

SOCCER SHOTS

Some of the pictures taken at Plymouth last Saturday, when Luton, after a ninety-minute up-and-down struggle, finally emerged with a share of the points.

A tense moment (right) as Dunne, the Town's left-back, stands ready to "handle" as a Plymouth shot catches Baynham right out of position. Fortunately the ball just cleared the crossbar. Below, Kelly concedes a corner in foiling an attack by bustling Kirby.

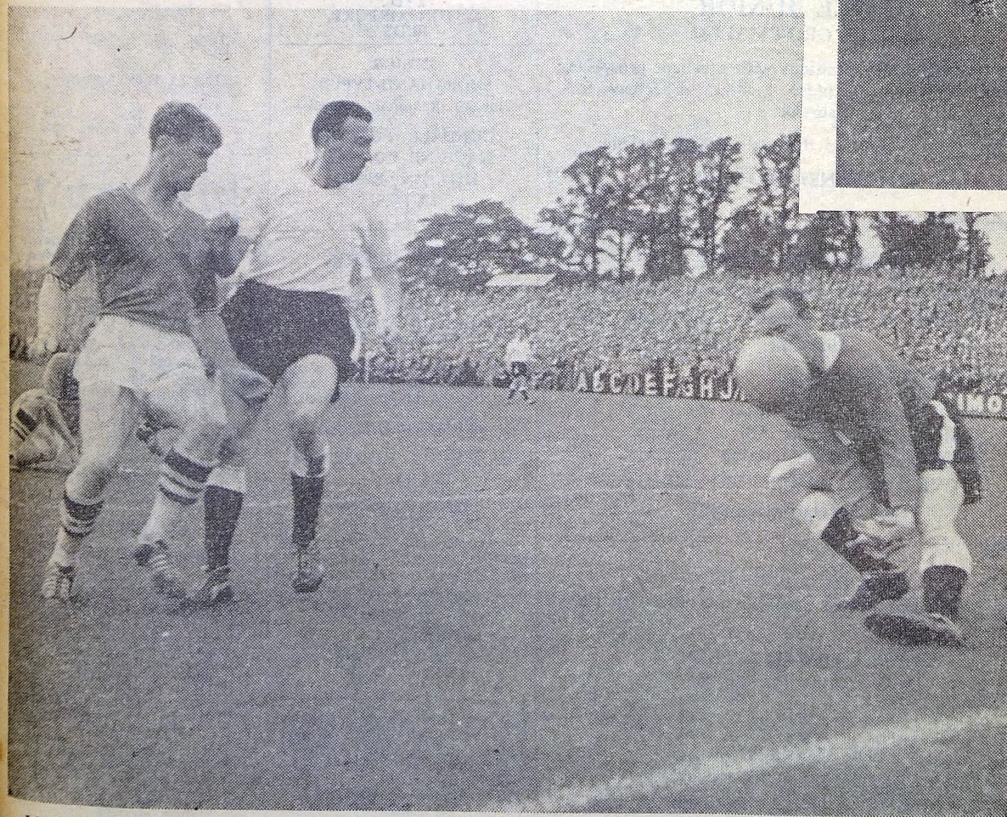

They began badly and the fast Plymouth side, unbeaten at home this season, were constantly in Luton's half. But, after conceding a goal, the "Hatters" began to show some of their old form and Allan Brown put them on equal terms. Final score: Plymouth Argyle 1, Luton Town 1.

COME INTO MY ARMS

Willf Carter, Plymouth's inside-right, flies through the air (above) as he flashes a quick header at the Luton goal. A study of expressions (below) as a fierce drive speeds past Kelly and centre-forward Kirby and ends safely in Baynham's arms.

Baynham dives full-length to rob outside-left Bill Wright of his chance. Three Luton defenders stand ready to come to his aid from nearby positions.

It's that man Kirby again, but only from a watching position this time, as Ron Baynham safely gathers a drive from Plymouth's Anderson, not in the picture.
