, Chas. Jeyes and A. J. Mander.

Last season financially was a successful one, a profit of £1,359 9s. 11d. being the largest in the history of the Club, and but for the Town striking a bad patch in mid-season, promotion would almost have certainly been theirs. Of the thirty players on the books last year, 17 have been retained, and six new players have been signed. With the exception of the goal-keeper and centre-forward, the whole of last season's first team has been signed, and with the newcomers it is hoped that the Club has found what will eventually prove a promotion side. We are for ever harping on the word "promotion," but, after all, that is, or should be, the single aim of everybody, and August sees every club launch forth with the highest hopes. May the ambition of the other 21 clubs be deferred!

The only change in the officials of the club is the appointment of Horace Pakes as Trainer. He has acted as Trainer to the second eleven for 30 years, and nobody will begrudge him the promotion he has obtained. He has been very popular with the players in the past, and we are sure will prove himself capable in keeping the players fit.

The Reserves have dropped out of the Southern League, and will confine their attention to the London Combination. This should undoubtedly bring better gates.

May both teams have a successful season, and the financial returns of the Club constitute a further record for 1927-28.
