Message from the Supporters Club Chairperson

Dear Supporter,

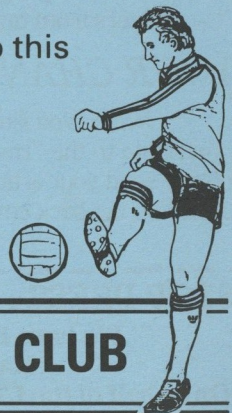

Welcome to the first newsletter of the
Luton Town Supporters Club.

As you may be aware the club was founded in September of this year. At present it is run by 14 committee members including Mr. Bill Tomlins – Football Club representative.

Any club or organisation is only as good as it's members and by reflecting the views and demands of supporters, providing social events, and acting as a focus for the ordinary fan, it is hoped that this will increase your affinity with both players and club.

So, please join and submit your views to this exciting new venture.

Enjoy your Football!
